**Directors' Report**

The directors present their report and accounts for the year ended 31 December 2004.

**RESULTS AND DIVIDENDS**

The profit for the year, after taxation, amounted to £32,353,000 (2003 – £25,466,000). The directors do not recommend the payment of a dividend (2003 – £nil).

**PRINCIPAL ACTIVITY AND BUSINESS REVIEW**

The principal activity of the company is to provide cable television services and telecommunication services and run certain of the telecommunication systems over which they are provided.

Revenues have increased by 9% and gross profit margins have been slightly improved principally due to an increase in broadband subscribers. The directors consider the results for the year to be satisfactory.

**DIRECTORS AND THEIR INTERESTS**

The directors who served during the year and thereafter and their interests in the share capital of the company were as follows:

R M Mackenzie	(resigned 1 October 2004)
S E Schubert	(resigned 1 October 2004)
G N Roberts	(alternate director to R M Mackenzie) (appointed 24 March 2004; resigned 31 August 2004)
R C Gale	(alternate director to S E Schubert) (appointed 24 March 2004; resigned 1 October 2004)
ntl Directors Limited	(appointed 1 October 2004)
ntl Secretaries Limited	(appointed 1 October 2004)

The directors had no interest in the share capital of the company requiring disclosure under the Companies Act 1985. The company seeks exemption under SI802, The Companies (Disclosure of Directors' Interests) (Exceptions) Regulations 1985, not to disclose the directors' interests in the common stock of NTL Incorporated, a company incorporated in the USA and the ultimate parent undertaking of the company.

NTL Incorporated has indemnified one or more directors of the company against liability in respect of proceedings brought by third parties, subject to the conditions set out in the Companies Act 1985. Such qualifying third party indemnity provision is in force as at the date of approving the directors' report.

**COMPANY SECRETARY**

G E James was appointed joint company secretary on 24 March 2004 and resigned on 1 October 2004.

On 1 October 2004, Robert Mackenzie resigned as joint company secretary and ntl Secretaries Limited was appointed as company secretary.

**AUDITORS**

Ernst & Young LLP will be re-appointed as the company's auditor in accordance with the elective resolution passed by the company under section 386 of the Companies Act 1985.

By order of the board

### **STATEMENT OF DIRECTORS' RESPONSIBILITIES IN RESPECT OF THE ACCOUNTS**

Company law requires the directors to prepare accounts for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those accounts, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business; and
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the accounts comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## **INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF ntl GLASGOW**

We have audited the company's accounts for the year ended 31 December 2004, which comprise the Profit and Loss Account, Statement of Total Recognised Gains and Losses, Balance Sheet, and the related notes 1 to 17. These accounts have been prepared on the basis of the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

### **Respective responsibilities of directors and auditors**

As described in the Statement of Directors' Responsibilities the company's directors are responsible for the preparation of the accounts in accordance with United Kingdom law and Accounting Standards.

Our responsibility is to audit the accounts in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards.

We report to you our opinion as to whether the accounts give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Directors' Report is not consistent with the accounts, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it.

### **Basis of audit opinion**

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the accounts. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the accounts, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the accounts are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the accounts.

### **Opinion**

In our opinion the accounts give a true and fair view of the state of affairs of the company as at 31 December 2004 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

**Notes to the Accounts**  
**for the year ended 31 December 2004**

**1 Accounting policies**

***Accounting convention***

The accounts are prepared under the historical cost convention, in accordance with applicable United Kingdom accounting standards.

***Depreciation***

***Network assets:***

Depreciation is provided on a straight-line basis, at rates calculated to write off the cost, less estimated residual value, of each asset over its estimated useful lives as follows:

Freehold buildings	-	50 years
Leasehold buildings	-	length of lease
Cable and ducting	-	40 years
Network	-	15 years
Head end equipment	-	15 years
Subscriber equipment	-	4-15 years
Computer equipment	-	3-5 years

***Other:***

Depreciation is provided on a straight-line basis, at rates calculated to write off the cost, less estimated residual value, of each asset over its estimated useful lives, as follows:

Freehold buildings	-	50 years
Leasehold land and buildings	-	length of lease
Furniture and fixtures	-	10 years
Plant and office equipment	-	3-10 years
Motor vehicles	-	4 years
Computer equipment	-	3-5 years
Satellite equipment	-	4 years

***Investments***

Investments are recorded at cost, less any provision for impairment.

***Pensions***

The company makes a defined contribution to the ntl sponsored group personal pension plans for eligible employees. Contributions are charged to the profit and loss account as they become payable in accordance with the rules of the scheme.

The company also operates a defined benefit pension scheme. The pension scheme is closed to new entrants as of 6 April 1994. The scheme is funded by the payment of contributions to separately administered trust funds. Contributions to these funds are charged in the profit and loss account so as to spread the cost of pensions over the employees' working lives within the company. The regular cost is attributed to individual years using the projected unit method. Variations in pension cost, which are identified as a result of actuarial valuations, are amortised over the average expected remaining working lives of employees in proportion to their expected payroll costs. Differences between the amounts funded and the amounts charged in the profit and loss account are treated as either provisions or prepayments in the balance sheet.

Additional disclosures regarding the company's defined benefit pension plan is required under the transitional provisions of FRS 17 "Retirement Benefits" and these are set out in note 13. They provide information which will be necessary for full implementation of FRS 17 in the year ending 31 December 2005.

**Notes to the Accounts**  
**for the year ended 31 December 2004**

**1 Accounting policies (continued)**

***Deferred taxation***

Deferred taxation is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more, tax, with the following exceptions:

(a) provision is made for tax on gains arising from the revaluation (and similar fair value adjustments) of fixed assets, and gains on disposal of fixed assets that have been rolled over into replacement assets, only to the extent that, at the balance sheet date, there is a binding agreement to dispose of the assets concerned. However, no provision is made where, on the basis of all available evidence at the balance sheet date, it is more likely than not that the taxable gain will be rolled over into replacement assets and charged to tax only when the replacement assets are sold;

(b) provision is made for deferred tax that would arise on remittance of the retained earnings of overseas subsidiaries, associates and joint ventures only to the extent that, at the balance sheet date, dividends have been accrued as receivable; and

(c) deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

***Cash flow statement***

The company has taken advantage of the exemption under FRS 1 (revised) not to prepare a cash flow statement as it is a subsidiary which is at least 90% controlled by the ultimate parent undertaking (see note 16).

***Group accounts***

The company has taken advantage of the exemption from preparing group accounts afforded by Section 228 of the Companies Act 1985 because it is a wholly owned subsidiary of another company incorporated in Great Britain which prepares group accounts (see note 16).

**2 Turnover**

Turnover represents the value of services provided, stated net of Value Added Tax, and is attributable to one continuing activity, being the provision of cable television services and telecommunication services and run certain of the telecommunication systems over which they are provided, all of which is attributable to the United Kingdom.

**3 Operating profit**

	<b>2004</b>	<b>2003</b>
	<b>£'000</b>	<b>£'000</b>
This is stated after charging:		
Depreciation of fixed assets	3,170	7,293
Pension costs	<u>122</u>	<u>78</u>

The directors' and auditors' remuneration is paid by ntl Group Limited and disclosed in the accounts of NTL (UK) Group, Inc.

ntl Group Limited, a fellow group undertaking, employs most of the employees of the NTL Group. Details of staff numbers and staff costs for the group are disclosed in the accounts of ntl Group Limited. The company does not have any directly employed staff.

Certain expenses are specifically attributable to the company. Where costs are incurred by other group companies on behalf of the company, expenses are allocated to the company on a basis that, in the opinion of the directors, is reasonable.

**5 Taxation**

**(a) Tax on profit on ordinary activities**

The tax charge is made up as follows:

	<b>2004</b>	<b>2003</b>
	<b>£'000</b>	<b>£'000</b>
<b>Current tax charge:</b>		
Current tax on income for the period	-	-

	<u>-</u>	<u>-</u>
Total tax charge on profit on ordinary activities	<u>-</u>	<u>-</u>

**(b) Factors affecting current tax charge**

The difference between the effective statutory rate and the actual current tax charge is reconciled as follows:

	<b>2004</b>	<b>2003</b>
	<b>£'000</b>	<b>£'000</b>
<b>Profit on ordinary activities before taxation</b>	<u>32,353</u>	<u>25,446</u>
Profit on ordinary activities multiplied by the applicable statutory rate 30% (2003 - 30%)	9,706	7,634
Expenses not deductible for tax purposes	48	102
Depreciation in excess of capital allowances	914	2,089
Other short term timing differences	516	178
Utilisation of tax losses and other deductions	<u>(11,184)</u>	<u>(10,003)</u>
<b>Total current tax charge</b>	<u>-</u>	<u>-</u>

**(c) Factors that may affect future tax charges**

Deferred tax assets have not been recognised in respect of tax losses of £29,727,344, depreciation in excess of capital allowances of £72,704,632 and other timing differences of £1,036,540, as there is insufficient certainty as to the availability of future taxable profits.

***Defined benefit schemes***

The company operates the ntl Glasgow Plan (the Plan), a funded defined benefit pension plan, which provides benefits based on final pensionable pay, with contributions being charged to the profit and loss account so as to spread the cost of pensions over employees working lives with the company. The Plan is closed to new entrants. The assets of the Plan are held separately from the company in an independently administered trust fund. The contributions are determined based on the advice of independent qualified actuaries on the basis of triennial valuations using the projected unit method.

Variations in pension cost, which are identified as a result of actuarial valuations, are amortised over the average expected remaining working lives of employees in proportion to their expected payroll costs. Differences between the amounts funded and the amounts charged in the profit and loss account are treated as either provisions or prepayments in the balance sheet. The pension cost for 2004 was £122,000 (2003 - £78,000), equal to the contributions paid. Therefore no provision or prepayment has built up in 2004 (2003 -£ nil).

The most recent actuarial valuation of the Plan was performed as at 5 April 2003. At the time, the market value of assets was £1,150,000, which represented 60% of the liabilities of the Plan. The assumptions that had the most significant effect on the valuation are:

Discount rate – pre retirement:	7.50%
Discount rate – post retirement:	4.70%
Salary increase rate:	3.20%
Pension increases:	2.70%
Inflation:	2.70%

***FRS17 Note***

Additional disclosures regarding the Plan are required under the transitional provision of FRS17 "Retirement Benefits" and these are set out below.

The last actuarial valuation of the Plan as at 5 April 2003 was updated to 31 December 2004 by a qualified actuary, using a set of assumptions consistent with those required under FRS17. The major assumptions used by the actuary were:

	2004	2003	2002
Rate of earnings growth	3.0%	3.0%	4.9%
Pension increases in payment	2.75%	2.75%	2.4%
