Traded public companies – list of past and present shareholders

This section should show the shareholders that hold at least 5% of any class of share(s) of the company at the date of this return. It should only be completed by public companies that have traded on a regulated market at any time during the period of this return.

Changes during this period to shareholders' particulars or details of the amount of stock or shares transferred must be completed each year.

You must provide a 'full list' of all company shareholders on:

- The company's first annual return following incorporation;
- Every third annual return after a full list has been provided.

Please list the company shareholders in alphabetical order.

Joint shareholders should be listed consecutively.
