To build on the activities in general and to raise the profile of the CyberCafe as a place to be used by the community as a whole.

To be a valued contributor to Port Ellen and Islay community, working in partnership with other local organisations.

Achievements and Performance

The main objective of the charity is to provide a safe and secure environment for young people to come socialise and enjoy taking part in a variety of activities and workshops.

Arts & Crafts Our Arts and craft is still very popular with our younger users, they have created lots of lovely items. This year they helped make a guy fawkes for the local bonfire night.

Crotchet and This class has continued with popular demand form some of our younger users. There was a needle classes competition at our local quilters and with the help of Emily, a young adult willing to volunteer & pass on her quilting knowledge. The kids each made a square with their favourite things of Scotland as 'Scotland' was the theme. The squares were joined together to make a lovely quilt.

We won 1st prize and we were all happy at what our young people had achieved.

Bingo We offer bingo to members of the community but it is particularly well attended by the elderly members of the community throughout the year on a weekly basis.

Computer We provided computer classes for all ages in the community teaching the basic skills of Classes how to use a computer. This was run as weekly classes over a period of time and is very

popular with senior citizens of the community.

Group Nights Our group nights are still very popular with our younger users, with 35 users altogether in our group 1. Our group 2 has been less successful with regular attendance but we hope this will

change next year when our younger ones move up.

Youth Dances We have had regular dances for our younger users they really enjoy coming along. We also

worked with and joined in a few of Islay & Jura youth actions dances which allowed us to

have a different exerience.

Esater Egg Hunt Last Easter we started an Easter egg hunt within the village as there was no activities like this

for young people. We hide laminated egg cards (created by our Arts & crafts class) on the local beach. Whoever collects the most wins our Easter prize but all participants get an Easter bag.

It has been a great hit and we hope to continue for many years

Planting tubs We collected money from local business and fundraised locally to raise enough funds to

purchase materials to plant eight tubs on the local green at the front of the village.

We feel the youth done a great job in helping to put something back into their community.

Halloween Fun We opened the CyberCafe up on Halloween for all the trick &treaters. They had to crawl through

the cob webbed door and tackle or our tricks before they finally got their treat. We had over 50 young people, which has increased since last year. Lets hope we can keep up with the fun

tricks for next year!

Other Activities

the older ones 12+ they had a pool competition. Both nights were very successful and the

winners got their own trophy.

fundraised at these events

Christmas sale We had a christmas sale a fun day for families to attend. Our young crochet & knitters show

cased some of the lovely items they had made and of course the quilt. We also had a tombola,
