STATEMENT OF THE DIRECTORS' RESPONSIBILITIES IN RESPECT OF THE FINANCIAL STATEMENTS

The directors are responsible for preparing the report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

FIRST TOWER GP(1) LIMITED

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF FIRST TOWER GP(1) LIMITED

We have audited the financial statements of First Tower GP(1) Limited for the year ended 31 December 2013 which comprise the Profit and Loss Account, Balance Sheet and the related Notes 1 to 9. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Statement of Directors' Responsibilities, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Annual Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2013 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

FIRST TOWER GP(1) LIMITED

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF FIRST TOWER GP(1) LIMITED

Opinion on other matters prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies exemption in preparing the Strategic Report and the Directors' Report.

FIRST TOWER LIMITED PARTNERSHIP

STATEMENT OF GENERAL PARTNER'S RESPONSIBILITIES IN RESPECT OF THE ACCOUNTS

The First Tower Limited Partnership was registered as an English limited partnership on 22 August 1991 and comprises two General Partners and twelve Limited Partners. The General Partners and Limited Partners are incorporated in Scotland. In addition there are two trustee companies which hold legal title to certain property as trustees for the Partnership. The two trustees are incorporated in England and Wales.

Until 5 September 1996, all of the partners were members of the Canary Wharf Group ('CWG'). On that date the sale of shares in the Partnership's limited partners to a company outside CWG was completed.

The Limited Partnership Deed dated 22 August 1991 (the 'Agreement') requires that the General Partners prepare accounts for each financial period. In preparing these accounts, the General Partners are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume the Partnership will continue in existence.

The General Partners are also responsible for ensuring that proper accounting records are maintained which disclose with reasonable accuracy at any time the financial position of the Partnership.

The General Partners are responsible for ensuring that the Partnership has complied at all times with its obligations under the Agreement and have a general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Partnership and to prevent and detect fraud, errors and other irregularities.

These accounts have been prepared under Regulation 7 of the Partnership (Accounts) Regulations 2008.

INDEPENDENT AUDITOR'S REPORT TO THE PARTNERS OF FIRST TOWER LIMITED PARTNERSHIP

We have audited the non-statutory financial statements of First Tower Limited Partnership ("the Partnership") for the year ended 31 December 2013 which comprise the Profit and Loss Account, Balance Sheet and the related Notes 1 to 9. The financial reporting framework that has been applied in their preparation is United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely for the exclusive use of the Partners, as a body, and solely for the purpose of reporting to the company's Partners those matters we are required to state to them in an auditor's report. Our report is not to be used for any other purpose, recited or referred to in any document, copied or made available (in whole or in part) to any other person without prior written express consent. We accept no duty, responsibility or liability to any other party in connection with the report or this engagement.

Respective responsibilities of the General Partner and auditor

As explained more fully in the Statement of General Partner's Responsibilities, the General Partner is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the partnership's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the General Partner; and the overall presentation of the financial statements.

In addition we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies, we consider the implications for our report.

FIRST TOWER LIMITED PARTNERSHIP

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2013

1. PRINCIPAL ACCOUNTING POLICIES

A summary of the principal accounting policies of the Partnership, all of which have been applied consistently throughout the year and the preceding year, is set out below.

Basis of preparation

The Partnership has net assets. Having made the requisite enquiries and assessed the resources at the disposal of the Partnership, the General Partners have a reasonable expectation that the Partnership will have adequate resources to continue its operations for the foreseeable future. Accordingly the going concern basis continues to be adopted in preparing the financial statements.

The Partnership qualifies for an exemption from the requirements of regulations 4 to 6 of the Partnerships (Accounts) Regulations 2008, on the grounds that the general partners and the Partnership are included in the consolidated financial statements of CWG.

Accounting convention

The accounts have been prepared under the historical cost convention, modified to include the revaluation of properties and in accordance with applicable United Kingdom accounting standards.

No cash flow statement has been prepared as there were no cash flows during the year ended 31 December 2013 or the year ended 31 December 2012.

Turnover

Turnover represents rents receivable net of VAT and is recognised on an accruals basis in the period in which the rents become due.

Investment properties

Investment properties are revalued annually and in accordance with SSAP 19 (Accounting for Investment Properties) no provision is made for depreciation. This departure from the requirements of the statutory accounting rules, which requires all properties to be depreciated is, in the opinion of the directors, necessary for the accounts to show a true and fair view. Depreciation is only one of the factors reflected in the annual valuation and the amount attributable to this factor is not capable of being separately identified or quantified. Surpluses or deficits are transferred to the revaluation reserve, unless a deficit exceeds previous surpluses recognised on the same property, in which case the excess is charged to the profit and loss account.

Leases

Rentals payable under operating leases are charged to the profit and loss account in the period in which the rents become due.

Trade and other debtors

Debtors are recognised initially at fair value. A provision for impairment is established where there is objective evidence that the Partnership will not be able to collect all amounts due according to the original terms of the debtor concerned.

On 22 August 1991, the Partnership purchased the residual 95 year term of a 99 year lease in certain areas of the Canary Wharf development for £105 million and entered into a leaseback arrangement with Canary Wharf Limited ('CWL') in respect of those areas. On 8 December 1991 the Partnership purchased the residual 95 year term of a 99 year lease in certain other areas of the Canary Wharf development for £10 million and again entered into leaseback arrangements with CWL in respect of those areas.

FIRST TOWER LIMITED PARTNERSHIP

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2013

On 22 December 1995 the leaseback arrangements referred to above were varied by means of the Partnership granting to CWL new overriding leases in respect of the interests in the Canary Wharf development held by the Partnership. The new overriding leases were then merged with the existing lease to CWL, the net effect of which was that the Partnership became entitled to receive 99% of the rents due from occupational tenants with effect from 22 December 1995. The consideration for granting these leases was a premium payable by CWL to the Partnership of £78.5 million. Following this variation the Partnership transferred its interest in certain retail areas to a CWG undertaking for a consideration of £10.4 million.

On 5 September 1996, the Partnership granted an overriding lease at a nominal ground rent to its then immediate parent and paid a commutation sum to its immediate landlord in commutation of its obligations under its leasehold interest. The net consideration received from these transactions was £23.8 million, determined on the basis of an external valuation.

On a historic cost basis, investment properties would have been included as follows:

	31 December 2013 £	31 December 2012 £
Historic cost	—	—

As at 31 December 2013 the company's leasehold property interest was valued by CB Richard Ellis Limited, Surveyors and Valuers, on the basis of Market Value in accordance with the Appraisal and Valuation Manual published by the Royal Institution of Chartered Surveyors. No allowance was made for any expenses of realisation nor for any taxation which might arise in the event of disposal.
