Statement, in the case of a floating charge, as to any restrictions on power to grant further securities and any ranking provision (note 2)

The Instrument contains a clause prohibiting the creation of any fixed security as defined by the Companies Act 1985, having priority over or ranking equally with this Floating Charge.

Excepting from this prohibition any fixed security which may subsequent to the date of the Bond and Floating Charge be granted by the Company in favour of the Bank which shall have priority over the Floating Charge hereby created.

Particulars as to commission, allowance or discount paid (see section 413(3))

### Notes

† delete as  
appropriate

1. A description of the instrument e.g. "Standard Security" "Floating Charge" etc, should be given. For the date of creation of a charge see section 410(5) of the Act. (Examples — date of signing of an Instrument of Charge; date of recording/registration of a Standard Security; date of intimation of an Assignment.)
2. In the case of a floating charge a statement should be given of (1) the restrictions, if any, on the power of the company to grant further securities ranking in priority to, or pari passu with the floating charge; and/or (2) the provisions, if any, regulating the order in which the floating charge shall rank with any other subsisting or future floating charges or fixed securities over the property which is the subject of the floating charge or any part of it.
3. A certified copy of the instrument, if any, creating or evidencing the charge, together with this form with the prescribed particulars correctly completed must be delivered to the Registrar of Companies within 21 days after the date of the creation of the charge. In the case of a charge created out of the United Kingdom comprising property situated outside the U.K., within 21 days after the date on which the copy of the instrument creating it could, in due course of post, and if despatched with due diligence, have been received in the U.K. Certified copies of any other documents relevant to the charge should also be delivered.
4. A certified copy must be signed by or on behalf of the person giving the certification and where this is a body corporate it must be signed by an officer of that body.
