Each Confirming Party hereby charges to the Security Trustee by way of fifth floating charge and as a continuing security for the payment and discharge of the Secured Obligations its undertaking and all its property, assets and rights whatsoever and wheresoever both present and future, other than any property or assets from time to time effectively charged by way of fixed charge or assigned pursuant to Clauses 5.3 (*Fixed Charge*) and 5.5 (*Assignments*) and including (without limitation and whether or not so effectively charged) any of its property and assets situated in Scotland (together, the "**Floating Charge Assets**"), provided that, for the avoidance of doubt, the floating charge shall not attach to any plant or machinery, or any interest therein, which is the subject of a lease where the title thereto vests in the relevant lessor and not such Confirming Party. Notwithstanding anything expressed or implied in this Deed, the Security Trustee shall be entitled at any time by giving notice in writing to that effect to the relevant Confirming Parties to convert the floating charge over all or any part of the Floating Charge Assets into a fixed charge if and to the extent that the Security Trustee reasonably considers the assets specified in such notice may be in danger of being seized or sold under or pursuant to any form of distress or execution, or may otherwise be in jeopardy or the Security Trustee otherwise considers (acting

reasonably) such conversion to be necessary or desirable to protect the priority of the Security.

5.12 No new security interest

Notwithstanding anything to the contrary in this Deed, the security interests created by this Deed shall not extend to any asset (whether present or future) which is not the subject of a charge or an assignment (or purported to be so subject) by the relevant Confirming Party pursuant to an existing Security Document (excluding, for the avoidance of doubt, this Deed).
