DIRECTORS' REPORT

The directors are pleased to submit their directors' report, together with the audited financial statements for the year ended 30 June 2020.

The directors are entitled to take advantage of the small companies' exemption in not preparing a strategic report. This report has been prepared in accordance with the special provisions relating to small companies within Part 15 of the Companies Act 2006.

Activities

The company did not trade during the financial year or the preceding financial year but received interest income from a fellow group undertaking.

In June 2010, the Diageo group ("the group") established a Pension Funding Partnership in which the UK Diageo Pension Scheme ("UK Scheme") acquired a limited interest, and as a partner, is entitled to a distribution of the profits of the Pension Funding Partnership until 2030. Under this structure the company, as an initial limited partner, together with the UK Scheme (limited partner) and a fellow group undertaking (general partner) agreed to form Lochside MWS Limited Partnership ("Lochside"). On 19 July 2010, the company made a capital contribution of £100 to Lochside, and as a member, is entitled to a distribution of the profits of Lochside of £5 each year, which is presented as interest receivable.

The directors foresee no changes in the company's activities. The company is incorporated and domiciled as a private company limited by shares in Scotland, United Kingdom. The registered address is Edinburgh Park, 5 Lochside Way, Edinburgh, EH12 9DT, Scotland, United Kingdom.

Going concern

The company is expected to continue to generate profit for its own account and to remain in positive net asset position for the foreseeable future. The directors have no reason to believe that a material uncertainty exists that may cast significant doubt about the ability of the company to continue as a going concern. On the basis of their assessment, the company's directors have a reasonable expectation that the company will be able to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparing the annual financial statements.

In arriving at this conclusion, the directors have also considered the potential impact that the Covid-19 outbreak may have on the company and believe that any impact would be minimal.

Financial

The result for the year ended 30 June 2020 is shown on page 9.

The profit for the year transferred to reserves was £5 (2019 - £5).

No dividend was paid during the year (2019 - £nil) and there was no dividend proposed to be distributed to the shareholders in regard to the financial year (2019 - £nil).

John Haig & Company Limited
Registered number: SC013654
Year ended 30 June 2020

DIRECTORS' REPORT (continued)

Directors

The directors of the company who were in office during the year and up to the date of signing the financial statements were:

J M C Edmunds

D Keresztesi (appointed 11 September 2020)

G Kovacs (resigned 1 September 2020)

K E Major

Directors' remuneration

None of the directors received any remuneration during the year in respect of their services as directors of the company (2019 - £nil).

Directors' indemnity

The Articles of Association permit qualifying third-party indemnities for the directors as defined by Section 234 of the Companies Act 2006. No such indemnity was in force during the last financial year, nor is any currently in force.

Internal control and risk management over financial reporting

The company operates under the financial reporting processes and controls of the group. Diageo plc's internal control and risk management systems including its financial reporting process of Diageo plc, which include those of the company, are discussed in the group's Annual Report 2020 on page 79 at www.diageo.com, which does not form part of this report.

Principal risks and uncertainties facing the company as at 30 June 2020

The company believes the following to be the principal risks and uncertainties it faces. If any of these risks occur, the company's business, financial condition and operational results could suffer. As the company forms part of the group's financial operations, the financial risk management measures used by management to analyse the development, performance and position of the company's business are mainly similar to those facing the group as a whole and are managed by the group's treasury department.

Covid-19 Pandemic

At the beginning of calendar year 2020 a new coronavirus, referred to as 'Covid-19', emerged and has been classified as a pandemic due to its spread across the world. Given the global nature of the Covid-19 pandemic, and the uncertainty as to the severity and duration of the impact across multiple markets, it is difficult to accurately assess the impact the virus will have on the future financial performance of the group and the company. The global economic outlook remains uncertain currently, as the pandemic has created volatility in the short term as a result of the social restrictions implemented across the world. The impact of the virus on economic conditions over the medium-term (one to three years) is highly uncertain, in sharp contrast to the stable and growing GDP performance across most markets experienced in recent years. As a result, significant volatility is likely to continue or increase as markets face challenging economic conditions and higher levels of unemployment leading to reduced consumer spending.

John Haig & Company Limited
Registered number: SC013654
Year ended 30 June 2020

DIRECTORS' REPORT (continued)

Principal risks and uncertainties facing the company as at 30 June 2020 (continued)

To mitigate these challenges the group regularly gathers data and obtains insights which enable management to assess conditions in the markets where the group operates and to amend forecasts and investment decisions appropriately. The directors believe that the risk mitigation actions taken in relation to the pandemic have been agile and effective and that the group will maintain adequate liquidity and be strongly positioned for a recovery in consumer demand. Further information on the group's risk management measures in relation to Covid-19 are disclosed on pages 38-40 of Diageo plc's 2020 Annual Report.

Brexit

The negotiation process surrounding the United Kingdom's future financial and trading relationship with the European Union continues. We remain of the view that, the direct financial impact to the group or the company will not be material. The full implications of Brexit will not be understood until future trade, regulatory and tax arrangements to be entered into by the United Kingdom are established.

A cross-functional working group is in place that meets on a regular basis to identify and assess the consequences of Brexit, with all major functions within our business represented, including the function of raising external funding. The group continues to monitor this risk area very closely, as well as the broader environment risks, including a continuing focus on identifying critical decision points to ensure potential disruption is minimised, and take prudent actions to mitigate these risks wherever practical. Further information on the group's risk management measures in relation to Brexit are disclosed on pages 38-40 of Diageo plc's 2020 Annual Report.

Independent Auditors

Pursuant to Section 487 of the Companies Act 2006, the independent auditors, PricewaterhouseCoopers LLP, have been reappointed and will continue in office as independent auditors of the company.

Disclosure of information to the auditors

The directors who held office at the date of approval of this directors' report confirm that, so far as they are each aware, there is no relevant audit information of which the company's auditors are unaware; and each director has taken all the steps that they ought to have taken as a director to make themselves aware of any relevant audit information and to establish that the company's auditors are aware of that information.

Year ended 30 June 2020

Statement of directors' responsibilities in respect of the financial statements

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulation.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 101 "Reduced Disclosure Framework", and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing the financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- state whether applicable United Kingdom Accounting Standards, comprising FRS 101, have been followed, subject to any material departures disclosed and explained in the financial statements;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006.

Independent auditors' report to the members of John Haig & Company Limited

Report on the audit of the financial statements

Opinion

In our opinion, John Haig & Company Limited's financial statements:

- give a true and fair view of the state of the company's affairs as at 30 June 2020 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 101 "Reduced Disclosure Framework", and applicable law); and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements, included within the Directors' report and financial statements (the "Annual Report"), which comprise: the balance sheet as at 30 June 2020; the statement of comprehensive income, the statement of changes in equity for the year then ended; and the notes to the financial statements, which include a description of the significant accounting policies.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under ISAs (UK) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We remained independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, which includes the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the company's ability to continue as a going concern.

Reporting on other information

The other information comprises all of the information in the Annual Report other than the financial statements and our auditors' report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except to the extent otherwise explicitly stated in this report, any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

With respect to the Directors' report, we also considered whether the disclosures required by the UK Companies Act 2006 have been included.

Based on the responsibilities described above and our work undertaken in the course of the audit, ISAs (UK) require us also to report certain opinions and matters as described below.

Directors' report

In our opinion, based on the work undertaken in the course of the audit, the information given in the Directors' report for the year ended 30 June 2020 is consistent with the financial statements and has been prepared in accordance with applicable legal requirements.

In light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we did not identify any material misstatements in the Directors' report.

Responsibilities for the financial statements and the audit

Responsibilities of the directors for the financial statements

As explained more fully in the Statement of directors' responsibilities in respect of the financial statements set out on page 6, the directors are responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view. The directors are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditors' report.

Use of this report

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

Other required reporting

Companies Act 2006 exception reporting

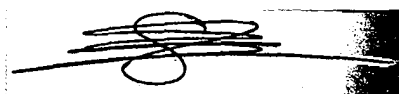

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept by the company, or returns adequate for our audit have not been received from branches not visited by us; or
- certain disclosures of directors' remuneration specified by law are not made; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

Entitlement to exemptions

Under the Companies Act 2006 we are required to report to you if, in our opinion, the directors were not entitled to take advantage of the small companies exemption from preparing a strategic report. We have no exceptions to report arising from this responsibility.

NOTES TO THE FINANCIAL STATEMENTS

1. ACCOUNTING POLICIES

Basis of preparation

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

These financial statements are prepared in accordance with Financial Reporting Standard 101 *Reduced Disclosure Framework* (FRS 101).

In preparing these financial statements, the company applies the recognition, measurement and disclosure requirements of International Financial Reporting Standards as adopted by the EU (IFRS), but makes amendments where necessary in order to comply with Companies Act 2006 and sets out below where the FRS 101 disclosure exemptions have been taken.

These financial statements are prepared on a going concern basis under the historical cost convention, except that certain financial instruments are measured at their fair value.

The company is a wholly owned subsidiary of Diageo plc and is included in the consolidated financial statements of Diageo plc which are publicly available.

The preparation of financial statements in conformity with FRS 101 requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates.

The following exemptions from the requirements of IFRS have been applied in the preparation of these financial statements, in accordance with FRS 101:

- The following paragraphs of IAS 1, 'Presentation of financial statements':
 - 10(d) (statement of cash flows);
 - 16 (statement of compliance with all IFRS);
 - 79(a)(iv) (comparative information requirements);
 - 111 (cash flow statement information);
 - 134-136 (capital management disclosures).
- IAS 7, 'Statement of cash flows'
- The following paragraphs of IAS 8, 'Accounting policies, changes in accounting estimates and errors':
 - 30 (requirement for the disclosure of information when an entity has not applied a new IFRS that has been issued but is not yet effective);
 - 31 (disclosures relating to the new IFRS).
- The following paragraphs of IAS 24 'Related party disclosures':
 - 17 (key management compensation);
 - 18A (key management services provided by a separate management entity).
- The requirements of IFRS 7 Financial Instruments: Disclosures, provided that equivalent disclosures are included in the consolidated financial statements of the group in which the entity is consolidated.

John Haig & Company Limited
Registered number: SC013654
Year ended 30 June 2020

NOTES TO THE FINANCIAL STATEMENTS (continued)

1. ACCOUNTING POLICIES (continued)

The company has taken advantage of the exemption by virtue of section 400 under Companies Act 2006, from the requirement to prepare consolidated financial statements, as it and its subsidiaries are included in the consolidated financial statements of its ultimate parent, Diageo plc.

These financial statements are separate financial statements.

New accounting standards and interpretations

The following amendments to the accounting standards, issued by the IASB which have been endorsed by the EU, have been adopted by the group and therefore by the company from 1 July 2019 with no impact on the company's results, financial position or disclosures:

- Amendments to IAS 28 - Long-term Interests in Associates and Joint Ventures
- Amendments to IFRS 9 - Prepayment Features with Negative Compensation
- Improvements to IFRS 3 and IFRS 11 - Business combinations and Joint arrangements - Accounting for previously held interests
- Improvements to IAS 12 - Income taxes - Accounting for income tax consequences of payments on financial instruments that are classified as equity
- Improvements to IAS 23 - Borrowing costs on completed qualifying assets
- IFRS 16 - Leases

The following amendment and standard, issued by the IASB have not been adopted by the company:

- IFRS 17 - Insurance contracts
- Amendments to IFRS 9, IAS 39 and IFRS 17 - Interest rate benchmark reform (Phase1)

Functional and presentational currency

These financial statements are presented in sterling (£), which is the company's functional currency.

Finance income

Finance income is recognised in the statement of comprehensive income in the year in which it is earned.

Investments in subsidiaries

Investments in subsidiaries are stated at historical cost less impairment provisions for any permanent decrease in value. The carrying amounts of the company's investments are reviewed at each reporting date to determine whether there is an indication of impairment. If such an indication exists, then the asset's recoverable amount is estimated. Losses are recognised in the statement of comprehensive income and to reflect an impairment against the carrying value. Where an event results in the asset's recoverable amount being higher than the previously impaired carrying value, the original impairment may be reversed through the statement of comprehensive income in subsequent periods.

John Haig & Company Limited
Registered number: SC013654
Year ended 30 June 2020

NOTES TO THE FINANCIAL STATEMENTS (continued)

1. ACCOUNTING POLICIES (continued)

Financial assets

Financial assets are initially recorded at fair value, where permitted by IFRS 9, including any directly attributable transaction costs. For those financial assets that are not subsequently held at fair value, the company assesses whether there is evidence of impairment at each balance sheet date. The company classifies its financial assets into the following categories: financial assets at amortised cost, financial assets at fair value through profit and loss and financial assets at fair value through other comprehensive income. Where financial assets are eligible to be carried at either amortised cost or fair value, the company does not apply the fair value option.

Trade and other receivables Amounts owed by other group companies are initially measured at fair value and are subsequently reported at amortised cost. Non-interest-bearing trade receivables are stated at their nominal value as they are due on demand. Allowances for expected credit losses are made based on the risk of non-payment taking into account ageing, previous experience, economic conditions and forward-looking data. Such allowances are measured as either 12-months expected credit losses or lifetime expected credit losses depending on changes in the credit quality of the counterparty.

Taxation

Current tax is based on taxable profit for the year. Taxable profit is different from accounting profit due to temporary differences between accounting and tax treatments, and due to items that are never taxable or tax deductible. Tax benefits are not recognised unless it is probable that the tax positions are sustainable. Once considered to be probable, tax benefits are reviewed each year to assess whether a provision should be taken against full recognition of the benefit on the basis of potential settlement through negotiation and/or litigation. Tax provisions are included in current liabilities. Penalties and interest on tax liabilities are included in profit before taxation.

Judgements in applying accounting policies and key sources of estimation uncertainty

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The critical accounting policy, which the directors consider is of greater complexity and particularly subject to the exercise of judgements and estimates, is set out in detail in the accounting policy for investments in subsidiaries. A critical accounting judgement, specific to the company, is the assessment that recoverable amount of the company's investment in subsidiaries is greater than the carrying amount.

John Haig & Company Limited
Registered number: SC013654
Year ended 30 June 2020

NOTES TO THE FINANCIAL STATEMENTS (continued)

2. OPERATING COSTS

The auditors' remuneration of £2,500 (2019 - £2,500) was paid on behalf of the company by a fellow group undertaking. There were no fees payable to the auditors in respect of non-audit services (2019 - £nil).

The company did not employ any staff during either the current or prior year.

None of the directors received any remuneration during the financial year in respect of their services as directors of the company (2019 - £nil).

3. FINANCE INCOME

	Year ended 30 June 2020 £	Year ended 30 June 2019 £
Interest income		
Lochside MWS Limited Partnership	5	5
Total interest income	<u>5</u>	<u>5</u>

Interest receivable of £5 (2019 - £5) is capitalised into the loan amount due from Diageo Scotland Limited, a fellow group undertaking.

John Haig & Company Limited
Registered number: SC013654
Year ended 30 June 2020

NOTES TO THE FINANCIAL STATEMENTS (continued)

4. TAXATION ON PROFIT ON ORDINARY ACTIVITIES

	Year ended 30 June 2020 £	Year ended 30 June 2019 £
(a) Analysis of taxation for the year		
Current tax	—	—
Deferred tax	—	—
Taxation on profit on ordinary activities	<u>—</u>	<u>—</u>
(b) Factors affecting total tax for the year		
Profit on ordinary activities before taxation	<u>5</u>	<u>5</u>
Taxation on profit on ordinary activities at UK corporation tax rate of 19% (2019 - 19%)	(1)	(1)
Group relief received for nil consideration	175	243
Other tax effects for reconciliation between accounting profit and tax expense	<u>(174)</u>	<u>(242)</u>
Total tax for the year	<u>—</u>	<u>—</u>

The UK tax rate is 19% effective from 1 April 2017 which is applied for the year ended 30 June 2020. In the Spring Budget 2020, the Government announced that from 1 April 2020 the corporation tax rate would remain at 19% (rather than reducing to 17%, as previously enacted). This new law was substantively enacted on 17 March 2020.

The amount of other tax effect for reconciliation between accounting profit and tax expense consists of transfer pricing adjustments in respect of the intercompany loan relationship.

5. INVESTMENTS IN SUBSIDIARIES

Loan to fellow group undertaking

	30 June 2020 £	30 June 2019 £
Amount owed by fellow group undertaking	<u>100</u>	<u>100</u>

Pursuant to a capital contribution of £100 to Lochside, the company is entitled to a profit distribution each year allocated in line with the Partnership Agreement of Lochside.

John Haig & Company Limited
Registered number: SC013654
Year ended 30 June 2020

NOTES TO THE FINANCIAL STATEMENTS (continued)

5. INVESTMENTS IN SUBSIDIARIES (continued)

As the distributions represent a contractual right for the company to receive cash from Lochside, the capital contribution is shown as a loan to fellow group undertaking and the profit distribution received is presented as an interest receivable (Note 3).

The capital contribution of £100 was paid by Diageo Scotland Limited, a fellow group undertaking, on behalf of the company.

6. TRADE AND OTHER RECEIVABLES

	30 June 2020	30 June 2019

Amounts owed by fellow group undertakings		
Diageo Scotland Limited	34,950	34,945
	<u>34,950</u>	<u>34,945</u>

Amounts owed by fellow group undertakings are unsecured, interest free and repayable on demand.

7. CALLED UP SHARE CAPITAL

Allotted, called up and fully paid:

	30 June 2020
	£
1,000 (2019 - 1,000) ordinary shares of £1 each	1,000
	<u>1,000</u>

8. IMMEDIATE AND ULTIMATE PARENT UNDERTAKING

The immediate parent undertaking of the company is Diageo Scotland Limited, a company incorporated and registered in Scotland, United Kingdom.

The ultimate parent undertaking of the company is Diageo plc which is the ultimate controlling party of the group. The ultimate parent undertaking and the smallest and largest group to consolidate these financial statements is Diageo plc. Diageo plc is incorporated and registered in England, United Kingdom. The consolidated financial statements of Diageo plc can be obtained from the registered office at Diageo, Lakeside Drive, Park Royal, London, NW10 7HQ, United Kingdom.
