If at any time and for any reason any insurance required to be maintained under this document shall not be in full force and effect for any reason other than that set out in paragraph 8(A), then, without prejudice to the rights of the Bank and each Finance Party under Clauses 8.5, 20.1 or 20.2 of the Agreement, the Bank shall thereupon, or at any time whilst the same is continuing, be entitled to procure such insurance at the expense of the Borrower and, without prejudice to any other obligations of the Borrower under the Finance Documents, require the Borrower to take all such steps to minimise hazard as the Bank may consider expedient or necessary after consulting the Bank Insurance Consultant.

6. **CHANGES IN CIRCUMSTANCES**

- (A) **Increases in amounts:** Without prejudice to the provisions of paragraph 1 above and paragraph 7 below, if since the most recent Review Date the Bank, after consulting the Bank Insurance Consultant, in its opinion considers as a result of any change in circumstances the amounts and/or deductibles referred to in paragraph 7(A)(2) below to be inadequate or inappropriate, as the case may be, and that it would materially prejudice the interests of any Finance Party under the Finance Documents to wait until the procedure provided for in paragraph 7 is concluded, the Bank may by written notice to the Borrower require that insurances be effected in the amounts and with the deductibles specified in such notice with effect from the date of receipt of such notice by the Borrower or, in the light of prevailing market conditions, as soon as practicable thereafter, until the following Review Date.
- (B) **Borrower to effect increased insurances:** The Borrower shall, as soon as practicable following receipt of such notice from the Bank, procure in accordance with the terms of such

notice and in the amounts and with the deductibles specified in such notice, such insurance to be effected as from the date of receipt of such notice or, if unable to effect such insurance in the light of prevailing market conditions, as soon as practicable thereafter.

7. **PROCEDURE FOR AGREEING AND DETERMINING INSURANCE**

(A) **Reviews of amounts and scope of insurances:** The Borrower shall, no later than the date (each, in this document, a **Borrower's Proposal Date**) falling 60 Business Days prior to the renewal or expiry date in respect of each material insurance, deliver to the Bank and the Bank Insurance Consultant a notice stating the Borrower's proposals as to:

- (1) the changes (if any) since Financial Close or the previous Borrower's Proposal Date (if later) with regard to that insurance (in this document, the **Relevant Insurance**) in the risks or liabilities to be insured pursuant to this document;
- (2) (a) the replacement value of all assets required to be insured pursuant to the Relevant Insurance on a replacement value basis, in such detail as the Bank (in consultation with the Bank Insurance Consultant) may reasonably require;
- (b) the insured amounts in respect of all other risks required to be insured pursuant to the Relevant Insurance; and
- (c) the amount of the deductibles applicable to the Relevant Insurance;

in each case, for the period of twelve months (or such other period as may be agreed between the Borrower and the Bank) following the date (in this document, the **Review Date**) falling 60 Business Days after the relevant Borrower's Proposal Date (each such period, in this document an **Insurance Period**) together with information showing in reasonable detail how the same are calculated and any other information relating thereto reasonably required by the Bank (in consultation with the Bank Insurance Consultant).

(B) **Review by Bank Insurance Consultant:** The Bank shall, upon receipt of any proposal under sub-paragraph (A) above, instruct the Bank Insurance Consultant to consider the same and to advise the Bank within 15 Business Days (or such other period as the Bank may agree) after such receipt, whether or not it agrees with such proposals or notices.

(C) **Agreement of proposals:** Within 7 Business Days of receiving such advice from the Bank Insurance Consultant, the Bank shall inform the Borrower whether or not the relevant proposal is agreed in whole or in part. If any proposal is not so agreed in whole, the Bank (after consulting the Bank Insurance Consultant) shall, together with such notice, deliver to the Borrower counter-proposals provided that no approach shall be made to the insurance market without prior advice to the Borrower) with regard to any part of the Borrower's proposal not so agreed and any other matter referred to in sub-paragraph (A) above which in the Bank's opinion (after consulting the Bank Insurance Consultant) should have been contained in such Borrower's proposal. Within 5 Business Days of receiving such notice, the Borrower shall inform the Bank whether such counter-proposals are agreed in whole or in part. If any proposal or counter-proposal is not so agreed in whole, the Bank Insurance Consultant (acting on behalf of each Finance Party) and a firm of insurance brokers appointed by the Borrower shall negotiate in good faith for a further period of 5 Business Days after the date on which the Bank is informed that its counter-proposals are not agreed

with a view to resolving the matter in a manner acceptable to the Bank (after consulting the Bank Insurance Consultant) and the Borrower.

- (D) **Determination by the Bank:** If the Bank Insurance Consultant and such insurance brokers are unable so to resolve the matter within the said further period of 5 Business Days, the dispute shall be determined by the Bank within 10 Business Days of the expiry of such period. The Bank shall, in determining such dispute, have regard to the insurances (including, among other things, the scope of cover, the amount insured and the applicable deductibles) which would be effected by a prudent operator of a business similar to that of the Borrower and taking into account, among other things, market availability in respect of risks, liabilities and amounts of insurances, the financial position of the Borrower and the interests of each Finance Party under the Finance Documents. For the avoidance of doubt, the Bank shall be entitled to agree to the Borrower self-insuring specified risks to the extent which, in the opinion of the Bank, is prudent in the light of all the circumstances.
- (E) **Failure to notify the Bank:** If the Borrower fails to deliver any notice referred to in paragraph 7(A) by the Borrower's Proposal Date, the Bank (after consulting the Bank Insurance Consultant) may specify any change, whether of amount or otherwise, required under sub-paragraph (A) above, such change to be included in a notice thereunder with regard to the relevant Insurance Period delivered to the Borrower, and paragraph 7(F) below shall apply, mutatis mutandis, to the matters specified in such notice as if they had been determined by the Bank under paragraph 7(D).
- (F) **The Borrower to effect appropriate insurances:** Forthwith upon receipt of notice from the Bank of any agreement or determination under paragraph 7(C), 7(D) or 7(E), the Borrower shall insure against the risks, in the amounts, and with the deductibles so agreed or determined, with effect from the Review Date immediately following the Borrower's Proposal Date and throughout the Insurance Period immediately following that date or, if unable to effect such insurance in the light of prevailing market conditions, as soon as practicable thereafter.
