Directors' Report & Accounts for the Year ended 28 February 2007

Directors Report

The Directors submit their Report and Accounts for the year ended 28 February 2007

Review of the Business

The share capital of the company is controlled by The National Trust for Scotland

The Company's principal activities are the running of retail, catering, holiday cottages, cruises, hospitality and other sundry trading activities at The National Trust for Scotland properties

Results for the Year

Trading conditions in the year to 28 February 2007 continue to be difficult with a further decline in visitor numbers. This again had an adverse effect on retail and catering revenues. The main improvement is due to the elimination of one off losses on events which has been offset by an increase in the management charges in 2007. The implementation of Electronic Point of Sale (EPOS) in 2008 should significantly improve administration in both catering and retail and provide appropriate information to allow more informed buying to increase turnover and profit.

Statement of Director's Responsibilities In Respect Of The Accounts

Company Law requires the Directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to

- * Select suitable accounting policies and ensure that they are applied consistently,
- * Ensure that judgements and estimates are reasonable and prudent,
- * Ensure that the accounts are prepared on a going concern basis unless it is inappropriate to presume that the company will continue in business

The Directors are responsible for having proper accounting records kept which disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure the accounts comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In accordance with company law, as the company's directors, we certify that

- * so far as we are aware, there is no relevant audit information of which the company's auditors are unaware, and
- * as the directors of the company we have taken all the steps that we ought to have taken in order to make ourselves aware of any relevant audit information and to establish that the company's auditors are aware of that information

Independent auditors' report to the members of The National Trust for Scotland Enterprises Limited

We have audited the financial statements of The National Trust for Scotland Enterprises Limited for the year ended 28 February 2007 which are set out pages 5 to 8. These financial statements have been prepared under the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the options we have formed

Respective responsibilities of directors and auditors

The directors' responsibilities for preparing the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) are set out in the Statement of Directors' Responsibilities

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland)

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you whether in our opinion the information given in the Directors' Report is consistent with the financial statements.

In addition we report to you if, in our opinion, the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and other transactions is not disclosed

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it

Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion

- * the financial statements give a true and fair view, in accordance with United Kingdom Generally Accepted Accounting Practice, of the state of the company's affairs as at 28 February 2007 and of its profit for the year then ended,
- * the financial statements have been properly prepared in accordance with the Companies Act 1985, and
- * the information given in the directors' report is consistent with the financial statements
