Wallaces of Ayr Limited Directors' Report for the Year Ended 31 March 2012

The directors present their report and the financial statements for the year ended 31 March 2012.

Directors of the company

The directors who held office during the year were as follows:

B J Calder

C Cosh

Principal activity

The principal activity of the company is the wholesaling and distribution of goods to the licensed trade.

Business review

Fair review of the business

The results for the year are satisfactory considering the economic climate. With prudent management and purchasing policies the company has been able to improve the gross profit percentage from 15.97% to 16.24%. This has minimised the effect of the reduction in turnover. With reductions in operating costs the overall performance continues to improve.

The company's key financial and other performance indicators during the year were as follows:

	Unit	2012	2011
Turnover	£	82,739,964	84,274,525
Turnover Growth	%	-	3
Turnover reduction	%	2	-
Gross profit margin	%	16	16
Profit before tax	£	4,154,175	4,054,720
Net Assets Total	£	35,331,596	32,743,569

Financial instruments

Price risk, credit risk, liquidity risk and cash flow risk

The business' principal financial instruments comprise bank balances, bank overdrafts, trade debtors and trade creditors. The main purpose of these instruments is to finance the business operations.

In respect of bank balances, the liquidity risk is managed by maintaining a balance between the continuity of funding and flexibility through the use of overdrafts at floating rates of interest. All of the business cash balances are held in such a way that achieves a competitive rate of interest. The business makes use of money market facilities where funds are available.

Trade debtors are managed in respect of credit and cash flow risk by policies concerning the credit offered to customers and the regular monitoring of amounts outstanding for both time and credit limits. The amounts presented in the balance sheet are net of allowances for doubtful debtors.

Trade creditors liquidity risk is managed by ensuring sufficient funds are available to meet amounts due.

Employment of disabled persons

The company is an equal opportunities employer. Applications for employment by disabled persons are always fully considered, bearing in mind the aptitudes of the applicant concerned and the implications of the Equality Act 2010. In the event of members of staff becoming disabled, every effort is made to ensure that their employment with the company continues and that appropriate training is arranged.

Employee involvement

Our people are central to the future development of the business. We communicate with our people to strive to reach the highest standards in all aspects of employment policy and practice and to ensure that our people are achieving their full potential.

Wallaces of Ayr Limited Directors' Report for the Year Ended 31 March 2012

...... continued

Disclosure of information to the auditors

Each director has taken steps that they ought to have taken as a director in order to make themselves aware of any relevant audit information and to establish that the company's auditors are aware of that information. The directors confirm that there is no relevant information that they know of and which they know the auditors are unaware of.

Reappointment of auditors

In accordance with section 485 of the companies Act 2006, a resolution for the re-appointment of Robert J Hart & Company as auditors of the company is to be proposed at the forthcoming Annual General Meeting.

Approved by the Board on 7 June 2012 and signed on its behalf by:

B J Calde

Statement of Directors' Responsibilities

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- · select suitable accounting policies and apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will
 continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Auditor's Report to the Members of Wallaces of Ayr Limited

We have audited the financial statements of Wallaces of Ayr Limited for the year ended 31 March 2012, set out on pages 7 to 19. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the Statement of Directors' Responsibilities (set out on page 4), the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Directors' Report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on the financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2012 and of its profit for the year then ended;
- · have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Independent Auditor's Report to the Members of Wallaces of Ayr Limited

..... continued

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- · the financial statements are not in agreement with the accounting records and returns; or
- · certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Peter J McLean (Senior Statutory Auditor)

For and on behalf of Robert J Hart & Company, Statutory Auditor

Notes to the Financial Statements for the Year Ended 31 March 2012

Accounting policies

Basis of preparation

The financial statements have been prepared under the historical cost convention and in accordance with applicable accounting standards.

Turnover

Turnover represents amounts chargeable, net of value added tax, in respect of the sale of goods and services to customers.

Goodwill

Goodwill is the difference between the fair value of consideration paid for an acquired entity and the aggregate of the fair value of that entity's identifiable assets and liabilities.

Positive goodwill is capitalised, classified as an asset on the balance sheet and amortised on a straight line basis over its useful economic life. It is reviewed for impairment at the end of the first full financial year following the acquisition and in other periods if events or changes in circumstances indicate that the carrying value may not be recoverable.

Amortisation

Amortisation is provided on intangible fixed assets so as to write off the cost, less any estimated residual value, over their expected useful economic life as follows:

Asset class

Goodwill

Amortisation method and rate

10 years straight line

Depreciation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class

Freehold Property
Fixtures and fittings
Motor Vehicles

Computer equipment and software

Depreciation method and rate

50 years straight line basis 5 years straight line basis 4 years straight line basis 10 years straight line

Stock

Stock is valued at the lower of cost and net realisable value, after due regard for obsolete and slow moving stocks. Net realisable value is based on selling price less anticipated costs to completion and selling costs.

Deferred tax

Deferred tax is recognised, without discounting, in respect of all timing differences between the treatment of certain items for taxation and accounting purposes, which have arisen but not reversed by the balance sheet date, except as required by FRS 19.

Deferred tax is measured at the rates that are expected to apply in the periods when the timing differences are expected to reverse, based on the tax rates and law enacted at the balance sheet date.

Hire purchase and leasing

Rentals payable under operating leases are charged in the profit and loss account on a straight line basis over the lease term.

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arragement, as financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of it liabilities.

Notes to the Financial Statements for the Year Ended 31 March 2012

..... continued

Pensions

The company operates a defined contribution pension scheme. Contributions are charged in the profit and loss account as they become payable in accordance with the rules of the scheme.
