The company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 31 May 2019.

The members have not required the company to obtain an audit of its financial statements for the year ended 31 May 2019 in accordance with Section 476 of the Companies Act 2006.

The directors acknowledge their responsibilities for:

- ensuring that the company keeps accounting records which comply with Sections 386 and 387 of the Companies Act 2006 and
- preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of each financial year and of its profit or loss for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company.

The financial statements have been prepared and delivered in accordance with the provisions applicable to companies subject to the small companies regime.

In accordance with Section 444 of the Companies Act 2006, the Income Statement has not been delivered.

The financial statements were approved by the Board of Directors on 20.09.19 and were signed on its behalf by:

.....
R S Scott - Director

**Notes to the Financial Statements
for the Year Ended 31 May 2019**

1. STATUTORY INFORMATION

Sumdials Limited is a private company, limited by shares, registered in Scotland. The company's registered number and registered office address can be found on the Company Information page.

The presentation currency of the financial statements is the Pound Sterling (£).

2. STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006.

3. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements have been prepared under the historical cost convention.

Going concern

The company is developing and plans to launch a new educational computer app. The app is in the latter stages of development and testing and will be launched in the near future.

Notwithstanding the deficiency of shareholders' funds, the financial statements have been prepared on the going concern basis as the directors have indicated that they intend to provide such funds as are necessary for the company to trade for the foreseeable future.

Significant judgements and estimates

Preparing the financial statements may require the directors to make significant judgements and estimates. There were no items in the financial statements where these judgements and estimates were required.

Turnover

The company recognises revenue when the amount of revenue can be measured reliably and when it is probable that future economic benefits will flow to the entity

Intangible assets

Intangible assets consist of the costs of software development which have been capitalised and are being written off over the estimated useful economic life of 4 years.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off the cost less estimated residual value of each asset over its estimated useful life.

Plant and machinery etc - 33% on reducing balance

Impairment of tangible fixed assets

At each reporting date fixed assets are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset is estimated and compared with its carrying amount. If estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in the Income Statement.

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

**Notes to the Financial Statements - continued
for the Year Ended 31 May 2019**

3. ACCOUNTING POLICIES - continued

Financial instruments

The company only enters into basic financial instruments transactions that result in the recognition of financial assets and liabilities like trade and other accounts receivable and payable, directors loan and bank loan.

Directors' loans (being repayable on demand), trade debtors and trade creditors are measured at the undiscounted amount of the cash or other consideration expected to be paid or received.

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.
