The company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 31 May 2020.

The members have not required the company to obtain an audit of its financial statements for the year ended 31 May 2020 in accordance with Section 476 of the Companies Act 2006.

The directors acknowledge their responsibilities for:

- (a) ensuring that the company keeps accounting records which comply with Sections 386 and 387 of the Companies Act 2006 and
- (b) preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of each financial year and of its profit or loss for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company.

Page 2 continued...

# Balance Sheet - continued 31 May 2020

The financial statements have been prepared and delivered in accordance with the provisions applicable to companies subject to the small companies regime.

In accordance with Section 444 of the Companies Act 2006, the Statement of Income and Retained Earnings has not been delivered.

The financial statements were approved by the Board of Directors and authorised for issue on 16 April 2021 and were signed on its behalf by:

R J Freeland - Director

# Notes to the Financial Statements for the Year Ended 31 May 2020

#### 1. STATUTORY INFORMATION

Freeland Freight Service Limited is a private company, limited by shares, registered in Scotland. The company's registered number and registered office address can be found on the Company Information page.

#### 2. ACCOUNTING POLICIES

#### Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain assets.

#### **Turnover**

Turnover represents amounts receivable for services provided in the normal course of business, net of discounts and VAT. Revenue is recognised to the extent that it is probable that economic benefit will flow to the company and when its value can be measured with a sufficient degree of certainty and reliability. All income is recognised in the accounting period to which it relates.

#### Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life or, if held under a finance lease, over the lease term, whichever is the shorter.

Land and buildings - 2% on cost

Plant and machinery etc - 25% on cost, 20% on cost, 15% on cost, 10% on cost and 8% on cost

#### Stocks

Stock comprises fuel for the operational vehicles and spare parts for vehicle repairs. All stock is valued at the lower of cost or potential realisable value after making due allowance for obsolete items.

#### **Taxation**

Taxation for the year comprises current and deferred tax. Tax is recognised in the Statement of Income and Retained Earnings, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

### Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Page 4 continued...

# Notes to the Financial Statements - continued for the Year Ended 31 May 2020

#### 2. ACCOUNTING POLICIES - continued

#### Hire purchase and leasing commitments

Assets obtained under hire purchase contracts or finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their estimated useful lives. Those held under finance leases are depreciated over their estimated useful lives or the lease term, whichever is the shorter.

The interest element of these obligations is charged to profit or loss over the relevant period. The capital element of the future payments is treated as a liability.

Rentals paid under operating leases are charged to profit or loss on a straight line basis over the period of the lease.

#### Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to profit or loss in the period to which they relate.

#### Accrual of employee benefits

The company fully provides for the expected cost of employee benefits, such as accrued holiday pay, as required by FRS 102 and the sums so accrued are included within the short term accruals in the company balance sheet.

### 3. EMPLOYEES AND DIRECTORS

The average number of employees during the year was 57 (2019 - 63).
