 - 4,700 'A' ordinary shares of £1 each
 - 35,000 ordinary shares of £1 each.

Dividends

4. The profits of the Company available for distribution shall be used to pay dividends in the following order of priority:-

4.1 First, in paying to the holders of the 'A' ordinary shares a dividend ('the Fixed Dividend') as follows:

Amount : 81.15694 pence per annum per share increasing to 92.75079 pence per annum per share with effect from 1 April 1998

Accrual date : accruing from the date of subscription

Payment dates : half yearly on 28 February and 31 August each year, the first payment to be made on 31 August 1997.

4.2 Second in paying to the holders of the 'A' ordinary shares as a class in respect of each financial year of the Company a dividend ('the Participating Dividend') as follows:

Amount: a sum which added to the aggregate Fixed Dividend payable in the financial year is equal to 6.7% of Net Profit

Accrual date: accruing from the date of subscription. The first Participating Dividend will be pro rated to reflect the number of days in the financial year during which the 'A' ordinary shares have been in issue.

Payment date: not later than 4 months after the end of the relevant accounting period or within 14 days after the audit report on the accounts of the Company for the period is signed by the Company's auditors, whichever is the earlier.

4.3 Third, in paying to the holders of the 'A' ordinary shares ^{as a class} ~~in~~ respect of each financial year of the Company a dividend ('the Compensatory Dividend') as follows: GAG

Amount: a sum equal to 25% of any Excess Benefits (if there is no Excess Benefits no Compensatory Dividend is payable)

Accrual date: accruing from the date of subscription

Payment date: the due date for payment of the Participating Dividend.

4.4 Fourth in paying to the holders of the ordinary shares as a class a dividend as follows:

Amount: such amount as the directors may determine up to four times the amount of the aggregate of the Fixed Dividend and the Participating Dividend paid on the 'A' ordinary shares as a class

Accrual date: dividends do not accrue on ordinary shares. Their payment depends on a recommendation by the directors and satisfaction of each of the conditions set out below

Payment date: at any time during the financial year in which the Participating Dividend by reference to which it is calculated is paid.

4.5 No dividend shall be payable on the ordinary shares in respect of any financial year unless on the proposed payment date each of the following conditions is satisfied:

4.5.1 Profit After Tax is at least two times the total of

- all dividends made or proposed to be made in respect of that financial year, plus
- any Excess Benefits;

4.5.2 the Participating Dividend (if any) has been paid in full in respect of that financial year and in respect of all previous financial years of the Company;

4.5.3 there are no arrears of any other dividends.

4.6 Once all the foregoing dividends have been paid any remaining profits which the Company may determine to distribute shall, if the holders of 75% of the 'A' ordinary shares agree in writing, be distributed as follows:

4.6.1 80% amongst the holders of the ordinary shares as a class; and

4.6.2 20% amongst the holders of the 'A' ordinary shares as a class.

4.7 If upon the issue of the Company's consolidated accounts it is apparent that Net Profit is less than £1,000,000 then the following dividends will be restricted:

- the next two Fixed Dividends payable after the issue of the relevant accounts
- the Participating Dividend payable by reference to the Net Profit disclosed by the relevant accounts

These dividends will be restricted to a greater or lesser degree according to the level of Net Profit as follows:

- if Net Profit is greater than £1,000,000 the dividends will not be restricted;
- if Net Profit is equal to £1,000,000 the dividends will be restricted to £92.75079 pence per 'A' ordinary share ("the Restricted Dividend Amount")
- the Restricted Dividend Amount will be reduced by 0.0683 pence for every £1,000 by which Net Profit falls below £1,000,000;
- if Net Profit is reduced below nil the Restricted Dividend Amount will be calculated as if it were nil;
- the restriction shall be applied first to reduce the Participating Dividend and then to reduce equally the two Fixed Dividends in question.

4.8 Every dividend payable to the holders of ordinary shares shall be distributed to the appropriate shareholders pro rata according to the amounts paid up or credited as paid up on the shares held by them respectively (ignoring any premium). Every dividend in respect of 'A' ordinary shares (paid as a class) shall be distributed equally among each of the 'A' ordinary shares of £1 and 'A' ordinary shares of 1p in issue regardless of nominal values and of amounts paid up or credited as paid up on the 'A' ordinary shares of £1 and 'A' ordinary shares of 1p. All dividends are expressed net and shall be paid in cash. The 'A' Ordinary Dividends are cumulative.

4.9 Unless the Company has insufficient profits available for distribution and the Company is thereby prohibited from paying dividends by the Act the 'A' Ordinary

Dividends shall be paid immediately on the due date. Such payment shall be made notwithstanding regulations 102 to 108 inclusive contained in Table A or any other provision of these articles and in particular notwithstanding that there has not been a recommendation of the directors or resolution of the Company in general meeting. If they are not paid on the due date they shall be a debt due by the Company and shall be payable in priority to any other dividend.

- 4.10 If due to delays in the preparation of the audited accounts of the Company the Participating Dividend cannot be calculated by the date it is due for payment then the Company shall forthwith pay an interim dividend in respect of the Participating Dividend of a sum equal to the last Participating Dividend payable. The next and (if appropriate) any subsequent Participating Dividend shall be adjusted to take account of any overpayment or underpayment in respect of the said interim dividend which becomes apparent when the audited accounts are available.
- 4.11 The Company shall procure that each of its subsidiaries which has profits available for distribution shall from time to time and to the extent that it may lawfully do so declare and pay to the Company such dividends as are necessary to permit lawful and prompt payment by the Company of the 'A' Ordinary Dividends.

Return of capital

5. On a return of assets on liquidation or capital reduction or otherwise, the assets of the Company remaining after the payment of its liabilities shall be applied in the following order of priority:-

- 5.1 first in paying to the holders of the 'A' ordinary shares £11.59385 per share together with a sum equal to any arrears or accruals of the dividends on the 'A' ordinary shares calculated down to the date of the return of capital;
- 5.2 second in paying to the holders of ordinary shares £542.85 per share; and
- 5.3 the balance of such assets shall be distributed amongst the holders of the 'A' ordinary shares and ordinary shares as follows:
- 5.3.1 80% amongst the holders of the ordinary shares; and
- 5.3.2 20% amongst the holders of the 'A' ordinary shares.

Conversion of 'A' ordinary shares

- 6.1 The holders of the 1 penny 'A' ordinary shares may at any time after the second anniversary of the date of adoption of these articles consolidate their shares into £1 'A' ordinary shares at the rate of one hundred 1 penny shares for every one £1 'A' ordinary share. Such consolidation shall be effected by the holders of the 1 penny ordinary shares giving notice to the Company to the effect that they so desire.
- 6.2 The holders of the 'A' ordinary shares may at any time after the 1 penny 'A' ordinary shares have been consolidated into £1 'A' ordinary shares convert the whole of their 'A' ordinary shares into a like number of ordinary shares. The following provisions of this article shall apply to the conversion.
- 6.3 The conversion shall be effected by notice in writing given to the Company signed by the holders of 75% of the 'A' ordinary shares. The conversion shall take effect immediately upon the date of delivery of such notice to the Company (unless such notice states that conversion is to be effective when any conditions specified in the notice have been fulfilled in which case conversion shall take effect when such conditions have been fulfilled).
- 6.4 Forthwith after conversion takes effect the holders of the resulting ordinary shares shall send to the Company the certificates in respect of their respective holdings of 'A' ordinary shares. The Company shall issue to such holders certificates for the ordinary shares resulting from the conversion.
- 6.5 The ordinary shares resulting from the conversion shall rank from the date of conversion pari passu in all respects with the other ordinary shares in the capital of the Company.
- 6.6 On the date of conversion the Company shall pay a dividend to the holders of the 'A' ordinary shares of a sum equal to any arrears or accruals of the 'A' Ordinary Dividends. The Fixed Dividend will be calculated on a daily basis to the date of conversion. The Participating Dividend shall be calculated pro rata according to the profits of the Company and its subsidiaries for the relevant financial year down to the date of such conversion, such profits to be calculated by the Company on a basis reasonably acceptable to the holders of 75% of the 'A' ordinary shares.

7.1 Notwithstanding the provisions of Article 7.1 for so long as any member of the 3i Group is the holder of any shares in the capital of the Company the number of votes attaching to all the shares held by member of the 3i Group shall be restricted so that the voting rights conferred on all members of the 3i Group in respect of all such shares shall represent the lower of:-

7.1.1 20% of the voting rights attaching to all shares in the capital of the Company after the application of this restriction; and

7.1.2 the percentage of the voting rights which would be conferred on all members of the 3i Group in respect of all such shares but for the application of this restriction.

8. Whenever the capital of the Company is divided into different classes of shares the special rights attached to any class may be varied or abrogated either whilst the Company is a going concern or during or in contemplation of a winding up, only with the consent in writing of the holders of 75% of the issued shares of that class. Without prejudice to the generality of this article, the special rights attached to the 'A' ordinary shares shall be deemed to be varied:-

8.1 by the Company:

8.1.1 altering its memorandum or articles of association; or

- 8.1.2 varying in any way (whether directly or indirectly) the rights attached to any of the shares for the time being in the capital of the Company; or
- 8.1.3 applying by way of capitalisation any sum in or towards paying up any share or loan capital of the Company; or

Transfer of shares

- 9. The directors shall refuse to register any transfer of shares made in contravention of the provisions of these articles but (subject to Regulation 24 of Table A) shall not otherwise be entitled to refuse to register any transfer of shares. For the purpose of ensuring that a particular transfer of shares is permitted under the provisions of these articles, the directors may request the transferor, or the person named as transferee in any transfer lodged for registration, to furnish the Company with such information and evidence as the directors may reasonably think necessary or relevant. Failing such information or evidence being furnished to the satisfaction of the directors within a period of 28 days after such request the directors shall be entitled to refuse to register the transfer in question.

Permitted and mandatory transfers

Permitted transfers to relations

- 10.1 Notwithstanding any other provision in these articles any member may at any time transfer (or by will bequeath or otherwise dispose of on death) all or any shares held by him to a Privileged Relation without restriction.

Mrs Hyman

- 10.2 Notwithstanding any other provision of these articles Mrs Linda Hyman may transfer all or any shares held by her to Mr Howard Hyman without restriction.

Permitted transfers by 3i

- 10.3 Notwithstanding any other provisions of these articles a transfer of any shares in the Company held by any member of the 3i Group may be made between the member in the Group holding such shares and any other member in the 3i Group without restriction as to price or otherwise and any such transfer shall be registered by the directors. Transfers with shareholder approval

- 10.4 Notwithstanding any other provisions of these articles a transfer of any shares approved by the holders of 75% of the ordinary shares and the holders of 75% of the 'A' ordinary shares may be made without restriction as to price or otherwise and any such transfer shall be registered by the directors.

Pre-emption rights

Transfer notices

- 11.1 Save as otherwise provided in these articles every member who desires to transfer any shares (hereinafter called 'the Vendor') shall give to the Company notice in writing of such desire (in these articles called a 'Transfer Notice'). Transfer Notices shall constitute the Company the Vendor's agent for the sale of the shares specified therein (hereinafter called 'the Sale Shares') in one or more lots at the discretion of the directors at the Sale Price.

Calculation of the Sale Price

- 11.2 The Sale Price shall be the price agreed by the Vendor and the directors. If the Vendor and the directors are unable to agree a price within 28 days of the Transfer Notice being given the Sale Price will instead be the price which the Independent Expert shall certify to

be in his opinion a fair value thereof. In arriving at his opinion the Independent Expert will value the shares on a going concern basis as between a willing seller and a willing buyer ignoring any reduction in value which may be ascribed to the Sale Shares by virtue of the fact that they represent a minority interest and on the assumption that the Sale Shares are capable of transfer without restriction. The decision of the Independent Expert as to the Sale Price shall be final and binding.

Right of Vendor to reject partial sales

- 11.3 A Transfer Notice may contain a condition ('a Total Transfer Condition') that unless all the shares comprised therein are sold by the Company pursuant to this article none shall be sold. Any such provision shall be binding on the Company.

Certification of the Sale Price and right of Vendor to cancel

- 11.4 If the Independent Expert is asked to certify the fair value his certificate shall be delivered to the Company. As soon as the Company receives the certificate it shall deliver a copy of it to the Vendor. The Vendor shall be entitled by notice in writing given to the Company within ten days of the service upon him of the copy certificate to cancel the Company's authority to sell the Sale Shares unless the shares are to be sold pursuant to a Deemed Transfer Notice. The cost of obtaining the certificate shall be paid by the Company unless the Vendor cancels it in which case the Vendor shall bear the cost.

Pre-emptive offers-general

- 11.5 Once the Sale Price has been determined then unless the Vendor gives a valid notice of cancellation the Sale Shares shall be offered for sale as set out below. All offers made by the Company shall give details of the number and Sale Price of the Sale Shares.

First Offer

- 11.6 As soon as Sale Shares become available they shall be forthwith offered for sale by the Company to all holders of Equity Shares (other than the Vendor) pro rata as nearly as may be to the respective amounts of nominal value represented by the Equity Shares held by such members.

Any offer made by the Company under this sub-article will invite the relevant members to state in writing the maximum number of the shares offered to them they wish to purchase and will remain open for 21 days ('the First Offer Period').

Second Offer

- 11.7 If at the end of the First Offer Period there are any Sale Shares offered which have not been allocated the Company shall offer such shares to such members as have stated in writing their willingness to purchase all the shares previously offered to them.

This offer will invite the relevant members to state in writing the maximum number of shares they wish to purchase. If there are insufficient Sale Shares to meet the demand then the directors will allocate the Sale Shares pro rata as nearly as may be in proportion to the amounts of nominal value represented by the Equity Shares held by the relevant members. This offer will remain open for a further period of 21 days.

Thereafter the Company shall continue to make offers on the same terms while any member continues to state in writing his willingness to purchase all shares offered to him.

Transfer procedure for pre-emptive offers

- 11.8 If the Company finds a purchaser for all or any of the Sale Shares under the terms of this article the Vendor shall be bound upon receipt of the Sale Price to transfer the Sale Shares (or such of the same for which the Company shall have found a purchaser or purchasers) to such persons. If the Vendor defaults in transferring Sale Shares the Company shall if so required by the person or persons willing to purchase such Sale Shares receive and give a good discharge for the purchase money on behalf of the Vendor and shall authorise some person to execute transfers of the Sale Shares in favour of the purchasers and shall enter the names of the purchasers in the Register of Members as the holder of such of the Sale Shares as shall have been transferred to them.

Transfers free of pre-emption

- 11.9 If the Company does not find purchasers for all of the Sale Shares under the terms of this article the Vendor shall at any time within six months after the final offer by the Company to its members be free to sell and transfer such of the Sale Shares as have not been so sold to any person at a price which is no less than the Sale Price. However if the Sale Shares were the subject of a Total Transfer Condition such a sale may only be made of all the shares and not part only.

Effect of non-compliance

- 11.10 Any purported transfer of shares otherwise than in accordance with the provisions of these articles shall be void and have no effect.

Prohibited transfers

- 11.11 While 3i holds any 1 pence 'A' ordinary shares no transfer of any share may be validly made or registered without the prior written consent of 3i such consent not be unreasonably withheld or delayed.

Transfer of control

Transfers prohibited absolutely

- 12.1 No sale or transfer of the legal or beneficial interest in any shares in the Company may be made or validly registered if as a result of such sale or transfer and registration thereof a Controlling Interest would be obtained in the Company by a company in which one or more of the members of the Company (or persons acting in concert with them) has a Controlling Interest.

Transfers permitted where offer is made for 'A' ordinary shares

- 12.2 No sale or transfer of the legal or beneficial interest in any shares in the Company may be made or validly registered without the consent in writing of the holders of 75% of the 'A' ordinary shares if as a result of such sale or transfer and registration thereof a Controlling Interest would be obtained in the Company by a person or persons who are not Original Members unless the proposed transferee or transferees or his or their nominees are independent third parties acting in good faith and has or have offered to purchase all the 'A' ordinary shares at the Specified Price (calculated as set out below).

If any part of the Specified Price is to be paid except by cash then the holders of the 'A' ordinary shares may, at their option, elect to take a price per share of such cash sum as may be agreed by them and the proposed transferee having regard to the transaction as a whole.

Calculation of the Specified Price

- 12.3 In this article the 'Specified Price' means the greater of :

- (1) ● £11.59385 per share, plus
- all arrears and accruals of the dividends on such share calculated down to the date of sale or transfer

and

- (2) ● 20% of a multiplied by b, where a is the consideration (in cash or otherwise) per share equal to that offered or paid or payable by the proposed transferee or his or their nominees for the shares being acquired and b is the total number of ordinary shares in issue, plus
- the relevant proportion of any other consideration (in cash or otherwise) received or receivable by the holders of such other shares which having regard to the substance of the transaction as a whole can reasonably be regarded as an addition to the price paid or payable, plus
- all arrears and accruals of the dividends on such share calculated down to the date of the sale or transfer.

In the event of disagreement the calculation of the Specified Price shall be referred to an Independent Expert whose decision shall be final and binding.
