Directors' Report - continued

Statement of directors' responsibilities

The Directors are responsible for preparing the Annual Report and the financial statements. The Directors have chosen to prepare the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare such financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including FRS102, the Financial Reporting Standard applicable in the UK and Republic of Ireland. The financial statements are required by law to give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- (a) select suitable accounting policies and then apply them consistently;
- (b) make judgments and estimates that are reasonable and prudent;
- (c) state whether applicable accounting standards have been followed; and
- (d) prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for the system of internal control, for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
