## Directors' Report

The directors present their report and unaudited Accounts for the year ended 31 December 2012.

### Activities and review

Teledata (Holdings) Limited ("the company"), registered company number SC117956, was established to complement the activities of the ultimate parent company or of other companies in the group. The company was not involved in trading during the year and was dormant.

The company's accounts for the year ended 31 December 2012 have been prepared in accordance with International Financial Reporting Standards ("IFRS") as adopted by the European Union ("EU").

As the company was dormant during the year and future trading is unlikely, no appropriations have been made in the current year and the possibility of such dividends being paid in the future is remote.

The company has net assets of £290,000 as at 31 December 2012.

### Directors

The directors who held office during the year were as follows:

Marion Venman  
David Wark

### Statement of directors' responsibilities

The directors are responsible for preparing Accounts for each financial period which give a true and fair view, in accordance with IFRSs, of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those Accounts, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether the Accounts comply with IFRSs, subject to any material departures disclosed and explained in the Accounts and;
- prepare the Accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the Accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### Auditors

The company is a dormant company within the meaning of Section 1169 of the Companies Act 2006 and is exempt from appointing auditors.

**for the year ended 31 December 2012**

**7 Going Concern**

The Accounts have been prepared on a going concern basis, notwithstanding the fact that the company is dormant and has no foreseeable operational activity. The company's balance sheet shows that it has net current liabilities of £1,251,000 and net assets of £290,000 at its most recent balance sheet date. The company is ultimately owned by Iberdrola S.A. and it participates in the Iberdrola group's centralised treasury arrangements and so shares banking facilities with its parent companies and fellow subsidiaries. As a consequence, the company depends, in part, on the ability of the Iberdrola group to continue as a going concern. The directors have considered the company's funding relationship with Iberdrola to date and have considered available relevant information relating to Iberdrola's ability to continue as a going concern. In addition, the directors have no reason to believe that the Iberdrola group will not continue to fund the company, should it become necessary, to enable it to continue in operational existence.

The directors are satisfied that, if the Accounts were to be prepared on a break-up basis, no material adjustments would be required to the Accounts.

**8 Ultimate Parent Company**

The directors regard Iberdrola, S.A. to be the ultimate parent company, which is also the parent company of the largest group in which the results of the company are consolidated. The parent company of the smallest group in which the results of the company are consolidated is Scottish Power UK plc.

Copies of the Consolidated Accounts of Iberdrola, S.A. may be obtained from Iberdrola, S.A., Torre Iberdrola, Plaza Euskadi, 48009, Bilbao, Spain. Copies of the consolidated Accounts of Scottish Power UK plc may be obtained from the Secretary, Scottish Power Limited, 1 Atlantic Quay, Glasgow G2 8SP.
