8 Powers on Enforcement

- 8.1 An Administrator will have all the powers given to him under the Insolvency Act.
- 8.2 A Receiver shall have and be entitled to exercise all the powers set out in Schedule 2 to the Insolvency Act.
- 8.3 By way of addition to and without limiting any other powers referred to in this clause a Receiver shall have power (both before and after the commencement of any liquidation of the Client):
 - 8.3.1 to make any compromise or arrangement which IGF or such Receiver may think fit;
 - 8.3.2 to exercise all powers and rights under any contract of agreement forming part of the Charged Assets including, without limitation, all voting and other rights attaching to securities owned by the Client;
 - 8.3.3 to exercise all powers conferred by the Insolvency Act on receivers appointed in England and Wales in respect of any of the Charged Assets located in England and Wales;
 - 8.3.4 to do any thing or exercise any right which the Client would have been entitled to do or exercise if no Receiver had been appointed; and
 - 8.3.5 to do all other acts and things which such Receiver in his absolute discretion considers necessary or desirable for maintaining or enhancing the value of any Charged Assets or for or in connection with the enforcement of this Floating Charge or the realisation of any Charged Assets,

and may use the name of the Client in connection with any exercise of such powers.
- 8.4 At any time after the security given by this Floating Charge has become enforceable, IGF may redeem any prior Security against the Charged Assets or procure a transfer of such Security to itself and may agree the accounts of the person entitled to that Security and any accounts so agreed will be binding on the Client. Any money paid by IGF in connection with a redemption or transfer of a prior encumbrance will form part of the Secured Obligations and shall be payable on demand.
- 8.5 If any Receiver or any of its delegates takes possession of any Charged Assets it may deal with such Charged Assets as it shall see fit.

9 Delegation of powers by receiver

- 9.1 IGF and any Receiver may from time to time delegate by power of attorney or in any other manner to any person any powers which are for the time being exercisable by IGF or the Receiver under this Floating Charge in relation to any Charged Assets and any such delegation may be made upon such terms as IGF or such Receiver may think fit.
- 9.2 Neither IGF nor any Receiver shall be in any way liable or responsible to the Client for any loss or damage arising from any act or omission on the part of any such

delegate unless such loss or damage is caused by the fraud or gross negligence of the delegate.

10 Reimbursement and indemnity

Any money paid by IGF or any Receiver:

- 10.1 as a result of IGF or any Receiver taking action which IGF or any Receiver considers necessary or desirable in connection with any Charged Assets or to procure compliance with any obligation of the Client in this Floating Charge; or
- 10.2 in respect of any action or thing expressed in this Floating Charge to be done at the cost of the Client and all costs, fees, taxes and expenses incurred by IGF or any Receiver under or in connection with this Floating Charge or its enforcement and/or the preservation of IGF's rights under this Floating Charge

shall be reimbursed by the Client to IGF on demand.

11 Application of sums realised

- 11.1 All money received by IGF or any Receiver under this Floating Charge will be applied in the following order:
 - 11.1.1 first, in or towards payment of liabilities having priority to the Secured Obligations;
 - 11.1.2 secondly, in or towards payment of all costs, charges and expenses incurred in or incidental to the exercise or performance (or attempted exercise or performance) by IGF of any of the powers or authorities conferred by or in any other way connected with this Floating Charge;
 - 11.1.3 thirdly, in or towards payment to the Receiver of his remuneration fixed in accordance with this Floating Charge;

12 Protection of persons dealing with IGF or receiver

No person dealing with IGF or any Receiver will be concerned to enquire:

- 12.1 whether any event has happened upon which any of the powers conferred by this Floating Charge may have arisen or be exercisable;

12.3 whether any Secured Obligations remain owing.

13 Appropriation and Suspense Account

13.1 IGF may apply all payments received in respect of the Secured Obligations in reduction of any part of the Secured Obligations as it thinks fit. Any such appropriation shall override any appropriation by the Client.

13.2 All monies received, recovered or realised by IGF under, or in connection with, this Floating Charge may at the discretion of IGF be credited to a separate interest bearing suspense account for so long as IGF determines (with interest accruing thereon at such rate, if any, as IGF may determine for the account of the Client) without IGF having any obligation to apply such monies and interest or any part thereof in or towards the discharge of any of the Secured Obligations.

14 Notice of subsequent charge

If IGF receives notice of any Security or other interest affecting any Charged Assets other than a Permitted Security Interest:

14.1 it may open a new account for the Client in its books and may transfer any outstanding balance owing by the Client to such new account;

14.2 if IGF does not open a new account then, unless it gives express written notice to the contrary to the Client, all payments made by the Client to IGF will as from the time of receipt of such notice by IGF be treated as having been credited to a new account of the Client and not as having been applied in reduction of the Secured Obligations.

15 Payments

15.1 If a payment is made to IGF or any Receiver under this Floating Charge in a currency (**Payment Currency**) other than the currency in which it is expressed to be payable (**Contractual Currency**), IGF may convert that payment into the Contractual Currency at the rate at which it (acting reasonably and in good faith) is able to purchase the Contractual Currency with the Payment Currency on or around the date of receipt of the payment and to the extent that the converted amount of the payment falls short of the amount due and payable the Client will remain liable for such shortfall and such shortfall shall form part of the Secured Obligations.

15.2 Any certificate signed by IGF as to any amount payable under this Floating Charge at the date of such certificate shall, in the absence of manifest error, be conclusive evidence of such amount and be binding on the Client.

15.3 All amounts payable by the Client under this Floating Charge will be paid in full without set off or other deduction.

15.4 IGF may at any time without notice set-off against any Secured Obligations any amount owed by it to the Client. IGF may effect such set-off by transferring all or

any part of any balance standing to the credit of any of the Client's accounts with it to any other account or by combining or consolidating such accounts.

16 Costs and Expenses

16.1 The Client shall promptly on demand pay to IGF the amount of all reasonable costs, charges and expenses (including, without limitation, reasonable legal fees, valuation, accountancy and consultancy fees (and any VAT or similar Tax thereon)) reasonably incurred by IGF in connection with:

16.2.1 all professionals' fees (including VAT) and any other costs, charges or expenses (on a full indemnity basis) incurred by IGF and any Administrator or Receiver; or

16.2.2 any charge levied by IGF to compensate it for additional administrative time not reasonably anticipated to be incurred by it on the date of this Floating Charge at a rate commensurate with the complexity of the matter;

in either case, in connection with the actual or attempted completion, preservation, defence or enforcement of this Floating Charge or the preservation or disposal of any Charged Assets or the exercise of any power under this Floating Charge or any amendment, waiver, consent or release of this Floating Charge.

17 Indemnity and Exclusion of Liability

17.1 The Client shall promptly indemnify IGF and every Receiver and any of their delegates (each an Indemnified Person) against any cost, loss or liability together with any associated VAT incurred by any of them as a result of:

- (a) the taking, holding, protection or enforcement of this Floating Charge;

17.3 Neither IGF nor any Receiver shall be liable in respect of all or any part of the Charged Assets or for any loss or damage which arises out of the exercise or the

attempted or purported exercise of, or the failure to exercise any of, their respective powers unless such loss or damage is caused by its gross negligence or wilful acts of default and recklessness.

- 17.4 The Client may not take proceedings against any officer, employee or agent of IGF in respect of any claim it might have against IGF or in respect of any act or omission of any kind by that officer, employee or agent in relation to this Floating Charge and any officer, employee or agent of IGF may rely on this clause.

- 19.3 The provisions of this Floating Charge shall be severable and distinct from one another and if at any time one or more of such provisions is or becomes or is declared void, invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions of this Floating Charge shall not in any way be affected or impaired thereby.
- 19.4 No failure or delay by IGF in exercising any right or remedy under this Floating Charge shall operate as a waiver, and no single or partial exercise shall prevent further exercise, of any right or remedy. - 19.5 IGF may at any time assign or transfer the benefit of this Floating Charge (or all or any of its rights under this Floating Charge) to any person. The Client may not assign or otherwise transfer the benefit or burden of this Floating Charge (or all or any of its rights under this Floating Charge) without the prior written consent of IGF.
