Directors' report for the year ended 31 December 2009

The Directors present their Annual Report together with the unaudited financial statements of the Company for the year ended 31 December 2009.

Principal activity and business review

The Company did not trade in the year. There is no intention for the Company to trade in the foreseeable future.

The Company has been dormant as defined in section 1169 of the Companies Act 2006 throughout the year and preceding financial period. It is anticipated that the Company will remain dormant for the foreseeable future. Key performance indicators are not considered necessary for an understanding of the development, performance or position of the business of the Company. There are no risks or uncertainties facing the Company including those within the context of the use of financial instruments.

Going concern

After making enquiries, and as disclosed in the statement of accounting policies, the Directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Accordingly they continue to adopt the going concern basis in preparing the financial statements.

Directors

The Directors who held office during the year and up to the date of signing the financial statements were:

J R Drummond Smith (appointed 30 April 2009)

R D East (appointed 3 July 2009)

M W G Collins (removed 3 July 2009)

J J Corr (removed 3 July 2009)

Statement of Directors' responsibilities

The Directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with International Financial Reporting Standards (IFRS) as adopted by the European Union. Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, International Accounting Standard 1 requires that directors:

- properly select and apply accounting policies;
- present information, including accounting policies, in a manner that provides relevant, reliable, comparable and understandable information;
- provide additional disclosures when compliance with the specific requirements in IFRS are insufficient to enable users to understand the impact of particular transactions, other events and conditions on the entity's financial position and financial performance; and
- make an assessment of the Company's ability to continue as a going concern.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement of accounting policies

General information

Scottish Bureau of Investigation Limited (the Company) is a company incorporated in the United Kingdom. The address of the registered office is given on page 2. The nature of the Company's operations and its principal activity is set out in the Directors' report.

Statement of compliance

These financial statements have been prepared in accordance with EU endorsed IFRS and International Financial Reporting Interpretations Committee (IFRIC) Interpretations issued by the International Accounting Standards Board. These financial statements have also been prepared in accordance with the Companies Act 2006 as applicable to companies reporting under IFRS.

Basis of preparation

The Directors have, at the time of approving the financial statements, a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis in the financial statements.

The financial statements are prepared under the historical cost convention, and are presented in Pounds Sterling, the Company's functional and presentational currency.

The accounting policies set out below have been applied consistently to all periods presented in these financial statements.

Adoption of new and revised Standards

In the current year, the following new and revised Standards and Interpretations have been adopted and have affected the amounts reported in these financial statements.

Standards affecting presentation and disclosure

IAS 1 (revised 2007) has introduced a number of changes in the format and content of the financial statements. In addition, the revised Standard requires presentation of a third balance sheet where the entity applies certain changes in accounting policies retrospectively. As the effect of the adoption of Standards in the year has been presentational only, the opening comparative balance sheet has not been presented as the information is unchanged from that presented previously.

IFRS 7 (amendments) has expanded the disclosures required in respect of fair value measurements and liquidity risk. Adoption of the Standard has had no impact on the financial statement disclosures in the current year.

Standards not affecting the reported results nor the financial position

The following new and revised Standards and Interpretations relevant to the Company have been adopted in the current year. Their adoption has not had any significant impact on the amounts reported in these financial statements but may impact the accounting for future transactions and arrangements.

IAS 39 (amendments) Financial Instruments: Disclosures

At the date of authorisation of these financial statements, the following Standards and Interpretations which have not been applied in these financial statements were in issue but not yet effective (and in some cases had not yet been adopted by the EU).

IFRS 3 (revised)	Business Combinations
IFRS 9	Financial Instruments – Classification and Measurement
IFRIC 17	Distributions of Non-cash Assets to Owners
IFRIC 19	Extinguishing Financial Liabilities with Equity Instruments

The Directors do not expect that the adoption of these Standards and Interpretations in future periods will have a material impact on the financial statements of the Company.

Statement of accounting policies (continued)

Income statement and statement of comprehensive income

No income statement or statement of comprehensive income is presented with these financial statements because the Company has not received income, incurred expenditure or recognised any gains or losses during either the year under review or the preceding financial year.

Cash flow statement

The Company did not enter into any cash transactions during either of the years presented, therefore a cash flow statement has not been presented.

Scottish Bureau of Investigation Limited

Notes to the financial statements for the year ended 31 December 2009

1 Directors' emoluments

The Company has no employees other than the Directors (2008: none). The Directors received no remuneration for their services to the Company (2008: £nil).

2 Financial risk management

The most significant financial risks faced by the Company are credit risk and liquidity risk.

Credit risk

The Company's credit risk is solely related to its intra-group receivables, which also represents its maximum exposure to credit risk.

Liquidity risk and capital management

The Company has no financial liabilities and therefore is not subject to any material liquidity risk.
