- (c) amend any of the terms of the Subordinated Documents, in any way which, in the opinion of IGF (acting reasonably), is likely to have an adverse effect upon the interests of IGF in relation to the Senior Debt;
- (d) discharge any of the Subordinated Debt by set-off or any right of combination of accounts save only to the extent (i) it may be required to do so or if the same occurs automatically by operation of law (but not, in either case, by reason of any contract or agreement); or (ii) in connection with a Permitted Payment;
- (e) give any financial support to any person to enable it to do any of the things referred to in clause 4.1(a) to 4.1(d) (inclusive); or
- (f) take or omit to take any action whereby the ranking and/or subordination arrangements provided for herein in relation to the Subordinated Debt or any part thereof may be impaired or adversely affected.

4.2 During the Security Period, no Subordinated Creditor will:

- (a) other than in respect of any Permitted Payment in accordance with the terms of clause 5 (Permitted Payments), demand or accept payment, repayment, prepayment or any distribution in respect of, or on account of, any Subordinated Debt owed under the Subordinated Documents in cash or in kind or accelerate, declare payable on demand or enforce by execution or otherwise any principal, interest, cost or other sums in respect of the Subordinated Debt owed under the Subordinated Documents or part thereof;
- (b) other than in respect of any Permitted Payment in accordance with the terms of clause 5 (Permitted Payments), exercise any right of set-off, combination of accounts or lien or exercise or accept any transfer of rights, property or assets from any of the Group Companies (or any other source) in satisfaction of the Subordinated Debt owed under the Subordinated Documents or part thereof;
- (c) claim or rank as a creditor in the insolvency, winding-up, bankruptcy or liquidation of any of the Group Companies, other than in accordance with clause 7 (Enforcement of security) or clause 9 (Insolvency Proceedings);
- (d) take, receive or permit to subsist any security right or any guarantee (or other assurance against financial loss) for, or in respect of, any Subordinated Debt, other than in terms of the Subordinated Security Documents entered into on or before the date of this Agreement;
- (e) amend, vary, waive or release any provision of the Subordinated Documents in any way which, in the opinion of IGF (acting reasonably), is likely to have an adverse effect upon the interests of IGF in relation to the Senior Debt;
- (f) sell, transfer or otherwise dispose of any of the Subordinated Debt unless the proposed transferee first agrees in writing with the Senior Creditors to be bound by the provisions of this Agreement;

- (g) take or omit to take any action whereby the ranking and/or subordination arrangements provided for herein in relation to the Subordinated Debt or any part thereof may be impaired or adversely affected.

4.3 During the Security Period, each Subordinated Creditor undertakes to each Senior Creditor that it shall comply with its obligations under this Agreement and (subject to such obligations) the Subordinated Documents.

5 Permitted Payments

5.1 Duality may, prior to the expiry of the IGF Security Period, make Permitted Payments if:

- (a) no breach of the financial covenants contained within the IGF Finance Agreements has occurred and is continuing; and
- (b) making the particular Permitted Payment will not result in Dyson or Gas Call breaching any of the financial covenants contained within the IGF Finance Agreements.

5.2 Duality may, following the expiry of the IGF Security Period, make payments to the Vendors in accordance with the Loan Note Instrument and any loan notes issued in connection with the Loan Note Instrument.

6 Continuing security

6.1 The Securities shall be continuing securities for repayment to the Creditors of the money and liabilities thereby secured and the priority arrangements herein contained shall not be affected by the date(s) of any advances made to any Group Company by any of the Creditors, by any fluctuations in the amount from time to time due owing or incurred by any Group Company to any of the Creditors or by the existence at any time of a credit or nil balance on any relevant account of the Group Company with any Creditor.

6.2 The provisions of this Agreement shall apply and the Securities shall be given effect in accordance with the terms of this Agreement notwithstanding (i) the date(s) of their creation, registration or intimation or (ii) the provisions of Sections 464 or 466 of the Companies Act 1985. The Securities are hereby varied to the extent specified in this Agreement and this Agreement shall be construed and receive effect as an instrument of alteration within the meaning of Section 466 of the Companies Act 1985.

7 Enforcement of security

7.1 Subject to clause 7.3, the Principals shall not take any Enforcement Action prior to the expiry of the Security Period without the prior written consent of the Senior Creditors.

7.2 Subject to clauses 7.3 and 7.4, the Vendors shall not take any Vendor Restricted Enforcement Action without the prior written consent of the Senior Creditors.

7.3 The restriction in clauses 7.1 and 7.2 shall not apply to the relevant Subordinated Creditors in respect of a Group Company if:

- (a) a court makes a winding-up order or an order for the dissolution or liquidation of such Group Company or a liquidator or an Administrator or equivalent is appointed to such Group Company, other than in any such case as a result of action taken by (or on behalf of) all or any of the Subordinated Creditors; and

- (b) either Senior Creditor has enforced the security conferred by the Senior Security Documents (or any of them) granted by such Group Company other than by the exercise by either Senior Creditor of any set-off or similar rights.

7.4 The restriction in Clause 7.1 shall not apply to the Vendors where:

- (a) there has been a failure to pay an amount due to the Vendors under the terms of the Loan Note Instrument or any loan notes issued in connection with the Loan Note Instrument (a **Vendor Payment Default**);
- (b) the Vendors have given notice to the Senior Creditors of their intention to take steps to enforce the Vendor Security Documents, such notice to refer to this clause (a **Vendor Enforcement Notice**);
- (c) a period of not less than 90 days has elapsed from the date of that Vendor Enforcement Notice (a **Vendor Standstill Period**); and
- (d) the Vendor Payment Default is continuing at the end of the Vendor Standstill Period.

7.5 CB shall not, without the prior written consent of IGF, take any steps to enforce the security constituted by the CB Floating Charge unless it has given IGF 10 Business Days' prior notice of its intention to enforce such security.

8 Vendor Shares Charge

8.1 Duality undertakes that it will not register any transfer of its shares to the Vendors (or any person in any way associated with the Vendors) under the terms of the Vendor Shares Charge or otherwise, unless all of the conditions in clause 7.4 (Enforcement of security) have been satisfied.

8.2 The Vendors confirm that they will not (nor will they cause any person associated with them to) present for registration or take any steps to transfer any shares in Duality under the terms of the Vendor Shares Charge or otherwise, unless all of the conditions in clause 7.4 (Enforcement of security) have been satisfied.

9 Insolvency proceedings

9.1 If an Insolvency Event occurs in respect of any Group Company during the Security Period then:

- (a) the Subordinated Debt will be postponed and subordinated to the Senior Debt;
- (b) any payment or distribution of any kind or character and all and any rights in respect of such payment or distribution, whether in cash, securities or other property, which is payable or deliverable upon or with respect to all or part of the Subordinated Debt by a liquidator, Administrator, or Receiver (or equivalent) of any Group Company or its estate made or paid to or received by any of the Subordinated Creditors or to which any of the Subordinated Creditors are entitled, will be held in trust by its recipient for the Senior Creditors and will immediately be paid or, transferred or assigned to IGF during the IGF Security Period and thereafter CB, for application in the order set out in clause 3 (Ranking of Securities) of this Agreement; and
- (c) if the trust referred to in clause 9.1(b) fails or cannot be given effect to, each Subordinated Creditor (and any agent or trustee on their behalf) receiving any such

payment or distribution will pay an amount equal to such payment or distribution to the Senior Creditors (as appropriate) for application in the order set out in clause 3 (Ranking of Securities) of this Agreement.

- 9.2 If, prior to the expiry of the Security Period, any Subordinated Creditor receives or recovers any proceeds of Enforcement Action or a payment or distribution in respect of the Subordinated Debt other than a Permitted Payment or in accordance with the ranking set out in clause 3 (Ranking of Securities), it will promptly pay such amount to IGF during the IGF Security Period and thereafter CB, for application in the order set out in clause 3 (Ranking of Securities) and, pending such payment, will hold these amounts and distributions on trust (or otherwise separated from its assets) on behalf of the Senior Creditors (and the Senior Creditors acknowledge notice of such trust).

10 Waiver of defences

- 10.1 The subordination effected or intended to be effected by this Agreement and the obligations of the Subordinated Creditors under it shall not be affected by any act, omission or circumstances which, but for this provision, might operate to release any of the Subordinated Creditors from their obligations or affect such obligations or such subordination, including, without limitation and whether or not known to the Subordinated Creditors or any other person:

- (a) any time, indulgence or waiver granted to, or composition with any Group Company or any other person;
- (b) the taking, variation, compromise, renewal or release of, or refusal or neglect to perfect or enforce, any rights, remedies or securities against or granted by any Group Company or any other person;
- (c) any unenforceability, illegality, invalidity or frustration of any obligation of any of the Group Companies under the Senior Documents or of any other person under any other document;
- (d) any amendment to or variation of the terms of the Senior Documents or any other document; and
- (e) any postponement, discharge, reduction, non-provability or other similar circumstance affecting any obligation of any Group Company under any of the Senior Documents resulting from any insolvency, liquidation or dissolution proceedings or from any law or regulation.

- 10.2 This Agreement shall apply in respect of the CB Debt and the IGF Debt irrespective of any intermediate payment of any of the CB Debt or the IGF Debt (as appropriate) and shall apply to the ultimate balance of the CB Debt and the IGF Debt.

- 10.3 Notwithstanding any of the provisions of this Agreement postponing, subordinating or delaying the payment of all or any of the Subordinated Debt, such Subordinated Debt shall, as between the relevant Group Company and the relevant Subordinated Creditor, remain owing or due and payable in accordance with the terms of the Subordinated Documents.

11 Termination

This Agreement shall cease to have effect when all of the Securities of the Creditors shall have been fully discharged.

12 The Company's acknowledgements

- 12.1 Each Group Company acknowledges and consents to the ranking of the Securities herein recorded.
- 12.2 Each Group Company acknowledges that this Agreement does not create any rights in its favour and that it shall not be entitled to enforce any of the terms of this Agreement against any of the Creditors.

13 Power of Attorney

- 13.1 Each Creditor (other than CB, IGF and the Vendors) and each Group Company irrevocably and severally appoints IGF to be its mandatory and attorney to take action and to do anything which that Creditor or Group Company (as applicable) has authorised IGF or any other party to do under this Agreement or is itself required to do under this Agreement (and IGF may delegate that power on such terms as it sees fit). Each Creditor (other than CB, IGF and the Vendors) and Group Company ratifies and confirms whatever any mandatory and attorney does or purports to do pursuant to its appointment under this clause 13.

14 Information

- 14.1 Whilst this Agreement subsists, the Senior Creditors and the Subordinated Creditors may from time to time disclose to the other(s) information concerning a Group Company and its affairs in such manner and to such extent as such Creditor shall from time to time think fit. Each Group Company consents to such disclosure.
- 14.2 Each Creditor acknowledges the right of the other Creditors to the production and delivery of copies of the documents comprising its Security.

15 Entire Agreement

- 15.1 This Agreement forms the entire agreement between the parties relating to the priority of their respective Securities and the application of the proceeds thereof and supersedes all previous ranking agreements of any kind between all or any of the Creditors in respect of all or any of the Securities, all earlier meetings, discussions, correspondence, e-mails, facsimile transmissions, letters and communications, understandings and arrangements of any kind so relating.

16 Waivers and consents

- 16.1 No forbearance or failure by any party to exercise or assert or claim any right or entitlement hereunder shall be construed (in the absence of a written agreement to waive or a written confirmation of a past waiver) as a waiver of that right or entitlement.
- 16.2 No waiver of any breach of any term of this Agreement shall (unless expressly agreed in writing by the waiving party) be construed as a waiver of a future breach of the same term or as authorising a continuation of the particular breach.
- 16.3 No term of this Agreement is enforceable by any person other than a Creditor and its respective successors in title. No purchaser dealing with any of the Creditors or any Administrator or Receiver shall be concerned in any way with the provisions of this Agreement and shall assume that any Creditor or any such Administrator or Receiver is acting in accordance with the provisions of this Agreement.

- 16.4 If, at any time, either Senior Creditor grants any consent, approval, release or waiver under the Senior Documents, the Principals shall be deemed to have given an equivalent consent, release or waiver under the relevant Subordinated Documents.

17 Variations

Any variation of this Agreement shall be binding only if it is recorded in a document signed by or on behalf of each Creditor.

18 Severability

The provisions of this Agreement shall be severable and distinct from each other and if at any time any one or more of such provisions is or becomes invalid, illegal or unenforceable, the validity, legality and enforceability of each of the remaining provisions of this Agreement shall not in any way be affected, prejudiced or impaired thereby.

19 Facilities

Nothing contained in this Agreement shall bind any Creditor to make any advance or prepayment or to grant any credit or other facilities to any Group Company.

20 Transfer and accession

- 20.1 The Group Companies shall not be entitled to assign, transfer or otherwise dispose of all or any of their rights, benefits and/or obligations under this Agreement.

- 20.2 No Creditor may at any time assign, transfer or otherwise dispose of all or any of their rights, benefits and/or obligations under its Security unless the proposed assignee or other transferee first agrees in writing with the other Creditors to be bound by the provisions of this Agreement.

21 Time and indulgence

Each Creditor shall be entitled to grant time or indulgence or to release or compound with a Group Company or otherwise deal with its Security without reference to the other Creditors except to the extent regulated by this Agreement.

22 Compensation

The Creditors hereby agree that if this Agreement is regarded by any one or more liquidators, Receivers or Administrators of the Company as failing to bind him or them, any party or parties who will have benefited as a result of any action by any one or more of such liquidators, Receivers or Administrators will forthwith compensate the party or parties who will have been correspondingly prejudiced to the extent it or they have been enriched and in accordance with the provisions as to ranking set out in clause 3 (Ranking of Securities).

23 Registration

- 23.1 The parties all consent to the registration of this Agreement for preservation.

- 23.2 The Creditors (where applicable) are responsible for any registration requirements which relate to Securities held by them and which are required to perfect or to give full effect to this Agreement, including registration as an alteration to a floating charge.

24 Costs and expenses

24.1 Transaction expenses

- (a) Duality shall, promptly on demand (or as otherwise agreed with the relevant Senior Creditor) pay each Senior Creditor the amount of all costs and expenses (including legal fees) (together with any applicable VAT) reasonably incurred by that Senior Creditor in connection with the negotiation, preparation, execution and perfection of this Agreement and any other documents referred to in this Agreement.
- (b) The other parties shall each be responsible for their own costs in connection with the negotiation, preparation, execution and perfection of this Agreement and any other documents referred to in this Agreement.

24.2 Amendment costs

If any party requests an amendment, waiver or consent, Duality shall, within 3 Business Days of demand, reimburse each Senior Creditor for the amount of all costs and expenses (including legal fees) (together with any applicable VAT) reasonably incurred by that Senior Creditor in responding to, evaluating, negotiating or complying with that request or requirement.

24.3 Enforcement and preservation costs

Duality shall, within 3 Business Days of demand, pay to each Senior Creditor the amount of all costs and expenses (including legal fees and together with any applicable VAT) incurred by it in connection with the enforcement of or the preservation of any rights under any Senior Document and any proceedings instituted by or against that Senior Creditor as a consequence of taking or holding the Senior Security Documents or enforcing these rights.

24.4 Interest

If any Group Company fails to pay any amount payable by it under this Agreement on its due date, interest shall accrue on the overdue amount (and be compounded with it) from the due date up to the date of actual payment (both before and after judgment and to the extent interest at a default rate is not otherwise being paid on that sum) at the rate which is 5% per annum over the Bank of England's base rate from time to time.
