11. PROTECTION OF PURCHASERS

No purchaser or other person shall be obliged or concerned to see or enquire whether the right of the Security Trustee to appoint a Receiver or the right of the Security Trustee or any Receiver to exercise any of the powers conferred by this Floating Charge has arisen or become exercisable nor be concerned with notice to the contrary or with the propriety of the exercise or purported exercise of such powers.

12. POWER OF ATTORNEY

- 12.1 The Chargor irrevocably appoints the Security Trustee and any Receiver severally to be the attorney for the Chargor (with full power of substitution and delegation) in the Chargor's name and on the Chargor's behalf to sign or execute all such deeds, instruments and documents and do all such acts and things as the Chargor is required to do, but has not done, under the terms of this Floating Charge and such other acts and things as may be required in connection with the exercise of any of the powers of the Security Trustee or any Receiver pursuant to this Floating Charge. The powers in this Clause 12 may only be exercised: (i) following an Event of Default that is continuing; or (ii) following a failure by the Chargor to comply with its obligations under this Floating Charge.
- 12.2 The Chargor ratifies and agrees to ratify whatever any attorney does or purports to do under its appointment under Clause 12.1.

13. FURTHER ASSURANCE

The Chargor will at the Security Trustee's or any Receiver's request, execute any deed or document and take any action reasonably required by the Security Trustee or any Receiver to perfect or protect this security or its priority or further to secure on the Charged Property the Secured Liabilities or for facilitating the realisation of the Charged Property or the exercise of any rights or powers of the Security Trustee or any Receiver.

14. CHANGE IN CHARGOR'S CONSTITUTION

14.1 The Security Trustee's rights under this Floating Charge shall not be affected by any change in the Chargor's constitution or by the liquidation or insolvency of the Chargor.

14.2 The Secured Liabilities shall extend to all liabilities of the Chargor to the Finance Parties notwithstanding any change of name of any Finance Party and/or any Finance Party's absorption by or in or amalgamation with any other bank or person or the acquisition of all or part of its or their undertaking by any other bank or person and to all sums in respect of advances and other banking facilities from such other bank or person to the Chargor under the Facilities Agreement.

15. INDEMNITY

The Security Trustee, every Receiver and every attorney, manager, agent or other person appointed by the Security Trustee or any such Receiver in connection herewith shall be entitled to be indemnified out of the Charged Property in respect of all liabilities and expenses properly incurred by them or him in the execution or purported execution of any of the powers, authorities or discretions vested in them or him pursuant hereto and against all actions, proceedings, costs, claims and demands in respect of any matter or thing done or omitted in anywise relating to the Charged Property, and the Security Trustee and any Receiver may retain and pay all sums in respect of the same out of any monies received under the powers hereby conferred.

16. AVOIDANCE OF PAYMENTS

Any amount which has been paid by the Chargor to the Security Trustee and which is, in the opinion of the Security Trustee capable of being reduced or restored or otherwise avoided in whole or in part in the liquidation or administration of the Chargor, shall not be regarded as having been irrevocably paid for the purposes of this Floating Charge.

17. ACCOUNTS

At any time following the Security Trustee receiving notice (actual or constructive) that all or any of the Charged Property have been encumbered by the grant of any Encumbrance (other than such an Encumbrance in favour of the Security Trustee) or have been disposed of, the Security Trustee will be entitled to close the Chargor's then current account or accounts and to open a new account or accounts with the Chargor and (without prejudice to any right of the Security Trustee to combine accounts) no money paid in or carried to the Chargor's credit in any such new account will be appropriated towards or have the effect of discharging any part of the amount due to the Security Trustee on any closed account. If the Security Trustee does not open a new account or accounts, the Security Trustee will nevertheless be treated as if it had done so at the time when it received (or was deemed to have received) such notice and as from that time all payments made to the Security Trustee will be credited or be treated as having been credited to the new account or accounts and will not reduce the amount of the Secured Liabilities.

18. APPLICATION OF ENFORCEMENT MONIES

18.1 Nothing contained in this Floating Charge shall limit the right of the Receiver or the Security Trustee, or the Finance Parties (and the Chargor acknowledges that the Receiver, the Security Trustee, and the Finance Parties are so entitled) if and for so long as the Receiver or the Security Trustee or the Finance Parties, in their discretion, shall consider it appropriate, to place all or any monies arising from the enforcement of the security hereby granted or any security created pursuant hereto into a suspense account.

18.2 Restriction

Despite any term to the contrary in relation to any deposit or credit balance at any time on any account of the Chargor with any Finance Party, no such deposit or balance shall be repayable or capable of being assigned, mortgaged, charged or otherwise disposed of or dealt with by the Chargor before every liability of the Chargor to that Finance Party has been discharged, but that Finance Party may permit any withdrawal without affecting the continued application of this clause.

18.3 Certificates

A certificate signed by an official of the Security Trustee as to the amount due or owing from the Chargor shall be conclusive evidence against the Chargor except in the case of manifest error or any question of law.

19. RIGHT OF APPROPRIATION

19.1 Without prejudice to the other provisions of this Floating Charge, to the extent that any of the Charged Property constitutes "financial collateral", and this Floating Charge and the obligations of the Chargor hereunder constitute a "security financial collateral arrangement" (in each case as defined in, and for the purposes of, the Financial Collateral Arrangements (No.2) Regulations 2003 (SI 2003/3226) (the "Regulations")), the Security Trustee shall at any time on and after the occurrence of an Event of Default which is continuing have the right to appropriate all or any part of the Charged Property in or towards discharge of the Secured Liabilities. For this purpose, the parties agree that the value of any such Charged Property so appropriated shall be the market price of such Charged Property at the time the right of appropriation is exercised as determined by the Security Trustee by reference to such method or source of valuation as the Security Trustee may select, including by independent valuation. The parties agree that the methods or sources of valuation provided for in this Clause, or selected by the Security Trustee in accordance with this Clause shall constitute a commercially reasonable method of valuation for the purposes of the Regulations.

19.2 The Security Trustee shall notify the Chargor as soon as reasonably practicable of the exercise of its right of appropriation as regards such of the Charged Property as are specified in such notice.

20. ASSIGNATION AND TRANSFER

20.1 Subject to the terms of the Facilities Agreement, by this Floating Charge the Chargor gives its irrevocable consent and continuing agreement to the assignation and/or transfer by the Security Trustee of any one or more of its rights and/or obligations under this Floating Charge to any successor agent or trustee.

20.2 Upon notice to the Chargor of any assignation of rights against the Chargor under this Floating Charge, such assignment shall take effect as an absolute assignment and the assignee shall accordingly be entitled to sue the Chargor without joining the assignor as a party to the proceedings. For the avoidance of doubt, the assignor shall be entitled to sue the Chargor pursuant to any right not assigned without joining the assignee as a party to the proceedings.

20.3 The Chargor irrevocably agrees that, if it receives written notice of any transfer of obligations owed to the Chargor under this Floating Charge and the transferee confirms in such notice that it will perform such transferred obligations, then upon receipt of such notice such obligations shall be novated and after that shall be owed to the Chargor by the transferee and not by the transferor.

20.4 The Chargor may not assign and/or transfer any one or more of its rights and/or obligations under this Floating Charge.

20.5 Each Finance Party may give such information relating to the Chargor or this Floating Charge as it thinks fit to any person proposing to take an assignment and/or transfer from that Finance Party and/or to enter into contractual relations with that Finance Party with respect to this Floating Charge.

22. PROTECTION OF SECURITY

- 22.1 The security created by this Floating Charge is granted for securing inter alia further advances and shall be without prejudice and in addition to any other further security whatsoever which may be held by the Security Trustee or the Finance Parties from the Borrower, a Guarantor or any other person for or in respect of the Secured Liabilities and this Floating Charge shall remain in force as a continuing security notwithstanding any settlement of account or other matter or thing whatsoever, and in particular (but without prejudice to the generality of the foregoing) shall not be considered satisfied by an intermediate repayment or satisfaction of part only of the Secured Liabilities, and shall continue in full force and effect until total and irrevocable satisfaction of all the Secured Liabilities.
- 22.2 The security created by this Floating Charge shall be in addition to and shall not in any way prejudice or be prejudiced by any collateral or other security, right or remedy which the Security Trustee may now or at any time hereafter hold for all or any part of the Secured Liabilities.
- 22.3 The obligations of the Chargor under this Floating Charge will not be affected by any act, omission, circumstance, matter or thing which but for this provision might operate to release or otherwise exonerate it from any of its obligations hereunder in whole or in part, including (without limitation):
- 22.3.1 any variation, extension, discharge, compromise, dealing with, exchange or renewal of any right or remedy which any Finance Party may have now or in the future from or against the Chargor or any other person in respect of the Secured Liabilities;
 - 22.3.2 any act or omission by the Security Trustee or any other person in taking up, perfecting or enforcing any security or guarantee from or against the Chargor or any other person or the invalidity or unenforceability of any such security or guarantee;
 - 22.3.3 any act or omission which would not have discharged or affected the liability of the Chargor had it been a principal debtor instead of cautioner or by anything done or omitted which but for this provision might operate to exonerate the Chargor from the Secured Liabilities; or
 - 22.3.4 any amendment, variation, restatement or supplement of or to, or novation, transfer or termination (in whole or in part) of, any document relating to the Secured Liabilities or any exercise by the Security Trustee (in its absolute discretion) of its rights to refuse, grant, continue, vary, review, determine or increase any credit or facilities to the Chargor or any other person;
 - 22.3.5 any grant of time, indulgence, waiver or concession to the Chargor or any other person;
 - 22.3.6 any arrangement or compromise entered into between the Security Trustee and the Chargor or any other person;
 - 22.3.7 the administration, insolvency, bankruptcy, sequestration, liquidation, winding-up, receivership, dissolution, incapacity, limitation, disability, discharge by operation of law or any change in the constitution, name and style of, the Chargor or any other person;
 - 22.3.8 the invalidity, illegality, unenforceability, irregularity or frustration of the Secured Liabilities or any of the obligations of the Chargor or any other person;
 - 22.3.9 any postponement, discharge, reduction, non-provability, inability to claim or other similar circumstance affecting any obligation of any other person resulting from any administration, insolvency, liquidation, receivership or dissolution proceedings or from any law, regulation or order.
- 22.4 No failure on the part of the Security Trustee to exercise and no delay on its part in exercising any right, remedy, power or privilege under or pursuant to this Floating Charge or any other

document relating to or securing all or any part of the Secured Liabilities will operate as a waiver thereof, nor will any single or partial exercise of any right or remedy preclude any other or further exercise thereof or the exercise of any other right or remedy. The rights and remedies provided in this Floating Charge and any such other document are cumulative and not exclusive of any right or remedies provided by law.

- 22.5 Each of the provisions in this Floating Charge shall be severable and distinct from one another and if at any time any one or more of such provisions is or becomes or is declared null and void, invalid, illegal or unenforceable in any respect under any law or otherwise howsoever the validity, legality and enforceability of the remaining provisions hereof shall not in any way be affected or impaired thereby.

- 22.6 The Security Trustee shall not be obliged, before exercising any of the rights, powers or remedies conferred upon any of them by or pursuant to this Floating Charge or by law, to:

22.6.1 take any action or obtain judgement or decree in any Court against the Chargor;

22.6.2 make or file any claim to rank in winding-up or liquidation of the Chargor; or

22.6.3 enforce or seek to enforce any other security taken, or exercise any right or plea available to the Security Trustee, in respect of any of the Chargor's obligations under the Security Documents other than this Floating Charge.

23. SET-OFF

- 23.1 The Chargor agrees that any money from time to time standing to its credit on any account (whether current, deposit, loan or of any other nature whatsoever) with the Security Trustee may be retained as cover for and/or applied by the Security Trustee at any time and without notice to the Chargor (whether on or before or after the expiry of any fixed or minimum period for which such monies may have been deposited) in or towards payment or discharge of the Secured Liabilities or such part of them as the Security Trustee may select.

- 23.2 If the Security Trustee exercises any rights in respect of any money as referred to in Clause 23.1 (including, without limitation, any rights of set-off, accounting or retention or similar rights) in relation to any liability of the Chargor and that liability or any part of it is in a different currency from any credit balance against which the Security Trustee seeks to exercise its rights, the Security Trustee may use the currency of the credit balance to purchase an amount in the currency of the liability at the then prevailing spot rate of exchange and to pay out of the credit balance all costs, charges and expenses incurred by the Security Trustee in connection with that purchase.

- 23.3 The Security Trustee shall not be liable for any loss of interest caused by the determination before maturity of any deposits or any loss caused by the fluctuation in any exchange rate at which any currency may be bought or sold by the Security Trustee.

24. THIRD PARTIES

Save to the extent expressly provided to the contrary in this Floating Charge, the parties to this Floating Charge do not intend any of its terms to be enforceable pursuant to The Contract (Third Party Rights) (Scotland) Act 2017 by any person who is not a party to this Floating Charge.

25. RELEASE

Upon the irrevocable payment or discharge in full of the Secured Liabilities, the Security Trustee shall, at the request and cost of the Chargor, take whatever action is necessary to release the Charged Property from the security constituted by this Floating Charge.

- 26.2 For the benefit only of the Security Trustee, the parties irrevocably agree that the Scottish courts are to have jurisdiction to settle any disputes and to entertain any suit, action or proceedings in each case arising out of or in connection with this Floating Charge (together in this clause "proceedings").
- 26.3 Nothing contained in this clause shall limit the right of the Security Trustee to take proceedings against the Chargor in the courts of any country in which the Chargor has assets or in any other courts of competent jurisdiction, nor shall the taking of proceedings in one or more jurisdictions preclude the taking of proceedings in any other jurisdiction, whether concurrently or not.
- 26.4 The Chargor irrevocably waives any objection which it may now or in the future have to any court referred to in this clause as a venue for any proceedings and any claim which it may now or in the future be able to make that any proceedings in such courts have been instituted in an inconvenient or inappropriate forum.
