#### NOTES TO THE FINANCIAL STATEMENTS

#### YEAR ENDED 31st MARCH 2008

#### 1. ACCOUNTING POLICIES

#### Basis of accounting

The financial statements have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective June 2002).

The company continues in its development stage and has received no income in the year. Expenditure is primarily funded by shareholders funds and shareholders and other loans. The loanholders have indicated to the directors their intention to continue to support the company through this development stage.

#### **Pre-operational costs**

Pre-operational costs are capitalised and were written off after the disposal of the House of Gray property.

#### Fixed assets

All fixed assets are recorded at their current market value...

#### Depreciation

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Plant & Machinery

25% Straight line

## Hire purchase agreements

Assets held under hire purchase agreements are capitalised and disclosed under tangible fixed assets at their fair value. The capital element of the future payments is treated as a liability and the interest is charged to the profit and loss account on a straight line basis.

#### Grants

Grants receivable from "Historic Scotland" have been deducted from the cost of the asset whilst Grants receivable from "Scottish Enterprise Tayside" amounting to £216,000 were required to be repaid on the disposal of the freehold property to a private buyer.
