Transform Scotland

Report of the Directors For the Year Ended 31 March 2022

The directors are pleased to present their report and the financial statements for the year ended 31 March 2022.

Structure, Governance and Management

Transform Scotland is a company limited by guarantee, with the liability of members limited to £1 each. The company (referred to as the "Charity") is governed by the terms of its Articles of Association and is a registered Scottish charity. The membership is made up of organisations from public, private and voluntary sectors from each of which a representative is appointed.

The directors are elected by the membership at the AGM. At each AGM, directors who, as at the date of that AGM, have been in office for three years or more shall retire but may be eligible for re-election at that meeting. Up to four trustees can be co-opted at any time by the board.

The directors create a strategic and policy framework for the Charity, focus on strategic direction and vision and are ultimately responsible for ensuring that the organisation fulfils its statutory requirements.

The names of members of the Board of Directors during the year are shown on page 2 together with other reference and administrative information.

Objectives and Review of Activities

Transform Scotland is the national alliance for sustainable transport. We campaign for walking, cycling and public transport to be the easiest and most affordable options for everyone. Our diverse membership brings together public, private and third sector organisations from across Scotland. We are a registered charity, politically independent and strictly science-based.

The Charity's principal objectives are the promotion of sustainable development policies and practices for transport, and the education of the public on the impact of transport on the environment and society.

During the course of the year, we carried out a range of activities which advanced the case for sustainable transport, focusing mainly on Scottish Government and Scottish Parliament processes. We provided written and oral evidence to the Parliament on the National Planning Framework, and wrote parliamentary briefings on a range of topics including road-building and the workplace parking levy. We led the creation of the Scottish Parliament's Cross Party Group on Sustainable Transport, and provided the secretariat to the group.

We met with all of Scotland's main political parties and hosted a series of public videocalls with their transport spokespersons in the run-up to the May 2021 Holyrood elections, and then published a report summarising our views on the parties' manifestos. We published reports on (i) business engagement around the move to car-free city centres, (ii) planning cycle path provision ('Active Freeways'), and (iii) the Scottish Government's road-building programme. We continued work on a project with Edinburgh Napier University on Continental zebra crossings, and commenced work on a project on business engagement around traffic demand management measures. We carried out a third year of the #lovemybus campaign, communicating the benefits of bus travel to a wide range of audiences. We worked with Edinburgh Napier University Transport Research Institute on a research project on zebra crossings.

Our two social enterprises 'Transform Consulting' and 'Transform Creative', continued to raise unrestricted income for Transform Scotland, whilst helping clients to fulfil their environmental and social mission. In the past year Transform Creative has performed particularly well, with major branding and marketing commissions from the Scottish Youth Parliament and Norwegian Environmental Port Index, alongside designing a range of reports, leaflets and other promotional materials for clients including Paths for All, Cycling Scotland and Living Streets Scotland.

Transform Scotland

Report of the Directors (continued)

Objectives and Review of Activities (continued)

We have continued to engage in a wide range of sustainable transport policy and practice (including active travel, bus, tram, rail and ferry policy; aviation; land use planning; rail freight; road maintenance; slower speeds; tourism; and the Scottish Budget process). We have responded to numerous policy consultations, provided written and oral evidence to parliamentary inquiries, and met with a wide range of public, private and third sector stakeholders.

We remain a member/partner of: 20's Plenty for Us, Cycling Scotland, Edinburgh Social Enterprise Network, European Federation for Transport and Environment, Foundation for Social Improvement, Paths for All, The Poverty Alliance, Scotland's Towns Partnership, Scottish Communities Climate Action Network, Scottish Transport Studies Group, Sustainable Scotland Network.

Our work has been accomplished in large part through the voluntary efforts of our Board of Directors plus a range of interns and volunteers who have been instrumental in carrying out our research, campaigns and communications work.

Financial Review

Income and expenditure is detailed in the Statement of Financial Activities on page 6.

The income for the year was £318,563 and expenditure was £244,175 resulting in a surplus of £74,388 at the end of the year, made up of £21,697 of unrestricted funds and £52,691 of restricted funds to be applied to particular purposes in the future.

Transform Scotland has agreed a reserves policy of holding reserves of around £63,000 to cover costs in the event of having to close due to the organisation being no longer financially sustainable. The Board reviews its reserves policy each year with a view to ensuring that the level of reserves held is appropriate. This figure had been achieved by the end of the year and the general fund stood at £161,628 (see note 8).

Small Companies Provisions

This report has been prepared in accordance with the provisions in Part 15 of the Companies Act 2006 applicable to companies subject to the small companies' regime.

Approved by the Board of Directors on 23 December 2022 and signed on its behalf:

Stuart Hay

**S Hay
Director**

**Independent Examiner's Report
To the Directors of Transform Scotland**

I report on the accounts of the charity for the year ended 31 March 2022.

Respective responsibilities of directors (the 'trustees') and examiner

The charity's Trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006.

The Trustees consider that the audit requirement of Regulation 10(1) (a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and
- to prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations have not been met, or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

For the year ending 31st March 2022 the company was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- the members have not required the company to obtain an audit of its accounts for the period in question in accordance with section 476,
- the directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts
- these accounts have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime.

The financial statements on pages 6 to 13 were approved by the Board of Directors on 23 December 2022 and are signed on its behalf by:

Stuart Hay

Director

Transform Scotland

Notes to the Accounts

Accounting policies

Basis of accounting

The financial statements have been prepared under the historic cost convention and in accordance with 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)' - (referred to as 'the Charities SORP'), the 'Financial Reporting Standard applicable in the UK and Republic of Ireland' (FRS 102), the Companies Act 2006 and UK Generally Accepted Practice as it applies from 1 January 2015. The charity constitutes a public benefit entity as defined by FRS 102.

The charity has applied the alternative structure for smaller charities allowed by paragraph 4.22 of the Charities SORP and has not reported on an activity basis. Similarly, as a smaller charity, a cash flow statement has not been prepared.

Incoming resources

Grants and donations are recognised in full in the Statement of Financial Activities in the period in which they are receivable, provided any conditions for use of the grant or donation have been fulfilled. Where a grant or donation is received for a specific purpose, it is included within restricted income and any unexpended portion carried forward as a restricted fund. Contractual income and performance related grants are only included once the charity has provided the related goods or services or met the performance related conditions.

Expenditure

All expenditure is accounted for on an accruals basis.

Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is calculated by the straight line method to write off the cost of fixed assets over their estimated useful lives at the following rate:

Office equipment & furniture: 25% per annum

Debtors

Debtors are recognised at the settlement amount due.

Creditors and provisions

Creditors and provisions are recognised, at settlement amount, where the charity has a present obligation resulting from a past event, which is likely to result in the transfer of funds to a third party, and the amount due can be measured or estimated reliably.

Fund Accounting

Unrestricted funds arise from donations without a specified purpose and other income generated and are available to be used for any of the objects of the charity at the discretion of the trustees.

Restricted funds are to be used for specific purposes as laid down by the donor. Expenditure which meets these criteria is charged to the fund, together with a fair allocation of management and support

Pensions

The charity operates a defined contribution pension scheme. Contributions are charged to the income and expenditure account as they become payable in accordance with the rules of the scheme.
