STATEMENT OF DIRECTOR'S RESPONSIBILITIES

Company law requires the director to prepare accounts for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that year. In preparing those accounts, the director is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The director is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable him to ensure that the accounts comply with the Companies Act 1985. He is also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

FIRST TOWER LP(1) LIMITED
REPORT OF THE AUDITORS TO THE MEMBERS OF
FIRST TOWER LP(1) LIMITED

We have audited the accounts on pages 5 to 9.

Respective responsibilities of director and auditors

The director is responsible for preparing the Report & Accounts. As described on page 3 this includes responsibility for preparing the accounts in accordance with applicable United Kingdom accounting standards. Our responsibilities, as independent auditors, are established in the United Kingdom by statute, the Auditing Practices Board and our profession's ethical guidance.

We report to you our opinion as to whether the accounts give a true and fair view and are properly prepared in accordance with the United Kingdom Companies Act. We also report to you if, in our opinion, the director's report is not consistent with the accounts, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding director's remuneration and transactions is not disclosed.

We read the other information contained in the Report & Accounts and consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the accounts.

Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the accounts. It also includes an assessment of the significant estimates and judgements made by the director in the preparation of the accounts, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the accounts are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the accounts.

Opinion

In our opinion the accounts give a true and fair view of the state of affairs of the company at 31 December 1999 and of its profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.
