McBains Cooper (Scotland) Limited

DIRECTORS' REPORT

The directors submit their report and financial statements of McBains Cooper Scotland Limited for the year ended 30th June 2002.

PRINCIPAL ACTIVITIES

The principal activity of the Company during the year was that of the provision of quantity surveying services within the property and construction industry.

REVIEW OF THE BUSINESS

On 1st July 2001, the trade, fixed assets and work in progress of the McBains Cormack partnership were transferred to the company. Consideration was by way of a loan from the partners; Mr. Cormack and Mr. Ritchie, of £85,000. During the year this loan was converted into seven Ordinary shares.

The results for the year and the financial position at the year end were considered satisfactory by the directors who expect continued growth in the foreseeable future.

RESULTS AND DIVIDENDS

The trading profit for the year after taxation was £ 32,486.

The directors do not recommend payment of an ordinary dividend.

DIRECTORS

The following directors have held office since 1 July 2001:-

DIRECTORS' RESPONSIBILITIES IN THE PREPARATION OF FINANCIAL STATEMENTS

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing those financial statements, the directors are required to:

- a. select suitable accounting policies and then apply them consistently;
- b. make judgements and estimates that are reasonable and prudent;
- c. prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**INDEPENDENT AUDITORS' REPORT TO THE SHAREHOLDERS OF
McBAINS COOPER (SCOTLAND) LIMITED**

We have audited the financial statements on pages 6 to 14.

This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

The directors' responsibilities for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards are set out in the Statement of Directors' Responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Directors' Report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

We read other information contained in the Annual Report, and consider whether it is consistent with the audited financial statements. This other information comprises only the Director's Report. We consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements. Our responsibilities do not extend to any other information.

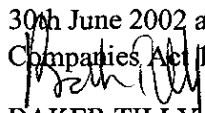

Basis of opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion, the financial statements give a true and fair view of the state of affairs of the Company as at 30th June 2002 and the profit for the year then ended and have been properly prepared in accordance with the Companies Act 1985.

G C Fagan
Director

McBains Cooper (Scotland) Limited

ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements have been prepared under the historical cost convention.

GOING CONCERN

The accounts have been prepared on a going concern basis based on the directors' projections of future trading performance.

GOODWILL

Goodwill representing the excess of the purchase price compared with the fair value of assets acquired is capitalised and written off over 20 years as in the opinion of the directors, this represents the period over which the goodwill is effective.

TANGIBLE FIXED ASSETS

Fixed assets are stated at historical cost less depreciation.

Depreciation is provided on all tangible fixed assets at rates calculated to write of each asset down to its estimated residual value evenly over its expected useful life, as follows:-

Computer equipment	33% Straight line
Fixtures, fittings & equipment	25% Straight line
Motor vehicles	25% Straight line

WORK IN PROGRESS

Work in progress is valued at cost by taking an appropriate proportion of the sales value of work completed on each contract. Provision is made for irrecoverable amounts.

DEFERRED TAXATION

The accounting policy in respect of deferred tax has been changed to reflect the requirements of FRS19 - Deferred tax. Deferred tax is provided in full in respect of taxation deferred by timing differences between the treatment of certain items for taxation and accounting purposes. The deferred tax balance has not been discounted.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Timing differences are differences between the Group's taxable profits and its results as stated in the financial statements.

Deferred tax is recognised in the Statement of Total Recognised Gains and Losses on revaluations where at the balance sheet date there is an agreement to sell the asset.

Deferred tax is recognised in respect of the retained earnings of overseas subsidiaries and associates only to the extent that, at the balance sheet date, dividends have been accrued as receivable or a binding agreement to distribute past earnings in future has been entered into by the subsidiary or associate.

McBains Cooper (Scotland) Limited

ACCOUNTING POLICIES

Deferred tax is measured at the average tax rates that are expected to apply in the periods in which timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantially enacted by the balance sheet date. Deferred tax is measured on a non-discounted basis.

The above amounts to a change in accounting policy. The previous policy was to provide deferred tax only to the extent that it was probable that liabilities would crystallise in the foreseeable future.

The adoption of the standard has not required a prior year adjustment. If the new policy had been in place in the previous period no liability would have been recognised as the conditions for recognition would not have been satisfied.

LEASED ASSETS AND OBLIGATIONS

Where assets are financed by leasing agreements that give rights approximating to ownership ('finance leases'), the assets are treated as if they had been purchased outright. The amount capitalised is the present value of the minimum lease payments payable during the lease term. The corresponding leasing commitments are shown as obligations to the lessor.

Lease payments are treated as consisting of capital and interest elements, and the interest is charged to the profit and loss account in proportion to the remaining balance outstanding.

PENSIONS CONTRIBUTIONS

The pension costs charged in the financial statements represent the contributions payable by the Company during the year.

TURNOVER

Turnover represents the invoiced value, net of Value Added Tax, of services provided to customers.

McBains Cooper (Scotland) Limited

NOTES TO THE FINANCIAL STATEMENTS

for the year ended 30th June 2002

1. TURNOVER AND PROFIT ON ORDINARY ACTIVITIES BEFORE TAXATION
