Report of the Directors

The directors present their annual report and the audited financial statements for the year ended 30 June 2011. The directors' report has been prepared under the special provisions relating to small companies under section 415A of the Companies Act 2006.

Activities

The company did not trade during the current year or the preceding year. The directors expect this to continue.

Financial risk management

The company has not traded in the current year or the prior year and has no financial assets or liabilities. The directors therefore consider that the company is not exposed to any financial risks.

Directors and their interests

The directors who served during the year were:

Sir D E Murray
J D G Wilson (resigned 9 May 2011)
M S McGill

At 30 June 2011 neither of the directors had any interest in the share capital of the company (30 June 2010 – £Nil). The interests of the directors in the share capital of the ultimate holding company (Note 4) are disclosed in the directors' report accompanying that company's financial statements.

Statement of directors' responsibilities

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently
- make judgments and estimates that are reasonable and prudent
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

Report of the Directors (continued)

Statement of directors' responsibilities (continued)

The directors are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as each of the directors is aware:

- there is no relevant audit information of which the company's auditors are unaware; and
- the directors have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

Independent auditors

Grant Thornton UK LLP, having expressed their willingness to continue in office, will be deemed reappointed for the next financial year in accordance with section 487(2) of the Companies Act 2006 unless the company receives notice under section 488 (1) of the Companies Act 2006.
