## Directors' report

The Directors present their report and accounts for the year ended 31 March 2005.

### Principal activity, review of the business and future prospects

The Glasgow Science Centre Charitable Trust ("the Company") is a recognised Scottish Charity and is a company limited by guarantee which does not have share capital. The liability of each member is limited by guarantee to the sum of £1. At 31 March 2005, the company had one member.

The principal activity of the Company is to hold shares in its subsidiary companies. The principal activities of the subsidiary companies, Glasgow Science Centre Limited and Glasgow Science Centre (Trading) Limited, are the operation of the Science Centre, including the catering and retail activities. Any surpluses from the activities of the subsidiary companies are contributed to the Company. The costs associated with operating the Company and its subsidiaries are met by a combination of earned revenues, fundraising and operating subsidies from its stakeholders.

In the view of the Directors it is estimated that capital expenditure on the project will be finalised during 2005 and no capital funding issues are anticipated.

Since the end of the financial year under review, a revenue funding package has been agreed between the Company and the Scottish Executive. On this basis, the Directors are content that the Company is a going concern.

### Results for the year

The result for the year is set out in the Consolidated Statement of Financial Activities on page 6.

### Dividends

The Memorandum and Articles of Association of the Company do not permit the payment of a dividend.

### Directors

The Directors of the Company during the year ended 31 March 2005 and since the year ended were those listed on page 1.

The Directors are also the Trustees of the company for charitable purposes.

### Risk commentary

The Directors meet on a regular basis to receive reports on a wide range of operational matters, including a comparison of actual financial performance against budget. Such reports allow the Directors to discuss fully and to examine critically the various issues facing the organisation.

The Company also maintains comprehensive insurances and works in partnership with its professional advisors to ensure that the exposure to all areas of risk is minimised as far as practicable.

## Directors' report

### Auditors

A resolution to reappoint Ernst & Young LLP as auditors will be put to the member at the Annual General Meeting.

On behalf of the Board of Directors

Sir Graeme Davies  
Director

20 June 2005

## Statement of Directors' responsibilities in respect of the accounts

Company law requires the Directors to prepare accounts for each financial period which give a true and fair view of the state of affairs of the company and of the income and expenditure of the company for that period. In preparing those accounts, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the accounts comply with the Companies Act. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## Independent auditors' report

### to the members of Glasgow Science Centre Charitable Trust

We have audited the group's accounts for the year ended 31 March 2005 which comprise the Consolidated Statement of Financial Activities, Consolidated Summary Income and Expenditure Account, Consolidated Balance Sheet, Company Balance Sheet and related notes 1 to 13. These accounts have been prepared on the basis of the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

### Respective responsibilities of Directors and auditors

As described in the Statement of Directors' Responsibilities the charity's Directors (who are also the trustees of the Glasgow Science Centre Charitable Trust) are responsible for the preparation of the accounts in accordance with applicable United Kingdom law and accounting standards.

Our responsibility is to audit the accounts in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards.

We report to you our opinion as to whether the accounts give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Directors' Report is not consistent with the accounts, if the charity has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding Directors' remuneration and transactions with the charitable group is not disclosed.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements with the accounts. Our responsibilities do not extend to any other information.

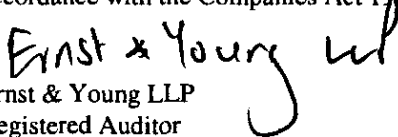

### Basis of audit opinion

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the accounts. It also includes an assessment of the significant estimates and judgements made by the Directors in the preparation of the accounts, and of whether the accounting policies are appropriate to the group's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the accounts are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the accounts.

### Opinion

In our opinion the accounts give a true and fair view of the state of affairs of the charitable company and of the group as at 31 March 2005 and of the incoming resources and application of resources of the group, including its income and expenditure, for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

## Notes to the accounts

at 31 March 2005

### 1. Accounting policies

#### *Fundamental accounting concept*

The financial statements have been prepared on a going concern basis, which assumes that the company will continue in operational existence for the foreseeable future and be able to meet its liabilities as they fall due.

Since the year end, the Company has agreed a funding package with the Scottish Executive. The Directors believe that this funding package together with the forecast earned revenues will allow the Group to meet all trading liabilities as they fall due. Therefore, the Directors are of the opinion that it is appropriate that these accounts are prepared on a going concern basis.

#### *Accounting convention*

The accounts are prepared under the historical cost convention modified to include the revaluation of freehold land and in accordance with applicable accounting standards and the Statement of Recommended Practice, Accounting by Charities. No cash flow statement has been prepared in accordance with the exemption for subsidiary undertakings where consolidated accounts which include the subsidiary group are available.

During the period covered by these accounts, the Company received an operating subsidy of £1,597,932 from Scottish Enterprise Glasgow. The Company also received a contribution to its capital project costs of £680,460 from the Glasgow Science Centre Endowment Fund, which is included within the "Capital Grants" figure of £1,338,473 shown on page 5 of the accounts. Scottish Enterprise Glasgow also allocated £245,000 of funding for capital renewals and enhancements in the year. The balance of the Capital Grants received is made up of £120,880 from the Scottish Executive for enhancing the Education Programme, and £292,133 from the Millennium Commission as Re-discover I funding.

#### *Basis of consolidation*

The group accounts consolidate the accounts of the company and its subsidiary undertakings Glasgow Science Centre Limited and Glasgow Science Centre (Trading) Limited made up to 31 March each year. No income and expenditure account is presented for the company as provided by section 230 of the Companies Act 1985. The surplus dealt with in the accounts of the holding company was £1,799 (2004: £1,065).

#### *Depreciation of tangible fixed assets*

The cost of tangible fixed assets, other than construction in progress, is written off by means of the straight line basis over their expected useful lives as follows:

Buildings	-	25 years
Exhibits	-	10 years
Plant and equipment	-	5-10 years
Computer equipment	-	3 years

#### *Grants*

Grants in respect of capital expenditure are credited to endowment funds and are released to the income and expenditure account over the expected useful lives of the relevant assets by equal annual instalments.

Revenue grants are credited to revenue in the year to which they apply.
