**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 SEPTEMBER 2020**

1. STATUTORY INFORMATION

Diverse Products (Scotland) Ltd is a private company, limited by shares, registered in Scotland. The company's registered number is SC164608 and its registered office is 4th Floor, 115 George Street, Edinburgh EH2 4JN.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with the provisions of Section 1A "Small Entities" of Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Going concern

The company has cash resources and has no requirement for external funding. The directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future.

In their assessment of going concern the directors have considered the current and developing impact on the business as a result of the COVID-19 virus. This has not had a significant, immediate impact on the company's operations given the diverse range of products supplied by the company and the quality of its customers, many of whom are essential workers. The directors are aware that if the current situation becomes prolonged then this may change. Having regard to the above, the directors continue to believe it appropriate to adopt the going concern basis of accounting in preparing the financial statements.

Revenue recognition

Turnover is measured at the fair value of the consideration received or receivable.

Turnover is attributable to the sale of industrial products to construction, electrical and engineering companies, excluding value added tax, recognised when the goods are delivered to the customer.

Tangible fixed assets

Depreciation of fixed assets is calculated to write off the cost or valuation less any residual value over their estimated useful lives as follows:

Plant & machinery	20% reducing balance
Fittings & office equipment	10% - 25% on cost
Motor vehicles	25% reducing balance

Pension costs and other post-retirement benefits

The company contributes to employees personal pension plans. Contributions payable to the personal pension plans are charged to the profit and loss account in the period to which they relate.
