## Directors' report

The directors present their report and the audited financial statements for the year ended 31 March 1997. The basis of preparation of these financial statements is set out in note 1 to the financial statements.

### Principal activities

The company trades principally as building and civil engineering contractors with the related facilities of quarrying, readymix concrete manufacturing, plant and crane hiring, pre-cast concrete production, joinery manufacture, structural steelwork fabrication, civil engineering and structural design, waste management, house building and property development.

### Results and dividends

The company's trading results for the year ended 31 March 1997 are as shown in the profit and loss account on page 5. No interim dividend was paid during the year. The directors recommend a final dividend of £1 per ordinary share. The retained profit of £206,000 will be transferred to the company's reserves.

### Land held for development

In the opinion of the directors the market value of land held for development exceeds cost, at which it is stated in the financial statements, by some £4 million.

### Directors and directors' interests

The composition of the board of directors and their interests in the share capital of the parent company, Barr Holdings Limited, at 31 March 1996 and 1997 are as follows:

|                                 | Ordinary shares<br>of £1 each |
|---------------------------------|-------------------------------|
| WJ Barr, OBE, CEng, FICE, FIMgt | 70,000                        |
| JD Barr, JP                     | 70,000                        |
| AD Barr                         | 70,000                        |
| JB Chalmers                     | -                             |
| JE Eyley                        | -                             |
| DL Lawson                       | -                             |
| WA Milligan                     | -                             |
| D Stevenson                     | -                             |
| AC Towers                       | -                             |

In accordance with the Articles of Association none of the directors is required to retire.

## **Directors' report** *(continued)*

### **Employees**

Bearing in mind the constraints of the unsuitable working environment in this industry, the company employs disabled persons where they are capable of adequately fulfilling the requirements of any vacant jobs. When an employee becomes disabled every effort is made to ensure continuity of employment.

It is the policy of the company that the training, career development and promotion of disabled employees should, as far as possible, be identical to that of other employees.

The directors recognise the importance of good communications and relations with employees. The management of each of the company's activities is responsible for the development and employee involvement as appropriate to its own particular needs. Regular communications are held with representatives of staff at all levels.

Management endeavour to involve as many employees as possible in appropriate training courses.

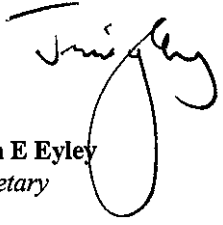

### **Political and charitable donations**

Charitable donations made during the year amounted to £8,370. No political donations were made.

### **Auditors**

In accordance with Section 384 of the Companies Act 1984, a resolution for the re-appointment of KPMG as auditors of the company will be proposed at the forthcoming Annual General Meeting.

By order of the board

  
**John E Eyley**  
*Secretary*

Heathfield  
Ayr

19 November 1997

## **Statement of directors' responsibilities**

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

## **Report of the auditors to the members of Barr Limited**

We have audited the financial statements on pages 5 to 19.

### **Respective responsibilities of directors and auditors**

As described on page 3 the company's directors are responsible for the preparation of financial statements. It is our responsibility to form an independent opinion, based on our audit, on those statements and to report our opinion to you.

### **Basis of opinion**

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

### **Opinion**

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 31 March 1997 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

## **Notes**

*(forming part of the financial statements)*

### **1 Accounting policies**

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

#### ***Basis of preparation***

The financial statements have been prepared in accordance with the requirements of the Companies Act 1985 and under the historical cost convention, as modified to include the revaluation of heritable property, investment property and quarries.

#### ***Accounting standards***

The financial statements have been prepared in accordance with applicable accounting standards.

#### ***Turnover***

Turnover represents the value of work executed on contracts and invoiced value of goods sold and waste management services provided to external customers, excluding Value Added Tax. In establishing turnover and profit, credit is taken for claims only when agreed in writing by the client; having taken such claims to income adequate provision is made whenever ultimate payment becomes doubtful.

#### ***Fixed assets and depreciation***

Depreciation is provided on all tangible fixed assets other than land, heritable property, investment property and quarries, at rates calculated to write off the cost or valuation of each asset evenly over its estimated remaining life, as follows:

|                     |   |                     |
|---------------------|---|---------------------|
| Plant and equipment | - | five to seven years |
| Motor vehicles      | - | four years          |

Reviews are made periodically of the estimated remaining lives of productive assets taking account of commercial and technological obsolescence as well as normal wear and tear.

No depreciation is provided on the company's heritable property as it is maintained at all times in sound condition and to a high standard. Accordingly, the directors are of the opinion that the length of life and the residual values (based on prices obtaining at date of acquisition or subsequent valuation) of these properties are such that no provision for depreciation is required. Any permanent diminution in the value of such properties is charged to the profit and loss account.

## Notes (continued)

### 1 Accounting policies (continued)

#### *Fixed assets and depreciation (continued)*

Investment properties are defined as properties held for their investment potential. Such properties are held in the balance sheet at their open market value on the basis of a professional valuation. In accordance with Statement of Standard Accounting Practice No. 19:

- i. investment properties are revalued periodically and the aggregate surplus or deficit is transferred to a revaluation reserve;
- ii. no depreciation or amortisation is provided in respect of freehold investment property and leasehold investment property with over 20 years to run.

Quarries are depreciated over their expected commercial life, only where this is less than 10 years and where estimated residual site value is lower than cost or valuation. Surpluses or deficits arising from time to time from professional valuations are taken direct to revaluation reserve and in the case of a deficit up to the amount of the previous valuation surplus. Valuation surpluses or deficits realised on sale are transferred from revaluation reserve to profit and loss account.

Landfill acquisition and commissioning costs are capitalised and amortised over the estimated operational life of each site based on the volume of void space consumed.

#### *Leased assets*

Assets held under finance leases are included in tangible fixed assets as though they had been purchased outright. Capital payments outstanding are treated as a liability and the interest element is charged against profit over the period of the lease in proportion to the balances outstanding.

#### *Stocks*

Stocks are stated at the lower of cost and estimated net realisable value.

#### *Amounts recoverable on contracts*

Amounts recoverable on contracts, which represents the excess of work done including attributable profit over cumulative payments on account received, are included in debtors. Payments on account in excess of work done are included in creditors.

#### *Land held for development*

Land held for development is stated at the lower of cost and estimated net realisable value.

#### *Deferred taxation*

Provision is made for taxation deferred in respect of accelerated capital allowances and other timing differences, but only to the extent that there is reasonable probability that an actual liability will become payable in the foreseeable future.

#### *Pension costs*

The company operates a discretionary contribution scheme for certain of the directors. Contributions to the scheme are charged to the profit and loss account at time of payment.

## Notes (continued)

### 2 Turnover

The company's turnover arises wholly in the United Kingdom from its activities in the construction industry, and is stated net of Value Added Tax.

### 3 Other operating income

## Notes (continued)

### 5 Directors and other employees

The average number of persons employed by the company during the year was as follows:

|                                     | Number of employees |       |
|-------------------------------------|---------------------|-------|
|                                     | 1997                | 1996  |
| Construction services and materials | 804                 | 727   |
| Management and administration       | 65                  | 65    |
|                                     | <hr/>               | <hr/> |
|                                     | 869                 | 792   |
|                                     | <hr/>               | <hr/> |

Employee costs comprise:

|                                 | 1997   | 1996   |
|---------------------------------|--------|--------|
|                                 | £000   | £000   |
| Wages and salaries              | 14,640 | 14,814 |
| Social security costs           | 1,437  | 1,442  |
| Other pension costs - directors | -      | 30     |
|                                 | <hr/>  | <hr/>  |
|                                 | 16,077 | 16,286 |
|                                 | <hr/>  | <hr/>  |

Remuneration in respect of directors was as follows:

|                       | 1997  | 1996  |
|-----------------------|-------|-------|
|                       | £000  | £000  |
| Fees                  | 36    | 8     |
| Salaries and benefits | 640   | 523   |
| Pension contributions | -     | 30    |
|                       | <hr/> | <hr/> |
|                       | 676   | 561   |
|                       | <hr/> | <hr/> |

The emoluments of the chairman and chief executive, who was also the highest paid director, excluding pension contributions were £221,643 (1996: £182,000).

**Notes (continued)**

**6 Interest payable**

|                        | 1997<br>£000 | 1996<br>£000 |
|------------------------|--------------|--------------|
| Finance lease interest | 338          | 245          |
| Bank interest          | 653          | 995          |
|                        | <u>991</u>   | <u>1,240</u> |

**7 Tax on ordinary activities**

The tax charge is based on the profit for the year and is made up as follows:

|  | 1997<br>£000 | 1996<br>£000 |
|--|--------------|--------------|
| UK corporation tax at 33% (1996: 25 %) | 391          | 18           |
|  | <u>391</u>   | <u>18</u>    |

The high tax charge arises from the crystallisation of deferred tax which had not previously been provided. This arose from the adoption of leasing as the predominant method of financing asset purchases and the legislative change in tax treatment of leasing costs.

**8 Dividend**

Dividend on ordinary shares:

|                                  | 1997<br>£000 | 1996<br>£000 |
|----------------------------------|--------------|--------------|
| Proposed £1 per share (1996: £1) | 210          | 210          |
|                                  | <u>210</u>   | <u>210</u>   |

| <i>Net book value</i>    |                       |                        |                                 |                                   |         |
| At 31 March 1997         | 3,630                 | 1,435                  | 15,635                          | 7,200                             | 27,900  |
| At 31 March 1996         | 3,630                 | 1,160                  | 15,022                          | 5,726                             | 25,538  |

The company's heritable and investment property was revalued as at 31 March 1994 by Bell-Ingram, Chartered Surveyors, on an open market value for existing use basis with the exception of one property which was revalued on a depreciated replacement cost basis. These valuations have been reviewed by the directors, who consider them still to be appropriate. Quarries were revalued by Gerald Eve, Chartered Surveyors on an open market value for existing use basis at 31 March 1994. The valuations were made in accordance with the RICS Statement of Asset Valuation Practice and Guidance Notes. Since 31 March 1994 additions to heritable property, investment property, quarries and landfill sites are included at cost.

The historic cost of heritable property, investment property, quarries and landfill sites at 31 March 1997 included at valuation is as follows:

|                     | £000         |
|---------------------|--------------|
| Heritable property  | 2,742        |
| Investment property | 1,350        |
| Quarries            | 2,968        |
|                     | <u>7,060</u> |

The net book value of plant, vehicles and equipment held under finance leases is £5,777,142 (1996: £3,528,000) after charging depreciation for the year of £788,712 (1996: £724,000).

|   | 9,284       | 6,455       |
|   | <hr/> <hr/> | <hr/> <hr/> |

In respect of the bank loans and overdraft National Westminster Bank plc holds standard securities over certain of the company's assets and a bond and floating charge over its whole property and undertaking.

## Notes (continued)

### 14 Deferred taxation

As it is the company's intention to retain heritable properties and quarries for trading purposes no provision has been made for deferred taxation which might arise on disposal at book value amounting to £4.4 million (1996: £4 million).

The full potential deferred taxation liability for excess capital allowances over depreciation and other timing differences not provided in the financial statements amounts to £0.1 million (1996: £0.5 million).

### 15 Called up share capital

|   | 1997<br>£000 | 1996<br>£000 |
|---|--------------|--------------|
| <i>Authorised</i>                         |              |              |
