- (iii) all Investments and all Related Rights now or in the future beneficially and/or legally owned by the Chargor;

 - (vii) all of its rights, title, interests and benefits in, to or in respect of all present and future licences, consents and authorisations (statutory or otherwise) held in connection with the business of the Chargor or the use of any asset of the Chargor and the right to recover and receive all compensation which may at any time become payable to it in respect of any such licence;
 - (viii) all its present and future uncalled capital; and
 - (ix) all its present and future patents, registered trade marks and registered designs (if any) including applications for any of the same in any part of the world and including, without limitation, the patents, registered designs and trade marks specified in Schedule 6 (Registered Intellectual Property Rights) of the Composite Debenture; and
- (c) by way of second fixed charge, all of the Prior Charged Land.

1.2 Assignments

Subject to Clause 3.3 (Non-Assignable Rights) of the Composite Debenture, the Chargor with full title guarantee has assigned absolutely by way of continuing security for the payment and discharge of the Secured Obligations to the Security Trustee:

- (a) all its present and future rights, title, benefit and interests under and in respect of the Intercompany Indebtedness and any other amounts payable in respect thereof, including under any other loan agreements from time to time entered into by the Chargor;
- (b) all of its rights, title, interests and benefits in, to or in respect of the Insurances (including all proceeds) and all claims and returns of premiums in respect thereof to which the Chargor is now or may at any future time become entitled; and
- (c) to the extent not charged under the provisions of Clause 3.1(b) (Fixed Charge) of the Composite Debenture all of its present and future Intellectual Property Rights.

1.3 Non-Assignable Rights

The Chargor has declared that to the extent that any right, title, interest or benefit described in Clause 3.2 (Assignments) of the Composite Debenture is for any reason not effectively assigned pursuant to Clause 3.2 (Assignments) of the Composite Debenture for whatever reason, the Chargor shall:

- (a) hold the benefit of the same on trust for the Security Trustee as security for the payment and discharge of the Secured Obligations; and
- (b) promptly notify the Security Trustee of the same and the reasons therefor and thereafter take such steps as the Security Trustee may reasonably require to attempt to remove any relevant prohibition or other reason for such failure.

1.4 Floating Charge

The Chargor with full title guarantee (or, in relation to rights or assets situated in or governed by the law of Scotland, with absolute warrandice) hereby charges to the Security Trustee by way of first floating charge and as a continuing security for the payment and discharge of the Secured Obligations its undertaking and all its property, assets and rights whatsoever and wheresoever both present and future,

other than any property or assets from time to time effectively charged by way of fixed charge or assignment pursuant to Clauses 3.1 (Fixed Charge) of the Composite Debenture and 3.2 (Assignments) of the Composite Debenture and including (without limitation and whether or not so effectively charged) any of its property and assets situated in Scotland, provided that, for the avoidance of doubt, the floating charge shall not attach to any plant or machinery, or any interest therein, which is the subject of a lease where the title thereto vests in the relevant lessor and not the Chargor. The parties to the Composite Debenture have agreed that the floating charge created by Clause 3.4 of the Composite Debenture is a qualifying floating charge for the purposes of paragraph 14 of schedule B1 to the Insolvency Act 1986.

1.5 Automatic Conversion of Floating Charge

Notwithstanding anything expressed or implied in the Composite Debenture, if:

- (a) the Chargor creates or attempts to create any other Encumbrance over all or any of the Floating Charge Assets without the prior consent in writing of the Security Trustee or otherwise as permitted by the Senior Finance Documents;
- (b) any person levies or attempts to levy any distress, execution, sequestration or other process against any of the Charged Assets or takes any steps to enforce any rights against any of the Floating Charge Assets; or
- (c) any meeting of the members of the Chargor is convened to consider a resolution to wind up the Chargor or a petition is presented or application made to wind up the Chargor,

the floating charge created by Clause 3.4 (Floating Charge) of the Composite Debenture over the property or asset concerned shall thereupon automatically without notice be converted into a fixed charge. Nothing in Clause 3.5 of the Composite Debenture shall cause the floating charge created by Clause 3.4 of the Composite Debenture to crystallise solely because a moratorium has been obtained by any person in relation to the Chargor or any person has taken any steps with a view to obtaining a moratorium in relation to the Chargor under Section 1A and Schedule A1 of the Insolvency Act 1986.

1.6 Conversion of Floating Charge by Notice

Notwithstanding anything expressed or implied in the Composite Debenture, the Security Trustee shall be entitled at any time by giving notice in writing to that effect to the Chargor to convert the floating charge over all or any part of the Floating

Charge Assets into a fixed charge if and to the extent that the Security Trustee reasonably considers the assets specified in such notice may be in danger of being seized or sold under or pursuant to any form of distress or execution, or may otherwise be in jeopardy or the Security Trustee otherwise considers (acting reasonably) such conversion to be necessary or desirable to protect the priority of the Security.

1.7 Prior Charges

The Prior Charges shall rank, together with interest thereon and costs in relation thereto, in priority to the charges created by the Composite Debenture as a continuing security for repayment of all moneys, obligations and liabilities thereby secured. Such priority shall not be affected by any fluctuations in the amount from time to time due or by the existence at any time of a credit balance on any current or other account.

1.8 Rule 3-16 Limitation

- (a) Clause 3.1 (Fixed Charge) and Clause 3.4 (Floating Charge) of the Composite Debenture notwithstanding, the Excluded Charged Assets are not charged under the Composite Debenture to secure the Designated Secured Obligations. For the avoidance of doubt,
 - (i) all other Charged Assets remain charged or assigned (as the case may be) under the Composite Debenture to secure all Secured Obligations, including without limitation the Designated Secured Obligations; and
 - (ii) such Excluded Charged Assets remain charged under Clause 3.1 (Fixed Charge) and Clause 3.4 (Floating Charge) of the Composite Debenture to secure any Secured Obligations that are not Designated Secured Obligations.
- (b) "Excluded Charged Assets" in relation to any Designated Secured Obligations means any Shares or other securities of a Subsidiary of Virgin Media Inc. (excluding the Shares or other securities issued by Virgin Media Investments Limited and Virgin Media Investment Holdings Limited or, in each case, any successor entity upon any merger, reorganisation or other restructuring effecting it) that are owned by any Chargor to the extent that charging or pledging such Shares or other securities under the Composite Debenture to secure such Designated Secured Obligations would result in Rule 3-16 requiring separate financial statements of such Subsidiary to be filed with the

SEC, but (i) only to the extent necessary to not be subject to such requirement, (ii) only for so long as such requirement is in existence and (iii) only if no member of the Group files or is otherwise required to file separate financial statements of such Subsidiary with the SEC under a separate rule or regulation; provided that no shares or securities will constitute Excluded Charged Assets if any member of the Group takes any action in the form of a reorganisation, merger or other restructuring, a principal purpose of which is to provide for the limitation of the charge on any Shares or other securities pursuant to Clause 3.14(a) of the Composite Debenture.

- (c) In the event that Rule 3-16 is amended, modified or interpreted by the SEC to require (or is replaced with another rule or regulation, or any other law, rule or regulation is adopted, which would require) the filing with the SEC (or any other United States federal or state governmental agency) of separate financial statements of any such Subsidiary due to the fact that such Subsidiary's Shares or other securities secure any Designated Secured Obligations, then such Shares or other securities (as applicable) of such Subsidiary shall automatically be deemed to be Excluded Charged Assets for such Designated Secured Obligations but (i) only to the extent necessary to not be subject to any such financial statement requirement, (ii) only for so long as such financial statement requirement would otherwise have been applicable to such Subsidiary and (iii) only if no member of the Group files or is otherwise required to file separate financial statements of such Subsidiary with the SEC or such other governmental agency under a separate rule or regulation. If the circumstances described in this paragraph (c) apply, the Composite Debenture may be amended or modified, without the consent of any Senior Finance Party, to the extent necessary to release the charge (but only to the extent securing such Designated Secured Obligations and without prejudice to the charge securing Secured Obligations referred to in paragraph (a)(ii) of Clause 3.14 of the Composite Debenture) in favour of the Security Trustee on the relevant Shares and/or other securities that are so deemed to constitute Excluded Charged Assets.
- (d) In the event that Rule 3-16 is amended, modified or interpreted by the SEC to permit (or is replaced with another rule or regulation, or any other law, rule or regulation is adopted, which would permit) such Subsidiary's Shares and/or other securities to secure any Designated Secured Obligations in excess of the amount then pledged without the filing with the SEC (or any other United States federal or state governmental agency) of separate financial statements of such

Subsidiary, then the Shares or other securities (as applicable) of such Subsidiary will automatically be deemed not to be Excluded Charged Assets for such Designated Secured Obligations, but limited to the extent necessary to not be subject to any such financial statement requirement. If the circumstances described in this paragraph (d) apply, the Composite Debenture may be amended or modified, without the consent of any Senior Finance Party, to the extent necessary to charge in favour of the Security Trustee such additional Shares or other securities that were deemed to constitute Excluded Charged Assets.

2. NEGATIVE PLEDGE

There is a negative pledge applicable to the Chargor contained in the Senior Facilities Agreement.

3. FURTHER ASSURANCE

3.1 Further Assurance

The Chargor shall at any time if and when required by the Security Trustee execute such further Encumbrances and assurances in favour of the Security Trustee and/or the Beneficiaries and do all such acts and things as the Security Trustee shall from time to time reasonably require over or in relation to all or any of the Charged Assets to secure the Secured Obligations or to perfect or protect the security intended to be created by the Composite Debenture over the Charged Assets or any part thereof or, on or after the Enforcement Date, to facilitate the realisation of the same.

3.2 Certain Documentary Requirements

Such further Encumbrances and assurances shall be prepared by or on behalf of the Security Trustee at the expense of the Chargor (such expense to be reasonable and properly incurred) and shall contain (a) an immediate power of sale without notice, (b) a clause excluding section 93 Law of Property Act 1925 and the restrictions contained in section 103 Law of Property Act 1925 and (c) such other clauses for the benefit of the Beneficiaries as the Security Trustee may reasonably require.

3.3 Specific Security Documents Required

The Chargor covenants with the Security Trustee that after the Enforcement Date if and when required by the Security Trustee (acting reasonably) it will to give notice in a form acceptable to the Security Trustee to such persons as the Security Trustee

may require of the security over all or any part of the Charged Assets constituted by the Composite Debenture or granted pursuant to it.

4. **CONTINUING SECURITY**

The Composite Debenture and the obligations of the Chargor under the Composite Debenture shall:

- (a) secure the ultimate balance of the Secured Obligations from time to time owing notwithstanding the dissolution, bankruptcy, liquidation or other Incapacity or any change in the constitution of the Chargor or in the name or style thereof and shall be a continuing security notwithstanding any settlement of account or other matter whatsoever;
- (b) be in addition to, and shall not merge with or otherwise prejudice or affect, any present or future Security Document, Encumbrance, right or remedy held by or available to the Beneficiaries or any of them and/or the Security Trustee and may be enforced notwithstanding the same; and
- (c) not merge with or be in any way prejudiced or affected by the existence of any such Security Documents, Encumbrance, rights or remedies or by the same being or becoming wholly or in part void, voidable or unenforceable on any ground whatsoever or by the Beneficiaries or any of them and/or the Security Trustee dealing with, exchanging, releasing, varying or failing to perfect or enforce any of the same, or giving time for payment or indulgence or compounding with any other person liable.

5. **POWER OF ATTORNEY**

5.1 **Power of Attorney**

The Chargor, by way of security for the performance of its obligations under the Composite Debenture, has hereby irrevocably appointed each of the Security Trustee and any Receiver of all or any part of the Charged Assets and their respective delegates and sub-delegates each to be its attorney acting severally (or jointly with any other such attorney or attorneys) in its name and on its behalf:

- (a) to execute and complete on or after the Enforcement Date any documents or instruments which the Security Trustee or such Receiver may require for perfecting the title of the Security Trustee to the Charged Assets or for vesting the same in the Security Trustee, its nominees or any purchaser;

- (b) to sign, execute, seal and deliver and otherwise perfect any further security document or notice referred to in Clause 6 of the Composite Debenture (Real Property: Perfection) in accordance with the terms thereof; and
- (c) otherwise generally on or after the Enforcement Date to sign, seal, execute and deliver all deeds, assurances, agreements and documents and to do all acts and things which may be required for the full exercise of all or any of the powers conferred on the Security Trustee or a Receiver under the Composite Debenture or which may be deemed expedient by the Security Trustee or a Receiver in connection with any disposition, realisation or getting in by the Security Trustee or such Receiver of the Charged Assets or any part thereof or in connection with any other exercise of any power under the Composite Debenture.

5.2 Ratification

The Chargor ratifies and confirms and agrees to ratify and confirm all acts and things which any attorney as is mentioned in Clause 13.1 (Power of Attorney) of the Composite Debenture shall do or purport to do in the exercise of his powers under such clause.

5.3 General Power

This appointment shall operate as a general power of attorney under section 10 of the Powers of Attorney Act 1971 and the Chargor hereby covenants with the Security Trustee and separately with any such Receiver to ratify and confirm any document, act or thing and all transactions which any such attorney may lawfully execute or do.
