8 OFFICE OF RECEIVER

9 APPLICATION OF ENFORCEMENT PROCEEDS

- 9.1 All monies received by the Grantee or any Receiver under or by virtue of this Instrument following enforcement of the security hereby granted or of any security interest constituted pursuant hereto shall be applied, subject to the claims of any creditors ranking in priority to or *pari passu* with the claims of the Grantee under this Instrument, in the following order:-
 - 9.1.1 first, in or towards payment of all costs, charges and expenses of or incidental to the appointment of the Receiver and the exercise of all or any of his powers, including his remuneration and all outgoings paid by and liabilities incurred by him as a result of such exercise;
 - 9.1.2 secondly, in or towards satisfaction of the Secured Liabilities in such order as the Grantee shall in its absolute discretion decide; and
 - 9.1.3 thirdly, any surplus shall be paid to the Chargor or any other Person entitled thereto.
- 9.2 Nothing contained in this Instrument shall limit the right of the Receiver or the Grantee (and the Chargor acknowledges that the Receiver and the Grantee are so entitled) if and for so long as the Receiver or the Grantee, in their discretion,

shall consider it appropriate, to place all or any monies arising from the enforcement of the security interest hereby granted or any security created pursuant to this Instrument into a suspense account, without any obligation to apply the same or any part thereof in or towards the discharge of any of the Secured Liabilities.

- 9.3 Any amount received under this Instrument by the Grantee or any Receiver in a currency other than that in which the Secured Liabilities are denominated and payable shall be converted by the Grantee into the relevant currency at the Grantee's spot rate of exchange from time to time.

10 PROTECTION OF SECURITY

- 10.1 The security created by and any security interest constituted pursuant to this Instrument shall be a continuing security notwithstanding any settlement of account or other matter or thing whatsoever and in particular (but without prejudice to the generality of the foregoing) shall not be considered satisfied by an intermediate repayment or satisfaction of part only of the Secured Liabilities and shall continue in full force and effect until total and irrevocable satisfaction of all the Secured Liabilities.
- 10.2 The security created by and any security interest constituted pursuant to this Instrument shall be in addition to and shall not in any way prejudice or be prejudiced by any collateral or other security, right or remedy which the Grantee may now or at any time hereafter hold for all or any part of the Secured Liabilities.
- 10.3 No failure on the part of the Grantee to exercise and no delay on its part in exercising any right, remedy, power or privilege under or pursuant to this Instrument or any other document relating to or securing all or any part of the Secured Liabilities will operate as a waiver thereof, nor will any single or partial exercise of any right or remedy preclude any other or further exercise thereof or the exercise of any other right or remedy. The rights and remedies provided in this Instrument and any such other document are cumulative and not exclusive of any right or remedies provided by law.
- 10.4 Each of the provisions in this Instrument shall be severable and distinct from one another and if at any time any one or more of such provisions is or becomes or is declared null and void, invalid, illegal or unenforceable in any respect under any law or otherwise howsoever, the validity, legality and enforceability of the remaining provisions of this Instrument shall not in any way be affected or impaired thereby.
- 10.5 If the Grantee receives or is deemed to be affected by notice, whether actual or constructive, of any subsequent security or other interest affecting any part of the Secured Assets and/or the proceeds of sale(s) thereof, the Grantee may open a new account or accounts with the Chargor. If the Grantee does not open a new account, it shall nevertheless be treated as if it had done so at the time when it received or was deemed to have received notice and as from that time, all payments made to the Grantee shall be credited or be treated as having been credited to the new account and shall not operate to reduce the amount for which this Instrument is security.
- 10.6 Neither the security created by, nor any security interest constituted pursuant to, this Instrument nor the rights, powers, discretions and remedies conferred upon the Grantee by this Instrument or by law shall be discharged, impaired or otherwise affected by reason of:-
- 10.6.1 any present or future security, guarantee, indemnity or other right or remedy held by or available to the Grantee being or becoming wholly or in part void, voidable or unenforceable on any ground whatsoever or by the Grantee from time to time exchanging, varying, realising, releasing or failing to perfect or enforce any of the same; or
- 10.6.2 the Grantee compounding with, discharging or releasing or varying the liability of, or granting any time, indulgence or concession to, the Chargor or any other Person or renewing, determining, varying or increasing any accommodation or transaction in any manner whatsoever or concurring in accepting or varying any compromise, arrangement or settlement or omitting to claim or enforce payment from the Chargor or any other Person; or
- 10.6.3 any act or omission which would not have discharged or affected the liability of the Chargor had it been a principal debtor instead of cautioner or by any act or omission which but for this provision might operate to exonerate the Chargor from the Secured Liabilities; or
- 10.6.4 any legal limitation, disability, incapacity or other similar circumstance relating to the Chargor.
- 10.7 The Grantee shall not be obliged, before exercising any of the rights, powers or remedies conferred upon it by or pursuant to this Instrument or by law, to:-

**CERTIFIED A TRUE COPY

- 10.7.1 take any action or obtain judgement or decree in any Court against the Chargor; or
- 10.7.2 make or file any claim to rank in a winding-up or liquidation of the Chargor; or
- 10.7.3 enforce or seek to enforce any other security taken, or exercise any right or plea available to the Grantee, in respect of any of the Chargor's obligations to the Grantee.

11 FURTHER ASSURANCE

The Chargor shall execute and do all such assurances, acts and things as the Grantee may require for perfecting or protecting the security created by or pursuant to this Instrument over the Secured Assets or for facilitating the realisation of such assets and the exercise of all powers, authorities and discretions conferred on the Grantee or on any Receiver by this Instrument and shall in particular (but without limitation) promptly after being requested to do so by the Grantee or any Receiver, execute all assignments and transfers (in favour of the Grantee or any Receiver or to such nominee as either shall direct) of the Secured Assets which come into existence after the date of this Instrument and give all notices orders and directions which the Grantee or any Receiver may think expedient for the purposes specified in this Clause.

12 MANDATE AND ATTORNEY

- 12.1 The Chargor hereby irrevocably appoints the Grantee and any Receiver to be its mandatary and attorney for it and on its behalf and in its name or otherwise to create or constitute, or to make any alteration or addition or deletion in or to, any documents which the Grantee or the Receiver may require for perfecting or protecting the title of the Grantee or the Receiver to the Secured Assets or for vesting any of the Secured Assets in the Grantee or the Receiver or its nominees or any purchaser and to re-deliver the same thereafter and otherwise generally to sign, seal and deliver and perfect any fixed security, floating charge, transfer, disposition, assignation, security and/or assurance or any writing, assurance, document or act which may be required or may be deemed proper by the Grantee or the Receiver on or in connection with any sale, lease, disposition, realisation, getting in or other enforcement by the Grantee or the Receiver of all or any of the Secured Assets.
- 12.2 The Chargor hereby ratifies and confirms and agrees to ratify and confirm whatever any such mandatary or attorney shall do in the exercise or purported exercise of all or any of the powers, authorities and discretions referred to in this Clause.

13 EXPENSES

- 13.1 The Chargor binds and obliges itself for the whole expenses of completing and enforcing the security granted by this Instrument and the expenses of any discharge thereof.
