NOTES TO THE ACCOUNTS

1. ACCOUNTING POLICIES

The accounts are prepared under the historical cost convention, the Financial Reporting Standard for Smaller Entities (effective April 2008) the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations (2006) and the Statement of Recommended Practice - Accounting and Reporting by Charities.

Income from the box office is stated net of vat and discounts and is allocated to the year the performance took place.

Revenue grants from Scottish Screen and Glasgow City Council are allocated to the year to which the grants relate. Other revenue grants are credited to the income & expenditure account in the year of receipt or as the donors stipulate. Grants for capital expenditure are credited to the income & expenditure account in the year to which the grants relate.

Expenditure is included on the accrual basis and is recognised when there is a legal or constructive obligation to incur the expenditure.

Fixed assets are included in the accounts at cost. Items are capitalised if their useful life is estimated at more than one year and their cost exceeds £1,000.

Tangible fixed assets are depreciated at rates estimated to write off the cost of the assets over their useful lives. The principal rates are:

Heritable property 5% straight line

Fittings & equipment 10% straight line

Stocks are valued at the lower of cost and net realisable value.

The company operates a multi-employer defined benefit pension scheme. Contributions to the scheme are charged to the income & expenditure account so as to spread the cost of pensions over employee's working lives with the company.

Funds are classified between restricted and unrestricted funds. Restricted funds are those donated to the trust which are applied in accordance with the donor's specified conditions. Unrestricted funds are those which are applied at the discretion of the directors. Within the unrestricted funds the directors have designated funds for specific uses.
