DIRECTOR'S REPORT

FOR THE YEAR TO 31ST MARCH, 1996

The Director submits the Tenth Annual Report along with the Accounts of the Company to 31st March, 1996.

Company law requires the Director to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the Director is required to:-

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Director is responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable him to ensure that the financial statements comply with the Companies Act, 1985. He is also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Company was incorporated on 28th July, 1986 and on 25th September, 1986 it acquired for no consideration the property known as The Nunnery, Cousland. This property is ruinous and considered to be without value. The Balance Sheet attached shows the financial position of the Company at 31st March, 1996 and the Profit and Loss Account shows the very few transactions for the year to 31st March, 1996.

Since 5th June, 1996, the only Director of the company is the Hon. Michael C. Dalrymple. He was appointed a Director on that date and on the same date the Countess of Stair resigned as a Director, the Right Hon. Earl of Stair having died on 26th February, 1996. On 5th June, 1996, all the shares in the company were transferred from the Trustees of Oxenfoord Estate Trust to the Hon. Michael C. Dalrymple.
