Statement of directors' responsibilities in respect of the directors' report and the financial statements

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that year.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

1 Accounting policies

Basis of preparation

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost convention.

The directors of the Company have considered the current financial position of the Company, the forecasted future funding requirements and the support available from its parent company. On this basis, the directors consider that the Company will have sufficient funds available to meet liabilities as they fall due for the foreseeable future and therefore consider that it remains appropriate to prepare the financial statements on a going concern basis.

The financial statements have been prepared for the 52 week trading period from 30 December 2013 to 28 December 2013. The comparative period is for the 52 week trading period ended 29 December 2012.

The company is exempt from the requirements of FRS 1 *Cash Flow Statements* to prepare a cash flow statement as it is a wholly owned subsidiary undertaking of a parent undertaking which has produced a cash flow statement.

As the company is a wholly owned subsidiary of VION Holding NV, it has taken advantage of the exemption contained in FRS 8 *Related Party Disclosures* and has therefore not disclosed separately transactions or balances with entities which form part of the group.

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

Taxation

The charge for taxation is based on the result for the period and takes into account deferred tax. Deferred tax is recognised undiscounted in respect of all timing differences between the treatment of certain items for taxation and accounting purposes which have arisen but not reversed by the balance sheet date.

2 Auditors remuneration

Auditors' remuneration for the current year has been borne by the parent company. The amount attributable to this company for audit services is £nil (2012: NIL) and for other services £Nil (2012: £Nil).

3 Remuneration of directors

The aggregate emoluments of M Kusters; M A Steven and P J Miller were borne by VION Food Group Limited. The aggregate emoluments of L B Abiitt were borne by VION Food (NL Division) Limited. The aggregate emoluments of L A M Vernaas were borne by VION Holding NV. Their remuneration is disclosed in the accounts of those companies but it has not been practical to allocate their remuneration between their services as executives of this company and other group companies.
