#### **DIRECTORS' REPORT**

#### FOR THE YEAR ENDED 30 APRIL 2006

The directors present their report and financial statements for the year ended 30 April 2006

This report has been prepared in accordance with the special provisions relating to small companies, under section 246(4) of the Companies Act 1985.

#### Principal activities

The company provides a matching service for the supply of residential accommodation for let in the United Kingdom

#### Directors

The following directors have held office during the year and subsequently

R Ingleby

M Blakey

K Fallon (resigned 25 September 2007)

#### Disclosure of information to auditors

Each of the persons who is a director at the date of approval of this report confirms that

- So far as the director is aware, there is no relevant audit information of which the company's auditors are unaware, and
- The director has taken all the steps that he/she ought to have taken as a director in order to make himself/herself aware of any relevant audit information and to establish that the company's auditors are aware of that information

This confirmation is given and should be interpreted in accordance with the provisions of s234ZA of the Companies Act 1985

#### Auditors

Deloitte & Touche LLP were appointed as auditors during the year. A resolution proposing that Deloitte and Touche LLP be reappointed as auditors of the company will be put to the Annual General Meeting.

## **DIRECTORS' REPORT (CONTINUED)**

#### FOR THE YEAR ENDED 30 APRIL 2006

#### Directors' responsibilities

The directors are responsible for preparing the Annual Report including the financial statements. The directors have chosen to prepare the financial statements for the company in accordance with United Kingdom Generally Accepted Accounting Practice (UK GAAP)

Company law requires the directors to prepare such financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period and comply with UK GAAP. In preparing those financial statements, the directors are required to

select suitable accounting policies and then apply them consistently,

make judgements and estimates that are reasonable and prudent

state whether applicable accounting standards have been followed

prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

On behalf of the board

M Blakey

# INDEPENDENT AUDITORS' REPORT TO THE SHAREHOLDERS OF NETLET HOLDINGS LIMITED

We have audited the financial statements of Netlet Holdings Limited for the year ended 30 April 2006 which comprise the profit and loss account the statement of total recognised gains and losses, the balance sheet and the related notes 1 to 12. These financial statements have been prepared under the accounting policies set out therein

This report is made solely to the company's members as a body in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors report and for no other purpose. To the fullest extent permitted by law we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work for this report or for the opinions we have formed

#### Respective responsibilities of directors and auditors

The directors responsibilities for preparing the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) are set out in the Statement of Directors Responsibilities

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and international Standards on Auditing (UK and Ireland)

We report to you our opinion as to whether the financial statements give a true and fair view, and are properly prepared in accordance with the Companies Act 1985. We report to you whether in our opinion the information given in the Directors' Report is consistent with the financial statements.

In addition we report to you if in our opinion, the company has not kept proper accounting records if we have not received all the information and explanations we require for our audit or if information specified by law regarding directors' remuneration and other transactions is not disclosed.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements with it

### Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

#### Opinion

#### In our opinion

- the financial statements give a true and fair view in accordance with United Kingdom Generally Accepted Accounting Practice of the state of the company's affairs as at 30 April 2006 and of its loss for the year then ended,
- the financial statements have been properly prepared in accordance with the Companies Act 1985 applicable to small companies, and

the information given in the Directors' Report is consistent with the financial statements

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2006

#### 1 Accounting policies

The particular accounting policies are summarised below. They have all been applied consistently throughout the current year and preceding year.

#### 1.1 Basis of accounting

The financial statements are prepared under the historical cost convention and applicable United Kingdom accounting standards

#### Basis of preparation of the financial statements

The company had net liabilities of £11 051 as at 30 April 2006 and £31 266 as at 30 April 2007. The directors have prepared cash flow projections through to 31 October 2008. These projections indicate that during the period to 31 October 2008, the company will require further funding to cover negative cash balances. It is the present intention of a director to finance the anticipated cash shortfalls.

On the basis that the director is able to provide sufficient funding, the directors consider it appropriate to prepare the financial statements on the going concern basis. The financial statements do not include any adjustments that would arise if sufficient funds were not made available by the director.

#### 12 Turnover

Turnover represents amounts receivable for goods and services net of VAT and trade discounts

#### 1 3 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows.

Company website

Straight line over 3 years

#### 14 Taxation

Current tax is provided at amounts expected to be paid using the tax rates and laws that have been enacted or substantively enacted at the balance sheet date

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Timing differences are differences between the company's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessment in periods different from those in which they are recognised in the financial statements.

A net deferred tax asset is regarded as recoverable and therefore recognised only to the extent that on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted

Deferred tax is measured at the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax is measured on a non-discounted basis.

#### 2 Prior period adjustment

The accounts for the year ended 30 April 2005 contained fundamental errors which have been corrected in accordance with UK GAAP. During the year ended 30 April 2005 shares were issued to Leeds Student Homes Limited at a valuation of £90,000. The accounting treatment was to increase Share Premium Account by £90 000 and administrative expenses by £90 000. A subsequent review of this transaction valued the shares at nil and as such the original accounting treatment has been reversed by reducing administrative expenses by £90 000 and reducing the balance on the Share Premium Account by £90 000.

In addition Company Website equipment at a cost of £8 901 which had been treated as cost of sales has now been capitalised. Also liabilities outstanding at 30 April 2005 of £16 374 have now been recognised in the correct accounting period as has an amount of £874 of VAT receivable. The result of these adjustments has been to increase the loss for the year ended 30 April 2005 by £6,589.

The net result of these adjustments has been to increase the total recognised gains in the year ended 30 April 2005 by £83 411
