### STRUCTURE, GOVERNANCE AND MANAGEMENT

### **Governing document**

The North East of Scotland Music School Limited is a company limited by guarantee and not having a share capital. It is governed by its Memorandum & Articles of Association dated 21 July 1975, which sets out the framework for the management of the company. It is registered as a charity with the Office of the Scottish Charity Regulator (OSCR).

## Recruitment & appointment of the members of the Council of Management and the Advisory Committee

The members of the Council of Management are elected at the Annual General Meeting and serve for a maximum of 3 years, when they are then eligible for re-election. When vacancies occur on the Council of Management and the sub-committees, names of persons with relevant experience are put forward for consideration by the Council of Management.

### Training of Council & Committee members

Through attendance at the Council of Management and sub committee meetings, the members obtain relevant experience.

### Organisation

The Council of Management deals with the organisation of the Company. There are four sub committees: Music, Finance and General Purposes, Strategy and Planning, and Fundraising which meet the Manager Colin Brockie on a regular basis and report to the Council. The Manager and his two part time assistants are responsible for the day to day running of the school.

### Identification of major risks

It is recognised that risk management is the responsibility of the Council of Management. The Council has examined the major areas of the School's operations, considered the major risks which may arise in those areas and is of the opinion that systems are in place to mitigate these risks to an acceptable level. The Finance and General Purposes Committee constantly monitors major risks associated with legislation, health and safety and insurance cover and reports to the Council of Management.

### **OBJECTS & ACTIVITIES OF THE COMPANY**

The aim of the company is to provide a centre where people can receive advanced or other musical tuition not otherwise available to them, and to provide all facilities appropriate to the purposes of the School, and to receive as pupils such persons as the Council of Management considers proper.

The School benefits from the invaluable support provided by the Friends of the School in the provision of fundraising events, accommodation, hospitality and transport around Aberdeen for tutors who travel from other parts of the UK to teach at the School.

All other fundraising and applications to trusts and companies for donations and sponsorship have been done by volunteers with assistance from the Manager. The company benefits greatly from the involvement and enthusiastic support of its many volunteers. In accordance with FRS 102 and the Charities SORP (FRS 102) the economic contribution of general volunteers is not recognised in the accounts.

### **ACHIEVEMENTS & PERFORMANCE**

During the year advanced musical tuition was provided at the School for suitably talented musicians. The pupils derived from Aberdeen City, Aberdeenshire, and other areas throughout Scotland, and numbered 136 (2020 -209). A total of 1,528 (2020 - 1,581) tuition hours was provided by the School. Scholarships and hardship funding comprising of a total of 228 (2020 - 235) tuition hours were awarded to 50 (2020 - 43) pupils.

As a result of the Covid pandemic all face to face teaching in the School ceased in March 2020. In person teaching continued to be replaced during the year by remote online teaching. Facilities were put in place to allow pre-recorded performances to be used for scholarship applications, auditions to music colleges and some performances for diploma exams. Successful results were obtained by students in Trinity and ABRSM exams and many students won their classes at the Aberdeen and North East of Scotland online Music Festival. Five students were awarded places at the Royal Conservatoire of Scotland or the Royal Northern College of Music for the next academic year. The pandemic meant that no face to face concerts were held during the year but some students were given the opportunity to record performances for in-house Zoom events.

Since the year end in person teaching has gradually recommenced in the School in line with government Covid guidelines and it is expected that concerts will again be organised to allow talented pupils to gain experience of public performance.

### FINANCIAL REVIEW

The total of fees, scholarship & hardship donations received applicable to revenue was greater than the costs of the tutors fees and expenses by £12,232 (£5,192 in 2020). Administration and property costs amounted to £55,947 (£64,584 in 2020). These included costs of fundraising amounting to £164 (£4,532 in 2020) Fundraising income and donations received, excluding the above scholarship & hardship donations, amounted to £2,943 and £53,850 respectively (£9,593 and £28,663 in 2020), which together with other income produced a net surplus for the year of £55,477 (deficit of £7,326 in 2020).

### Policy on reserves

Reserves are held for future anticipated costs as mentioned above, and also to enable the School to continue in those years when income from donations and fundraising is insufficient.

### Heritable property

The property 21 Huntly Street, Aberdeen was purchased in February 1997 with the aid of funds from the National Lottery and the Foundation for Sports and the Arts.

### PLANS FOR FUTURE YEARS

The company will continue to provide a centre for advanced music tuition and will also continue to assess the viability of the current music disciplines provided, and to introduce new disciplines where the need arises.

Face to face teaching has resumed where it can be carried out safely within the School premises and will continue alongside online teaching in accordance with Scottish government Covid guidance. Council will consider how online technology may be used as an additional tool for tuition alongside the traditional method.
