7.4. Small company moratorium

Notwithstanding any other provision of this Floating Charge, where the Company is an eligible company in terms of section 1A and Schedule A1 of the Insolvency Act 1986, the obtaining of moratorium or anything done with a view to obtaining a moratorium (including any preliminary decision or investigation) shall not entitle the Security Agent to appoint a receiver.

- 7.5.1. The Security Agent may, to the extent that any of the Secured Assets constitute "financial collateral" (as defined in the Financial Collateral Regulations) and that this Floating Charge constitutes a "security financial collateral arrangement" (as defined in the Financial Collateral Regulations), appropriate such financial collateral in or towards the discharge of the Secured Obligations.

7.5.2. The Company and the Security Agent agree for the purposes of Clause 7.5.1 above that the value of any such financial collateral so appropriated shall be:

- (a) in the case of any cash, the amount standing to the credit of the relevant account together with any accrued interest at the date of appropriation; and
- (b) in the case of any shares or stock of any nature whatsoever in the capital of any company, the market value thereof as determined by the Security Agent (acting reasonably) by reference to the information available to the Security Agent.

In each case the Company and the Security Agent agree that the method of valuation referred to above shall constitute a commercially reasonable method of valuing the relevant financial collateral for the purposes of the Financial Collateral Regulations.

A receiver appointed under this Floating Charge shall have and be entitled to exercise all the powers conferred upon a receiver by the Insolvency Act 1986 together with the following powers:

8.2. Joint and several appointment of receivers

8.3. Agent of Company

Any receiver appointed under this Floating Charge shall be the agent of the Company for all purposes and the Company shall be solely responsible for the acts and defaults of a receiver appointed under this Floating Charge and for his remuneration, costs, charges and expenses.

8.4. No liability

Neither the Security Agent nor any receiver appointed under this Floating Charge shall by reason of it or such receiver entering into possession of any of the assets charged under this Floating Charge be liable to account as heritable creditor or mortgagee in possession or be liable for any loss on realisation or for any default or omission for which a heritable creditor or mortgagee in possession might otherwise be liable.

In making any sale or the disposal of any of the Secured Assets in the exercise of their respective powers, a receiver or the Security Agent may accept as, and by way of, consideration for such sale or other disposal, cash, shares, loan capital or other obligations, including, without limitation, consideration fluctuating according to or dependent on turnover and consideration the amount of which is to be determined by a third party. Any such consideration may be received in a lump sum or by way of instalments.

All moneys received by the Security Agent or by any receiver appointed under this Floating Charge shall (subject to the repayment of any claims having priority to this Floating Charge) be applied in the order and manner specified by the Subordination Agreement notwithstanding any purported appropriation by the Company.

10. POWER OF ATTORNEY**10.1. Power of Attorney**

The Company hereby irrevocably appoints the Security Agent and any receiver or administrator appointed under this Floating Charge and for the time being holding office as such severally to be its attorney and on its behalf

and in its name to sign, seal, execute, deliver and perfect all deeds, instruments and documents which may be required for:

- 10.1.1. carrying out any obligation imposed on the Company by or pursuant to this Floating Charge; and
- 10.1.2. enabling the Security Agent or the receiver or administrator to exercise the rights and powers conferred upon them by this Floating Charge or by law (including the right to sell, lease, convey, transfer or realise any of the Secured Assets).

The Security Agent shall have full power to delegate the power conferred on it by this Clause 10.1 and no such delegation shall preclude the subsequent exercise of such power by the Security Agent itself or preclude the Security Agent from making a subsequent delegation thereof to some other person and any such delegation may be revoked by the Security Agent at any time.

10.2. Ratification

The Company shall ratify and confirm all acts and things done and all deeds, instruments and/or documents signed, sealed, executed and/or perfected by any attorney in the exercise or purported exercise of all or any of his powers under Clause 10.1.

11. PRESERVATION OF SECURITY

11.1. Continuing Security

The security created by or pursuant to this Floating Charge shall remain in full force and effect as a continuing security for the Secured Obligations unless and until discharged by the Security Agent and shall not be considered satisfied by any intermediate payment or satisfaction of all or any of the Secured Obligations or for any other reason.

11.2. Independence of charge

The Security constituted by or pursuant to this Floating Charge shall be in addition to and independent of, and shall not in any way prejudice or be prejudiced by, any other Security, right or remedy against any person which the Security Agent and the Secured Parties (or any of them) may at any time hold for the satisfaction of all or any part of the Secured Obligations.

11.3. Waiver of Defences

Neither the obligations of the Company under this Floating Charge nor the rights, powers and remedies conferred in respect of the Company upon the Security Agent will be affected by any act, omission, matter or thing which, but for this Clause 11.3, would reduce, release or prejudice any of those obligations or those rights, powers and remedies (without limitation and whether or not known to the Company or any Secured Party) including:

- 11.3.1. any time, waiver or consent granted to, or composition with, any Obligor or other person;
- 11.3.2. the release of any other Obligor or any other person under the terms of any composition or arrangement with any creditor of any member of the Group;
- 11.3.3. the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Obligor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- 11.3.4. any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of an Obligor or any other person;
- 11.3.5. any amendment, novation, supplement, extension or restatement (however fundamental and whether or not more onerous) or replacement of a Finance Document or any other document or security including, without limitation, any change in the purpose of, any extension of or increase in any facility or the addition of any new facility under any Finance Document or other document or security;
- 11.3.6. any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document or any other document or security; or
- 11.3.7. any insolvency or similar proceedings.

11.4. Rights Cumulative

The obligations of the Company contained in this Floating Charge and all rights, powers and remedies of the Security Agent expressed in this Floating Charge are in addition to and independent of all other rights, powers and remedies possessed by the Security Agent including, without limitation, those provided for in any Finance Document, by applicable law or in any other written instrument or agreement relating to the Company's obligations or the Secured Assets.

11.5. Remedies and Waivers

No failure to exercise, nor any delay in exercising, on the part of the Security Agent or any Secured Party, any right or remedy under this Floating Charge shall operate as a waiver of any such right or remedy. No single or partial exercise of any right or remedy shall prevent any further or other exercise or the exercise of any other right or remedy.

11.6. Partial Invalidity

If, at any time, any provision of this Floating Charge is or becomes illegal, invalid or unenforceable in any respect under the law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions of this Floating Charge nor the legality, validity or enforceability of such provision under the law of any other jurisdiction shall in any way be affected or impaired thereby.

12. PRESERVATION OF RIGHTS

12.1. Preservation of Rights

Other than as provided in this Floating Charge, the Security Agent shall not be obliged before exercising any of the rights, powers, discretions or remedies conferred upon it by this Floating Charge or by law:

- 12.1.1. to take any action, including but not limited to the giving of notice to, or making any demand upon, the Company or any other person or the obtaining or enforcement of any judgment, decree or order in any court against the Company or any other person;
- 12.1.2. to make or file any claim or proof in the administration, winding-up or liquidation of the Company or any other person; or
- 12.1.3. to enforce or seek to enforce any of its rights, powers, discretions or remedies under any other Security in respect of the Secured Obligations.

13. SUBSEQUENT SECURITY INTERESTS

If the Security Agent (acting in its capacity as security agent or otherwise) or any of the other Secured Parties receives or is deemed to have received notice of any subsequent Security affecting all or any part of the Secured Assets, all payments thereafter by or on behalf of the Company to the Security Agent (whether in its capacity as security agent or otherwise) or any of the other Secured Parties shall be treated as having been credited to a new account of the Company and not as having been applied in reduction of the Secured Obligations as at the time when the Security Agent received such notice.

14. SUSPENSE ACCOUNT

Until all of the Secured Obligations have been irrevocably paid in full, all monies received by the Security Agent or any receiver may, at the discretion of the Security Agent or receiver, be credited to an interest bearing suspense account and may be held in such account for so long as the Security Agent or receiver sees fit.

15. SET-OFF

A Secured Party may set-off any matured obligation due from the Company under the Finance Documents (to the extent owned by that Secured Party)

against any matured obligation owed by that Secured Party to the Company, regardless of the place of payment, booking branch or currency of either obligation. If the obligations are in different currencies, the Secured Party may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off.

16. RELEASE AND DISCHARGE

16.1. Release

Subject to Clause 16.2 (Conditional discharge), the Company shall be entitled, after the Secured Obligations have been irrevocably and unconditionally discharged in full and none of the Secured Parties being under any actual or contingent obligations to make available any facilities of any kind whatsoever to the Company under any of the Finance Documents, to require, at its cost and request, the release of any of the Secured Assets charged under this Floating Charge and the Security Agent, at the request and cost of the Company, will execute such documents as may be necessary at such time to release the Secured Assets from the security created by this Floating Charge and to discharge the Company from its obligations under this Floating Charge.

16.2. Conditional Discharge

Any settlement or discharge between the Company and the Security Agent shall be conditional upon no security or payment to the Security Agent by the Company or any other person on behalf of the Company being avoided or reduced by the virtue of any provisions or enactments relating to bankruptcy, insolvency or liquidation for the time being in force and, if any such payment is so avoided or reduced, the Security Agent shall be entitled to recover the value or amount of such security or payment from the Company subsequently as if such settlement or discharge had not occurred.

17. CHANGES IN SECURED OBLIGATIONS

The Company expressly agrees and acknowledges that the parties to the Finance Documents may from time to time agree to make amendments to the terms of those documents and may enter into such supplemental agreements as are required from time to time in order to give effect to such amendments. Such amendments may include, inter alia, the increase or reduction of the facilities made available under those documents and, for the avoidance of doubt, those facilities will form part of the Secured Obligations under and in terms of this Floating Charge

18. ASSIGNATION

18.1. The Security Agent

The Security Agent may (without prejudice to its right to appoint any joint trustee) assign and transfer all or any of its rights and obligations under this Floating Charge to any person appointed as its replacement as Security Agent (or any joint trustee) in accordance with the terms of the Facility Agreement.

The Security Agent shall be entitled to disclose such information concerning the Company and this Floating Charge in accordance with the terms of the Facility Agreement.

18.2. The Company

The Company may not assign or transfer all or any part of its rights or obligations hereunder.

19. INDEMNITY

The Company shall indemnify the Security Agent and any receiver against any cost, loss or liability incurred by either of them as a result of:

- 19.1.1. the taking, holding, protection or enforcement of this Floating Charge;
- 19.1.2. the exercise or purported exercise of any of the rights, powers, discretions and remedies vested in the Security Agent and each receiver by this Floating Charge or by law; or
- 19.1.3. any default by the Company of any of the obligations expressed to be assumed by it in this Floating Charge,

and any such receiver may retain and pay all sums in respect of the same out of monies received under powers conferred by the Insolvency Act 1986.

19.2. Restriction on indemnity

The indemnity under Clause 19.1 shall not apply to any cost, loss or liability incurred by the Security Agent or any receiver where the Security Agent or receiver (as appropriate) has acted with gross negligence or wilful misconduct.

20. DISCRETION AND DELEGATION

20.1. Discretion

Any power or right which may be exercised by the Security Agent or any receiver under this Floating Charge may, subject to the terms and conditions of the Facility Agreement, be exercised in the absolute and unfettered discretion of the Security Agent or receiver and without any obligation to give reasons.

20.2. Delegation

The Security Agent and any receiver may delegate (either generally or specifically) by power of attorney or any other manner to any person any right, power, authority or discretion conferred on it by this Floating Charge (including the power of attorney granted under Clause 10 (Power of Attorney)). The Security Agent and any receiver may make a delegation on the terms and conditions (including the power to sub-delegate) that it thinks

fit. Any such delegation shall not preclude the subsequent exercise, any subsequent delegation or any revocation of such right, power, authority or discretion by the Security Agent or the receiver.

21. CALCULATIONS AND CERTIFICATES

21.2. Certificates and determinations

The Company agrees and acknowledges that, any certificate or determination by a Secured Party of a rate or amount under this Floating Charge is, in the absence of manifest error, conclusive evidence of the matters to which it relates.

21.3. Consent to registration

The Company hereby consents to the registration of this Floating Charge and of any account or certificate referred to in Clauses 21.1 and 21.2 above for preservation and execution.

22. NOTICES
