#### Report of the Directors for the year ended 31 March 2004

The Directors submit their annual report and the audited financial statements for the period ended 31 March 2004. The Directors have adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" issued in October 2000 in preparing the annual report and financial statements of the charity.

The charity is a charitable company limited by guarantee. None of the Directors have any beneficial interest in the company. All of the Directors are members of the company and guarantee to contribute £1 in the event of a winding up. Its objects are to provide an independent, free and confidential advice and information service to the general public in the Nairn area; and to exercise a responsible influence on the development of social policies both locally and nationally. The policies adopted in furtherance of these objects are as detailed in the charity's memorandum and Articles of Association and there has been no change in these during the period.

#### Review of activities and future developments

The Statement of Financial Activities for the year is set out on page 4 of the financial statements. A summary of the financial results and the work of the charity is set out below.

#### **Income Generation**

Core funding of £54,417 was received from the Highland Council. The company is obliged to provide 16 hours of money advise per week. The company retained a surplus of £5,608 which has been allocated to the general fund.

#### Reserves

The charity generally operates one reserve (see note 6), the general reserve which represents unrestricted funds arising from past operating results. This equates to approximately 6 months of unrestricted expenditure.

#### Directors' Responsibilities

Company and charity law requires the Directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for that period. In preparing those financial statements, the Directors have:

- selected suitable accounting policies and then applied them consistently;
- made judgements and estimates that are reasonable and prudent;
- stated whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepared the financial statements on the going concern basis.

The Directors have overall responsibility for ensuring that the charity has appropriate system of controls, financial and otherwise. They are also responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report was approved by the Board on 7 June 2004:
