**UNAUDITED FINANCIAL STATEMENTS
FOR THE YEAR ENDED
31 MARCH 2021**

PAGES FOR FILING WITH REGISTRAR

ACCOUNTANT'S REPORT TO THE BOARD OF DIRECTORS OF GRAMPIAN CATERING EQUIPMENT LIMITED ON THE UNAUDITED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

In order to assist you to fulfil your duties under the Companies Act 2006 ("the Act"), we prepared for your approval the financial statements of Grampian Catering Equipment Limited which comprise the statement of financial position and the related notes in accordance with the financial reporting framework set out therein from the company's accounting records and from information and explanations you have given us.

As a practising member firm of the Institute of Chartered Accountants in England and Wales (ICAEW), we are subject to its ethical and other professional requirements which are detailed at <http://www.icaew.com/en/members/regulations-standards-and-guidance>.

This report is made solely to the Board of Directors of Grampian Catering Equipment Limited, as a body, in accordance with the terms of our engagement letter dated 30 March 2021. Our work has been undertaken solely to prepare for your approval the financial statements of Grampian Catering Equipment Limited and state those matters that we have agreed to state to them in accordance with ICAEW Technical Release 07/16 AAF. This report should not therefore be regarded as suitable to be used or relied on by any other party wishing to acquire any rights against RSM UK Tax and Accounting Limited for any purpose or in any context. Any party other than the Board of Directors which obtains access to this report or a copy and chooses to rely on this report (or any part of it) will do so at its own risk. To the fullest extent permitted by law, RSM UK Tax and Accounting Limited will accept no responsibility or liability in respect of this report to any other party and shall not be liable for any loss, damage or expense of whatsoever nature which is caused by any person's reliance on representations in this report.

It is your duty to ensure that Grampian Catering Equipment Limited has kept adequate accounting records and to prepare statutory financial statements that give a true and fair view of the assets, liabilities, financial position and profit of Grampian Catering Equipment Limited under the Act. You consider that Grampian Catering Equipment Limited is exempt from the statutory audit requirement for the year.

We have not been instructed to carry out an audit or a review of the financial statements of Grampian Catering Equipment Limited. For this reason, we have not verified the accuracy or completeness of the accounting records or information and explanations you have given to us and we do not, therefore, express any opinion on the statutory financial statements.

The directors of the company have elected not to include a copy of the income statement within the financial statements.

For the financial year ended 31 March 2021 the company was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

The members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476.

The directors acknowledge their responsibilities for complying with the requirements of the Companies Act 2006 with respect to accounting records and the preparation of financial statements.

These financial statements have been prepared and delivered in accordance with the provisions applicable to companies subject to the small companies' regime.

STATEMENT OF FINANCIAL POSITION (CONTINUED)

AS AT 31 MARCH 2021

The financial statements were approved by the board of directors and authorised for issue on 27/08/2021
and are signed on its behalf by:

Mr G Batty
Director

GRAMPIAN CATERING EQUIPMENT LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

1 Accounting policies

Company information

Grampian Catering Equipment Limited is a private company limited by shares and is registered and incorporated in Scotland. The registered office is Unit 5B, Balmacassie Brae, Balmacassie Commercial Park, Ellon, Aberdeenshire, AB41 8BY.

Accounting convention

These financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the requirements of the Companies Act 2006 as applicable to companies subject to the small companies regime. The disclosure requirements of section 1A of FRS 102 have been applied other than where additional disclosure is required to show a true and fair view.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

Going concern

Post year end trading conditions have been challenging due to the ongoing Covid-19 pandemic. Despite this the company are reporting increased turnover to date for the year ended 31 March 2021 compared with the previous financial year. The company expect turnover to continue at this level with a number of enquiries from current and new customers. The directors have also utilised government support which has been available in order to reduce any financial impact on the company. The company continues to be supported by its bank, with the provision of new facilities and has no reason to expect that this will not continue. Therefore the directors are confident that it can meet all liabilities as they fall due for at least 12 months from the balance sheet signing date. The financial statements are therefore prepared on a going concern basis.

Turnover

Turnover is recognised at the fair value of the consideration received or receivable for goods and services provided in the normal course of business, and is shown net of VAT and other sales related taxes. The fair value of consideration takes into account trade discounts, settlement discounts and volume rebates.

Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Leasehold improvements	10% straight line
Plant and equipment	25% reducing balance
Fixtures and fittings	25% reducing balance
Computers	33% straight line
Motor vehicles	25% reducing balance

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is credited or charged to profit or loss.

GRAMPIAN CATERING EQUIPMENT LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2021

1 Accounting policies (Continued)

Impairment of fixed assets

At each reporting period end date, the company reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of an individual asset, the company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Stocks

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell. Cost comprises direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the stocks to their present location and condition.

Cash and cash equivalents

Cash and cash equivalents are basic financial instruments and include cash in hand and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

Financial instruments

The company has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised when the company becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include trade and other debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the financial asset is measured at the present value of the future receipts discounted at a market rate of interest.

Derecognition of financial assets

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire or are settled, or when the company transfers the financial asset and substantially all the risks and rewards of ownership to another entity, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party.

Classification of financial liabilities

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

Basic financial liabilities

Basic financial liabilities, including trade and other creditors, and bank loans, are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

GRAMPIAN CATERING EQUIPMENT LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2021

1 Accounting policies (Continued)

Derecognition of financial liabilities

Financial liabilities are derecognised when, and only when, the company's contractual obligations are discharged, cancelled, or they expire.

Equity instruments

Equity instruments issued by the company are recorded at the fair value of proceeds received, net of transaction costs. Dividends payable on equity instruments are recognised as liabilities once they are no longer at the discretion of the company.

Taxation

The tax expense represents the sum of the current tax expense and deferred tax expense. Current tax assets are recognised when tax paid exceeds the tax payable.

Current and deferred tax is charged or credited to profit or loss, except when it relates to items charged or credited to other comprehensive income or equity, when the tax follows the transaction or event it relates to and is also charged or credited to other comprehensive income, or equity.

Current tax assets and current tax liabilities and deferred tax assets and deferred tax liabilities are offset, if and only if, there is a legally enforceable right to set off the amounts and the entity intends either to settle on the net basis or to realise the asset and settle the liability simultaneously.

Current tax is based on taxable profit for the year. Current tax assets and liabilities are measured using tax rates that have been enacted or substantively enacted by the reporting date.

Deferred tax is calculated at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled based on tax rates that have been enacted or substantively enacted by the reporting date.

Deferred tax liabilities are recognised in respect of all timing differences that exist at the reporting date. Timing differences are differences between taxable profits and total comprehensive income that arise from the inclusion of income and expenses in tax assessments in different periods from their recognition in the financial statements. Deferred tax assets are recognised only to the extent that it is probable that they will be recovered by the reversal of deferred tax liabilities or other future taxable profits.

Retirement benefits

For defined contribution schemes the amount charged to profit or loss is the contributions payable in the year. Differences between contributions payable in the year and contributions actually paid are shown as either accruals or prepayments.

Leases

Rentals payable under operating leases, including any lease incentives received, are charged to profit or loss on a straight line basis over the term of the relevant lease except where another more systematic basis is more representative of the time pattern in which economic benefits from the leases asset are consumed.

Government grants

Government grants are recognised at the fair value of the asset received or receivable when there is reasonable assurance that the grant conditions will be met and the grants will be received.

A grant that specifies performance conditions is recognised in income when the performance conditions are met. Where a grant does not specify performance conditions it is recognised in income when the proceeds are received or receivable. A grant received before the recognition criteria are satisfied is recognised as a liability.
