# Trustees' Annual Report (Incorporating the Director's Report) (continued)

### Year ended 31 March 2022

### Structure, governance and management

### Governing Document

The organisation is a charitable company limited by guarantee, incorporated on 21 January 1992. The company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the company being wound up members are required to contribute an amount not exceeding £1.

### Appointment of Board of Directors

The directors of the company are also charity trustees for the purpose of charity law. Under the requirements of the Memorandum and Articles of Association the members of the board are re-elected at each Annual General Meeting.

#### Trustee Induction and Training

Most of the Trustees are familiar with the aims and principles of the service and have been encouraged to visit the bureaux. In addition, the Scottish Association of Citizens Advice Bureaux organises specific courses and training sessions covering:-

- The obligations of Trustees and Directors Annual Training
- Employment Procedures
- · Financial Management
- Future Planning

The Board ensures that part of its regular executive meetings have a training element attached to the proceedings.

### Organisational Structure

The Board meets approximately every 6 weeks and is responsible for the strategic direction and policy of the charity.

Operational services are conducted from 3 main sites as well as through home visiting or telephone.

Operational matters are delegated to paid staff and performance and results reviewed by the Board.

### Risk Management

The Board reviews at regular intervals all aspects of its exposure including:-

- Governance risks e.g. inappropriate organisational structure, difficulties recruiting trustees with relevant skills, conflict of interest;
- Operational risks- e.g. service quality and development, contract pricing, employment issues; health and safety issues; fraud and misappropriation;
- Financial risks- e.g. accuracy and timeliness of financial information, adequacy of reserves and cash flow, diversity of income sources, investment management;
- External risks- e.g. public perception and adverse publicity, demographic changes, government policy.
- Compliance with law and regulation- e.g. breach of trust law, employment law, and regulative requirements of particular activities such as fund-raising or the running of care facilities.

#### Principal Risks and Uncertainties

The organisation is fully dependent on grants and contracts for income and the reduction in funding from Central and Local Government to the Bureau resulted in the Board and Staff taking necessary action to plan for financial stability and sustainability. On an ongoing basis the main risk facing the organisation will be incoming revenue streams.

# **Company Limited by Guarantee**

# Trustees' Annual Report (Incorporating the Director's Report) (continued)

### Year ended 31 March 2022

The Board meets every 6 weeks and reviews the financial sustainability of all projects taking appropriate steps to ensure that there is no financial exposure or risk. We have established timelines for all projects and engage with funders early in the process for extension funding.

#### Coronavirus

In the spring of 2020 the UK was impacted heavily as a result of the Covid-19 virus pandemic. The Officers of the Trustee Board met fortnightly with the General Manager and Company Secretary to review the situation and any risk posed to staff and the financial sustainability of the organisation. This fortnightly meeting was in addition to regular full Board Meetings. As the Bureau was able to carry on advising clients albeit not face to face and was in receipt of public funds that were not going to be reduced as a result of the pandemic there was considered to be no financial risk. The impact of Coronavirus and the organisations response was maintained throughout 2021/22.

### Related Parties

The Company is a member of Citizens Advice Scotland and follows their procedures and is audited to ensure that it follows recognised procedures and that the quality of the service is satisfactory.

#### **Objectives and activities**

The Inverness Badenoch and Strathspey Citizens Advice Bureau is a fully independent registered charity with its own Trustee Board. The bureau is a member of the national Citizens Advice Association. The aims of Citizens Advice are:-

To ensure that individuals do not suffer through lack of knowledge of their rights and responsibilities or of the services available to them, or through an inability to express their needs effectively.

#### And equally

To exercise a responsible influence on the development of social policies and services, both locally and nationally.

The Citizens Advice service is independent and provides free, confidential and impartial advice to everybody regardless of race, sex, disability or sexuality.

The main objectives and activities for the year continued to focus upon the giving of advice, empowering clients to solve their issues and acting as advocates or negotiators for those more vulnerable clients.

In the year ended 31st March 2022 the organisation distributed grants of £911,263 (2021 - £891,424) – Note 12 to other Citizens Advice Bureaux and Citizens Advice Scotland. These grants were distributed as the Charity was the Lead Bureau in consortiums with Funders for a number of projects and this represented those institutions share of the Grant award.

### Achievements and performance

#### Advice and Information

The Citizens Advice service acts both as a first point of contact and a last resort for people. There would be a greater call on Government and other services for assistance without it, and those who need help to negotiate their way through the complex systems and processes of modern life would be at greater risk of poverty and social exclusion.

The Citizens Advice service helps people to resolve their:

- Legal Problems
- Discrimination Issues
- Money or Debt Problems

# **Company Limited by Guarantee**

# Trustees' Annual Report (Incorporating the Director's Report) (continued) Year ended 31 March 2022

- Benefit Issues
- Family Law Matters
- Employment Issues and Disputes

An indication of the volume and type of advice given in the year is shown below.

Advice Area	Number	(%)

Total Contacts 2021/22		100%
	28,975	~
Total Contacts 2020/21	26,264	

The Bureaux, through its trained staff can inform clients using our vast resource of literature, leaflets, computerised reference system or specialist caseworkers to ensure that the client receives all the information and options to enable them to make decisions.

Access to the service is either through emergency drop in, appointment, telephone, letter or email. The Bureaux also has a very close relationship with other professional services and accepts referrals from these organisations. The Board is continually reviewing improving access to the service.

# **Company Limited by Guarantee**

# Trustees' Annual Report (Incorporating the Director's Report) (continued)

### Year ended 31 March 2022

#### **Financial review**

Against the backdrop of limited resources and insecurities over funding it has been increasingly difficult to plan and develop future services. The main finding is received from the Highland Council and the existing contract which covers the period 1/4/18 to 31/3/21 has been extended to 31/3/23. This present contract is for Advice and Information services across Highland Council regional area and resulted in subcontracts being issued to other Citizens Advice Bureaux across Highlands. Nevertheless the charity, with the support of the Board, Volunteers and Staff has ensured that Bureaux is in a healthy financial position. The Bureaux in Highland have commenced work preparing for the next contract award process.

### Principal Funding Sources

The Bureaux is solely dependent upon Grants from Organisations and it is the ability to retain these income streams that will affect the charity going forward. The details of the Income are shown later on in the Accounts. The Board records its gratitude to the Highland Council, Macmillan Cancer, NHS Highland, the Scottish Government and all other funders for their support. Without these grants the service would not exist.

### Investment Policy

Previously any amounts of excess "cash funds" held are invested through the Royal Bank of Scotland. However this policy changed in 2021/22 as a result of a review by the Board and excess funds are managed and invested by ABRDN PLC

#### Reserves Policy

The Board has examined the charity's requirements for reserves in light of the risks to the organisation. It has established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets held by the charity should be between 3 and 6 months of the expenditure.

Budgeted unrestricted and non-grant funding expenditure for 2022/23 is £542,111 (2021 - £540,660) and therefore the target is £135,528 to £271,056 (2021 - £135,165 to £270,330) in general funds. These reserves are needed to meet the working capital requirements of the charity. The present level of unrestricted reserves available to the charity is £1,289,843 (2021 - £1,093,557) and therefore meets this policy.

In addition to this the charity deems it prudent to hold provisions amounting to £580,000 in relation to the possibility of reduction or cessation of core funding, redundancies, business continuation, pay awards, price pressures and building renovations repairs. This leaves £438,787 of unrestricted free reserves which we are looking at how best to utilise to the further the charity's purposes.

#### Results

The results for the year and the charity's financial position are shown in the attached financial statements. The charity has achieved a surplus £190,665 (2021 - £134,407), of which £132,521 (2021 - £164,464) surplus relates to unrestricted funds and £58,144 surplus (2021 - £30,057 deficit) relates to restricted funds before transfers between funds.

At 31 March 2022, total reserves amounted to £2,345,893 (2021 - £2,155,228) of which £2,021,686 (2021 - £1,821,774) are unrestricted and £324,207 (2021 - £333,454) are restricted. Of the unrestricted reserves £1,296,916 (2021 - £1,093,557) are not tied up in fixed assets or long term liabilities.

# **Company Limited by Guarantee**

# Trustees' Annual Report (Incorporating the Director's Report) (continued)

# Year ended 31 March 2022

### Plans for future periods

These are detailed in the Charity's Business Plan but can be summarised as follows:-

### Staffing Levels

- Increase Volunteer General Advisors to 90 by 31 March 2024.
- Increase Specialist Advisers in Money Advice, Welfare Rights, Employment and Housing Matters.
- Employ and sustain dedicated Training Manager on full-time hours with a small team of support trainers.

#### Service Consolidation

- Protect Raigmore Outreach Advice Service.
- Sustain the Aviemore bureau service and outreach services.

#### Service Developments

- Expand other bureaux participation in Highland Call Centre for Telephone Advice.
- Improve access to service through Satellites, increased opening hours and information kiosks/e-Government.

### IT & Premises Developments

Replace all IT equipment by the end of 2025 and then keep in place rolling programme for future replacements.

#### Trustees' responsibilities statement

The trustees, who are also directors for the purposes of company law, are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and the incoming resources and application of resources, including the income and expenditure, for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

# **Company Limited by Guarantee**

# Trustees' Annual Report (Incorporating the Director's Report) (continued) Year ended 31 March 2022

#### **Auditor**

Each of the persons who is a trustee at the date of approval of this report confirms that:

- so far as they are aware, there is no relevant audit information of which the charity's auditor is unaware; and
- they have taken all steps that they ought to have taken as a trustee to make themselves aware of any relevant audit information and to establish that the charity's auditor is aware of that information.

The auditor is deemed to have been re-appointed in accordance with section 487 of the Companies Act 2006.

### **Small company provisions**

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

The trustees' annual report was approved on 15/9/22 and signed on behalf of the board of trustees by:

A Christie

**Charity Secretary** 

### **Company Limited by Guarantee**

# Independent Auditor's Report to the Members of Inverness Badenoch and Strathspey Citizens Advice Bureau

### Year ended 31 March 2022

### **Opinion**

We have audited the financial statements of Inverness Badenoch and Strathspey Citizens Advice Bureau (the 'charity') for the year ended 31 March 2022 which comprise the statement of financial activities (including income and expenditure account), statement of financial position, statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2022 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and regulation 8 of the Charities Accounts (Scotland) Regulations 2006 (as amended).

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and the provisions available for small entities, in the circumstances set out in note 32 to the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

# **Company Limited by Guarantee**

# Independent Auditor's Report to the Members of Inverness Badenoch and Strathspey Citizens Advice Bureau (continued)

### Year ended 31 March 2022

#### Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

### Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the trustees' report has been prepared in accordance with applicable legal requirements.

# Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 and the Charities Accounts (Scotland) Regulations 2006 (as amended) requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the directors' report and from the requirement to prepare a strategic report.

# **Company Limited by Guarantee**

# Independent Auditor's Report to the Members of Inverness Badenoch and Strathspey Citizens Advice Bureau (continued)

### Year ended 31 March 2022

### Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement, the trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

As part of the audit planning process, the engagement partner and the engagement team obtained an understanding and discussed the legal and regulatory frameworks that are applicable, focusing on those laws and regulations that had a direct effect on the financial statements or that had a fundamental effect on the operations of the company. The key laws and regulations we considered in this context included Companies Act 2006, Financial Report Standard 102 (FRS 102), employment and tax laws and health and safety legislation.

The engagement partner and the engagement team discussed non-compliance with laws and regulations at the audit team planning meeting. The engagement partner made enquiries of management regarding their assessment of the likelihood of fraud or error or non-compliance with laws and regulations which could lead to material misstatements in the financial statements and whether they were aware of any instances of fraud or non-compliance. The engagement partner was satisfied that the engagement team had the appropriate competence and capabilities to identify or recognise non-compliance with laws and regulations during the audit.

The engagement team also enquired of management as part of the audit, including obtaining and reviewing supporting documentation and reading minutes of meetings of those charged with governance. The engagement team did not identify any key audit matters relating to irregularities, including fraud.

Part of the engagement team's assessment of non-compliance with laws and regulations included a review of the risk of management override of controls. This was carried out by reviewing journals posted to the financial records and reviewing accounting estimates identify any material misstatement which may be due to fraud.

# **Company Limited by Guarantee**

# Independent Auditor's Report to the Members of Inverness Badenoch and Strathspey Citizens Advice Bureau (continued)

### Year ended 31 March 2022

The audit team also considered whether there could be fraudulent revenue recognition. This was carried out by reviewing the revenue recognition policies, testing of material revenue streams and testing cut off at the year end date.

The disclosures in the financial statements were reviewed and tested to supporting documentation to assess compliance with applicable laws and regulations. A Disclosure Check was carried out to confirm that the financial statements comply with current accounting requirements.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to
  fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
  evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not
  detecting a material misstatement resulting from fraud is higher than for one resulting from error,
  as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override
  of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of expressing an
  opinion on the effectiveness of the internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the
  disclosures, and whether the financial statements represent the underlying transactions and
  events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

# **Company Limited by Guarantee**

# Independent Auditor's Report to the Members of Inverness Badenoch and Strathspey Citizens Advice Bureau (continued)

### Year ended 31 March 2022

### Use of our report

This report is made solely to the charity's members, as a body, in accordance with Regulation 10 of the Charities Accounts (Scotland) Regulations 2006. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

# **Company Limited by Guarantee**

# **Notes to the Financial Statements**

#### Year ended 31 March 2022

#### 1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in Scotland and a registered charity in Scotland. The address of the registered office is 29-31 Union Street, Inverness, IV1 1QA, Scotland.

### 2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

### 3. Accounting policies

#### **Basis of preparation**

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

### Going concern

Due to confirmed funding agreements and the charity's strong financial position there are no material uncertainties about the charity's ability to continue.

### Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

#### **Fund accounting**

Funds held by charity are either

Unrestricted general funds -

General funds - General funds are unrestricted funds which are available for use at the discretion of the directors in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Designated funds - Designated funds comprise unrestricted funds that have been set aside by the directors for particular purposes.

Restricted funds - these are funds which can be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular purposes.

### **Company Limited by Guarantee**

### Notes to the Financial Statements (continued)

#### Year ended 31 March 2022

### 3. Accounting policies (continued)

### Incoming resources

All incoming resources are included in the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Voluntary income is received by way of grants, donations and gifts and is included in full in the Statement of Financial Activities when receivable. Grants that provide funding of a general nature are recognised where there is an entitlement, certainty of receipt and the amount can be measured with sufficient reliability. Investment income is recognised on a receivable basis. Income from charitable activities includes income recognised as earned (as the related goods or services are provided) under contract or where entitlement to grant funding is subject to specific performance conditions. Grant income included in this category provides funding to support programme activities and is recognised where there is entitlement, certainty of receipt and the amount can be measured with sufficient reliability.

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the
  contracted service. This is classified as unrestricted funds unless there is a contractual
  requirement for it to be spent on a particular purpose and returned if unspent, in which
  case it may be regarded as restricted.

# **Company Limited by Guarantee**

### Notes to the Financial Statements (continued)

#### Year ended 31 March 2022

### 3. Accounting policies (continued)

#### Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking
  activities that further its charitable aims for the benefit of its beneficiaries, including those
  support costs and costs relating to the governance of the charity apportioned to charitable
  activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

### **Tangible assets**

All fixed assets are initially recorded at cost. The directors set the threshold for the capitalisation of assets at £200.

#### **Depreciation**

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Land and buildings - 2% straight line
Plant and Machinery - 33% straight line
Fixtures and Fittings - 33% straight line
Office Equipment - 33% straight line

### Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date. For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

# **Company Limited by Guarantee**

### Notes to the Financial Statements (continued)

#### Year ended 31 March 2022

### 3. Accounting policies (continued)

### **Financial instruments**

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments, which include debtors, bank and cash balances and creditors are initially recognised at the transaction price, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Where investments in shares or preference shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment. Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised. Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

#### **Defined contribution plans**

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.

#### **Termination benefits**

Termination benefits are recognised as an expense in income or expenditure immediately. Termination benefits are recognised as a liability and expense only when the company is demonstrably committed either to terminate the employment of an employee or group of employees before the normal retirement date or to provide termination benefits as a result of an offer made in order to encourage voluntary redundancy.

### 4. Limited by guarantee

The company is limited by guarantee and has no share capital. The liability of each member in event of the company being wound up is restricted to £1.

#### 15. Staff costs

The total staff costs and employee benefits for the reporting period are analysed as follows:

2022	2021
£	£
959,331	982,310
76,448	74,845
51,997	52,087
-	3,690
1,087,776	1,112,932
	£ 959,331 76,448 51,997

During the year termination payments of £nil (2021 - £3,690) were paid to no (2021 - one) members of staff. This was funded from the charity's general reserves.

Pension costs are allocated to projects by employee.

The average head count of employees during the year was 48 (2021: 48). The average number of full-time equivalent employees during the year is analysed as follows:

	2022	2021
•	No.	No.
Number of staff	37	37

The number of employees whose remuneration for the year fell within the following bands, were:

		2022	2021
		No.	No.
£60,000 to £69,999	,	1	1

### **Key Management Personnel**

Key management personnel include all persons that have authority and responsibility for planning, directing and controlling the activities of the charity. The total compensation paid to key management personnel for services provided to the charity was £127,287 (2021:£135,368).

### 16. Trustee remuneration and expenses

No trustee received any remuneration during the year nor were any reimbursed for any expenses incurred during the year (2021 - £nil).

# **Company Limited by Guarantee**

### Notes to the Financial Statements (continued)

#### Year ended 31 March 2022

### 26. Analysis of charitable funds (continued)

#### **Fixed Asset Fund**

This is where we have been gifted or provided equipment mainly for IT services. In recent years the majority of funding has come through Citizens Advice Scotland (CAS).

### **Macmillan Project**

This is funding to provide casework services mainly in the area of benefits to clients or their families where a cancer diagnosis has been made. The Project is mainly funded by MacMillan Cancer Support.

### **Highland Diversity Project**

Funding is from the Scottish Government via Voluntary Action Fund and provides for 1 FTE caseworker to assist clients that feel that their rights have been infringed as a result of being a member of a protected characteristic group as defined by the Equalities Act 2010.

#### **PASS**

Provides for funding for 4 caseworkers across Highland to help clients wishing to progress complaints against statutory agencies in connection with NHS treatment. Funding is from Scotlish Government via Citizens Advice Scotland.

#### **CAS - Welfare Reform**

Funding is from the Scottish Government via Citizens Advice Scotland. 1 FTE caseworker across Inverness, Badenoch and Strathspey to assist clients with welfare rights issues.

### Ward Discretionary Budget - Grantown

Awarded by Badenoch and Strathspey Highland Councillors towards start-up refurbishment costs of a small office in Grantown-on-Spey.

### **Pension Wise**

Funded by Westminster Government - provides for 1 FTE caseworker to explain options to clients around their defined benefit pension schemes - targeted at 54+ year olds.

#### **RSL Project**

Funded by the Big Lottery - to help tenants access financial advice, prevent transition into debt and improve monetary capabilities.

#### Robertson Trust

Funded by the Robertson Trust to provide housing advice services.

# The Highland Council - Union Street

The Highland Council contributed £281,000 towards the purchase of 29-31 Union Street and 15, 17, 19 and 21 Baron Taylor Street. The Highland Council hold a standard security over the property in relation to this grant and should the property be sold within 15 years the Highland Council may be entitled to clawback part of the grant.

# **Company Limited by Guarantee**

### Notes to the Financial Statements (continued)

### Year ended 31 March 2022

### 26. Analysis of charitable funds (continued)

#### **Access to Work**

To provide specialist equipment for members of staff with disabilities.

### **Inverness City Heritage**

Building repair grant to go towards the cost of windows/glazing and roof repairs in 29-31 Union Street and 15, 17, 19 and 21 Baron Taylor Street property.

### **Changeworks - Scottish Power**

This Project works in partnership with Changeworks where they provide Energy Advice and we work with clients to maximise their benefits or deal with any debt matters.

#### **Pension Wise - Call Centre**

This delivers Pension guidance to clients across the UK as part of a National Call Centre delivery channel.

### Help to Claim - Multi Channel Hub

This delivers advice, information and Pension guidance to clients on dealing with making ta new Universal Credit Claim and supports clients through to when they receive their first payment. Clients come from across the Country and are part of a National Call Centre delivery channel.

#### CAS - Money Talk Team - Multi Channel Hub

The Project aims to advise low income families to seek money and income maximisation advice to improve their outcomes this advice is delivered face to face.

### CAS - Money Talk Team - Face 2 Face

The Project aims to advise low income families to seek money and income maximisation advice to improve their outcomes this advice is delivered predominantly by telephone via part of a National Call Centre

#### **CAS - Universal Support Help to Claim Pilots Projects**

The Project was to test and evaluate whether Universal Credit had any significant rural issues in addition to what was already identified. The outcome was that the issues previously reported and captured by the CAB Network were still the main challenges i.e. connectivity, social isolation, stigma of claiming benefit and transport costs.

### **CAS - Short Term Debt**

This was additional support through January to March 2019 top advise clients in debt.

#### **CAS - EU Settlement**

This project is to support EU Nationals looking to remain and work in the UK post the UK exit from the European Union.

# **Company Limited by Guarantee**

### Notes to the Financial Statements (continued)

### Year ended 31 March 2022

### 26. Analysis of charitable funds (continued)

#### **CAS - Gamble Aware**

The project delivers training to frontline workers to help them recognise when people are at risk of, or experiencing, gambling harms. It also supports people in accessing specialist support and treatment services and it aims to raise awareness of gambling harms in Great Britain.

# **CAS - Scottish Government Debt Impact Funding**

Short Term Funding to increase capacity within Bureau to support clients with money advice.

### **CAS - Covid-19 DBEIS**

To enable the continuation of the provision of services during the pandemic both in terms of office equipment, ppe and to enable home working where appropriate.

### **Highland Alcohol and Drugs Partnership**

To provide advice services to clients working with referral organisations in the HADP to access Money Advice, Benefits Advice and Housing Advice.

### **Scottish Government Wellbeing Fund**

To enable the continuation of the provision of services during the pandemic both in terms of office equipment, ppe and to enable home working where appropriate.

#### Home Office - EU Settlement

To promote the EU Settlement Scheme and support clients through the registration process.

#### **Corra Foundation**

To support vulnerable clients who may also have a mental health diagnosis or addiction to claim benefits and sustain housing tenancy.

### **Changeworks - Eon**

Working in partnership with Changeworks where the Bureau provides benefit and debt advice and Changeworks provide energy advice.

### **CAS - Scottish Government Post Christmas Debt Funding**

Short term additional funding to provide targeted advice to clients over a 5 month period.

#### **CAS - Fair Work in Action**

To second tier support to Bureau across Scotland in Employment advice matters.

### **PRS Housing Project - Safe Deposits**

The project aims to increase capacity and early access to a fully responsive, holistic, person-centred specialist housing, debt and income maximisation advice service for all private rented sector (PRS) tenants in the Inverness, Badenoch & Strathspey area.

# **Company Limited by Guarantee**

# Notes to the Financial Statements (continued)

### Year ended 31 March 2022

### 26. Analysis of charitable funds (continued)

### **Nationwide**

The Project will deliver a specialist and holistic advice and representation service to vulnerable Private Rented Sector (PRS) tenants and homeowners.

### **Inverness Foodstuff**

Advice to clients who attend the food support service provided by Ness Bank Church.

### **Kickstart**

Employability scheme to support young workers.

### **Highland Employment Recruitment Officer (HERO)**

Employability scheme to support young workers.
