The standard conditions specified in Schedule 3 to the Conveyancing and Feudal Reform (Scotland) Act 1970 shall apply; And the Borrower agrees and undertakes the following obligations which, where they can vary the Standard Conditions, the Standard Conditions shall be varied as follows:

1. The Parties

- (a) The expressions the "Borrower" and the "Bank" shall where the context admits include their respective successors, representatives and assignees.
- (b) Where two or more persons are included in the expression "Borrower" then:-
 - (i) The obligations imposed on all and each of these persons in this Standard Security are joint and several with the obligations of each of the other persons or person included in the expression "Borrower" so that each person is liable for all the obligations, not just a share of them; and
 - (ii) Each reference to "Borrower" is a reference to all persons included in the meaning of each such expression and also each of such persons separately.
- (c) Where any person included in the expression "Borrower" is a partnership, each person who is or becomes a partner of that partnership at any time will be liable jointly and severally with each other and with each other person included in the expression "Borrower" for all the obligations imposed on the Borrower in this Standard Security.
- (d) In the event of any one or more of the persons included in the expression "Borrower" being released from or being found never to have been bound by the obligations imposed on the Borrower by this Standard Security (or from or by any such obligations) as a result of any incapacity on its or their part or invalidity of the documentation establishing its or their liability for such obligations or for any other reason, the other person or person included in the expression "Borrower" will nevertheless remain bound by all their respective obligations under this Standard Security.
- (e) For the purposes of Standard Condition 9 the insolvency of any person or persons included in the expression "Borrower" will constitute insolvency of the Borrower.
- (f) Expressions in the singular include the plural and vice versa, expressions in one gender include each other gender and a reference to a part of a thing includes the whole of it.
- (g) "Person" includes an individual, company, limited liability partnership, joint venture, society or an unincorporated association, organisation or body of persons (including a trust and a partnership) and any Government or Governmental Agency and reference to a person shall include that person's successors and assignees or any person to whom any assets of that person are transferred or passed as a result of a merger, division, reconstruction or other reorganisation. If that person is a partnership those references shall include each of the persons who is or becomes a partner of the partnership at any time, irrespective of whether that partnership will at any time be dissolved or reconstituted or will be the subject of any change in its name or constitution.

2. Insurance

- 2.1 The insurance to be effected in terms of Standard Condition 5(a) shall provide cover to the extent of the reinstatement value (as to which the Bank shall be the sole judge, acting reasonably) of the Security Subjects (and not their market value) plus an additional 12.5% of the reinstatement value to pay for debris removal and professional fees incurred in any rebuilding and the insurance shall be against loss or damage by fire, explosion, storm, tempest, aircraft and articles dropped from aircrafts and where appropriate two years loss of rent and shall be with reputable insurers.
- 2.2 The insurance cover must come into force no later than the date on which this Standard Security is granted.
- 2.3 The Borrower must ensure the Bank's interest is noted on the policy as heritable creditor *primo loco*, or in the event that there is a prior ranking security heritable creditor *secundo loco*, by the insurer and that the Bank is named as loss payee. At the Bank's request the Borrower must immediately arrange for the policy to be put into the joint names of the Bank and the Borrower and/or transfer to the Bank the whole benefit of the policy.

- 2.4 The Borrower must comply with all undertakings and obligations as to the insurance of the Security Subjects imposed by the title deeds or title sheet of the Security Subjects.
- 2.5 If the terms of any title condition, real burden or obligation make someone else responsible for arranging buildings insurance on the Security Subjects or require the said insurance to be effected on a common policy the Borrower need not arrange separate cover but the Borrower is then responsible for making sure that:-
- (a) The cover is for the full reinstatement or replacement value (including cover for debris removal and professional fees); if the cover is inadequate the Borrower must arrange supplementary cover.
 - (b) The cover is for the whole building in which the Security Subjects are situated.
 - (c) Any money claimed under the policy will be used to restore the building and fixtures, and that the policyholder will be responsible for paying any shortfall out of their own pocket.
 - (d) The policy notes the Borrower's rights and the Bank's rights as heritable creditor, and
 - (e) If the Bank asks to see them the Borrower can show the Bank a copy of the policy and proof that the premiums are paid to date.
- 2.6 The Bank has a right to arrange the policy for the Borrower. If the Bank does so the Bank will insure the Security Subjects for the full reinstatement value plus 12.5% or such other sum as is considered reasonable by the Bank.
- 2.7 The Borrower must pay all insurance premiums on time. The Borrower must show to the Bank the policy or a copy of the policy and the receipts for the premium payments if the Bank asks to see them. If the Borrower fails to do this the Bank may arrange or renew at the Borrower's expense any insurance which the Bank considers appropriate. The Borrower will repay to the Bank on demand the cost of any such re-arranged insurance. The Bank will be entitled at its discretion to debit any account of the Borrower with the Bank with the amount of the cost of any such insurance and the interest on that cost.
- 2.8 If the Borrower arranges the policy and the Borrower makes any claim on it any money the Borrower receives must be used for or put towards the replacement, restoration or reinstatement of the damaged or destroyed property in respect of which the monies have been paid and to the mitigation of any other loss or damage or, if required by the Bank, in or towards payment or repayment of any sums due to the Bank by the Borrower in terms of this Standard Security.
- 2.9 The Borrower will inform the Bank and the relevant insurer in writing immediately if:
- (a) Any part of the Security Subjects is damaged or destroyed; or
 - (b) The Borrower leaves or intends to leave any part of the Security Subjects vacant for a period of more than twenty eight days.

And will pay any increased premium necessary to maintain the insurance cover specified in terms of this Standard Security.

- 2.10 The Borrower will make or assist in the making of any appropriate claim under the policy in any way in which the Bank may require. The Borrower will not, without the Bank's prior written consent, in any way admit, compromise or settle liability or any claim or any matter which may be the subject of a claim under the policy. The Borrower authorises the Bank in the Borrower's name and on the Borrower's behalf to make any claim against the insurer under any part of the policy and to admit, compromise or settle such claim and/or any liability relating to any such claim and/or any potential claim. The Borrower also authorises the Bank to receive any amounts payable and/received in respect of the policy and/or any claim under the policy.
- 2.11 Nothing shall be done on these Security Subjects which may prejudicially affect the insurance or which may increase the premium payable and/or any such insurance without the consent of the Bank in writing.

 - (v) Supply on demand any information relating to any such lease, sub-lease, tenancy or licence which the Bank may require.

3.2 The Borrower shall, so long as the Standard Security remains in force:-

 - (g) The Borrower's whole other powers in relation to the Security Subjects (but such other powers shall be exercisable by the Bank only after the Bank has entered into possession of the Security Subjects).

The Borrower agrees to ratify and will ratify everything purported to be done as its attorney by the Bank.

5. Fixtures, Fittings and Moveables

- 5.1 The Bank, upon entry into possession of the Security Subjects, shall become the agent of the Borrower with authority at the expense of the Borrower to remove, store, preserve, sell or otherwise dispose of any fittings, fixtures or other moveable property in or upon the Security Subjects which the Borrower shall have refused or omitted to remove from the Security Subjects in such manner as the Bank may think fit.
- 5.2 The Bank may apply any price received in respect of any sale of such fittings, fixtures or other moveable items after the deduction of the expense of sale in reduction of any of the Borrower's obligations.
- 5.3 The Bank will not be obliged to act as the Borrower's agent in relation to the sale or disposal of any fittings, fixtures or other moveable items.

6. Default

6.1 Standard Condition 9 will be varied so that in addition to the circumstances set out in that Standard Condition the Borrower will also be in default:-

- (c) The Bank will be entitled at any time to sell, dispose of, surrender or abandon all or any part of any such other security or guarantee referred to in the preceding subparagraph or the shares of property to which they relate without in any way affecting the security created by the Standard Security or releasing any of the Borrower's obligations.
- (d) None of the Borrower's obligations will be reduced, discharged or otherwise affected by the Bank granting to the Borrower or to any other person or persons at any time, any waiver or concession or compounding with the Borrower or any other person or persons, acceding to trust deeds (protected or unprotected) or drawing dividends, whether or not any notice is given to the Borrower or any other person concerned.
- (e) If the Bank receives intimation of any subsequent charge or security affecting all or any part of the Security Subjects the Bank may open up a new account or accounts for the Borrower. If the Bank does not open a new account then unless the Bank gives express written notice to the contrary to the Borrower the Bank will nevertheless be treated as if it had done so at the time when it received such intimation and as from that time all payments made by or on behalf of the Borrower to the Bank will be credited or treated as having been credited to such new account or accounts and will not operate to reduce the amount due from the Borrower to the Bank at the time when it receives such intimation.
- (f) Receipt by the Bank of any sums paid in respect of the Borrower's obligations will not reduce the Borrower's obligations unless the Bank confirms in writing to the Borrower that the Borrower's obligations are so reduced. The Bank may place any amounts received under or in relation to the Standard Security to the credit of a suspense account. Those amounts may be kept there until such time as the Bank decides to apply them in or towards satisfaction of any of the Borrower's obligations.

8. Fees, Costs, etc.

- 8.1 Any expenses duly incurred by the Bank in connection with this Standard Security will be part of the Borrower's obligations.
- 8.2 If any payment made by the Bank under the Standard Security includes an amount in respect of Value Added Tax, or if any payment due to the Bank under the Standard Security shall be in reimbursement of any expenditure by or on behalf of the Bank which includes an amount in respect of Value Added Tax then such amount will be payable by the Borrower to the Bank on demand.
- 8.3 The Borrower agrees to pay fees charged by the Bank for the time spent by the Bank's officers, employees or agents in dealing with any matter relating to this Standard Security. Such fees will be payable at such rate as may be reasonably specified by the Bank.

9. Conclusive Evidence Certificates

Any notice given by the Bank specifying the amount of all or part of the Borrower's obligations at any time will be conclusive and binding on the Borrower for all purposes (save for manifest error). The amount to be specified by the Bank may be calculated by the Bank on the assumption that all of the Borrower's obligations are then due and payable.

10. Payment without Deduction

All payments to be made by the Borrower under the Standard Security will be made without any set-off, retention, compensation, condition or counter claim and free and clear of any deductions or withholdings of whatever nature.

11. Transfers

- 11.1 The Bank may assign this Standard Security to any other bank or person and may disclose to such bank or person such information concerning the financial affairs of the Borrower as the Bank in its absolute discretion considers appropriate.

- 12.1 Any notice under this Standard Security will not be effective unless it is in writing and in English.
- 12.2 Any notice by the Bank may, but does not need, to bear the signature of an officer or agent of the Bank. Any such signature which is reproduced automatically or mechanically or digitally will be equally effective as one written by the signatory.
- 12.3 Any notice or demand by the Bank hereunder shall be deemed to have been sufficiently given or made if sent:
 - (a) By hand or prepaid letter post to the address stated herein of the Borrower or the address of the Borrower last known to the Bank or the Registered Office of the Borrower.
 - (b) By telex or facsimile to the last known telex or facsimile number relating to any such address or office.
- 12.4 Any such notice or demand given or made under clause 12.3 shall be deemed to have been served on the Borrower:
 - (a) At the time of delivery to the address referred to in 12.3(a) if sent by hand.
 - (b) At the earlier of the time of delivery or 10.00 a.m. on the day after posting (or if the day after posting be a Sunday or any other day upon which no delivery of letters is made at the earlier of the time of delivery or 10.00 a.m. on the next succeeding day on which delivery of letters is scheduled to be made) if sent by prepaid letter.
 - (c) At the time of transmission if sent by telex or facsimile (and a facsimile shall be deemed to have been transmitted if it appears to the sender to have been transmitted from a machine which is apparently in working order), or
 - (d) On the expiry of 72 hours from the time of despatch in any other case.
- 12.5 If there are any circumstances (not caused by the Borrower) which mean that any notice sent by post or facsimile cannot reasonably be expected to arrive by the time it would be treated as served the time of service will be rescheduled to the time when the sender considers it appropriate.
- 12.6 The Borrower will not attempt to prevent delay or evade the service of any such notice.
- 12.7 In order to be valid any notice given by the Borrower (which may not be given by facsimile or email) must be received by the Bank (and if not received between 9.00 a.m. and 5.00 p.m. on a working day such notice will be deemed to have been received when 9.00 a.m. next occurs on a working day).
- 12.8 Nothing in this clause 12 applies to service by the Bank of any calling up notice or notice of default or other statutory notice the requirements for which will be as stated in the Conveyancing and Feudal Reform (Scotland) Act 1970, the Mortgage Rights (Scotland) Act 2001 (each as amended from time to time or replaced by any other Act replacing the same).

13. Consumer Credit Act 1974

The Borrower's obligations will not include any sums or obligations due by the Borrower to the Bank under a regulated agreement within the meaning of the Consumer Credit Act 1974 "the 1974 Act" unless

any such agreement provides for it to be secured by this Standard Security or is a debtor-creditor agreement in terms of the 1974 Act for the Borrower to overdraw a current account.

And the Borrower declares that a certificate by a duly authorised signatory of the Bank as to the amount due to it at any time by the Borrower shall be final, conclusive and unchallengeable, save in the case of manifest error: And the Borrower grants warrandice; And the Borrower and the Consentor (if any) consent to registration hereof and the said certificate for execution and preservation: IN WITNESS WHEREOF these presents consisting of this and the preceding 9 pages and the plan are executed by the Borrower and the Consentor (if any) as follows:-
