The Chargee will not be liable or responsible to any Chargor or any other person for any losses arising from any act, default, omission or misconduct on the part of any delegate.

The powers which this Debenture confers on the Chargee and any Receiver appointed under this Debenture are cumulative, without prejudice to their respective powers under the general law, and may be exercised as often as the relevant person thinks appropriate. The Chargee or the Receiver may, in connection with the exercise of their powers, join or concur with any person in any transaction, scheme or arrangement whatsoever. The respective powers of the Chargee and the Receiver will in no circumstances be suspended, waived or otherwise prejudiced by anything other than an express consent or amendment.

15. POWER OF ATTORNEY

Each Chargor, by way of security, irrevocably and severally appoints the Chargee, each Receiver and any person nominated for the purpose by the Chargee or any Receiver (in writing and signed by an officer of the Chargee or Receiver) as its attorney (with full power of substitution and delegation) in its name and on its behalf and as its act and deed to execute, seal and deliver (using the company seal where appropriate) and otherwise perfect and do any deed, assurance, agreement, instrument, act or thing which it ought to execute and do under the terms of this Debenture, or which may be required or deemed proper in the exercise of any rights or powers conferred on the Chargee or any Receiver under this Debenture or otherwise for any of the purposes of this Debenture, and each Chargor covenants with the Chargee and

each Receiver to ratify and confirm all such acts or things made, done or executed by that attorney. The power of attorney referred to in this Clause 15 may only be exercised following: (i) the occurrence of an Event of Default that is continuing; or (ii) a failure by any Chargor to carry out any further assurance or perfection obligation under this Debenture (and any grace period applicable thereto has expired), and, in the case of sub-paragraph (ii), only to the extent necessary in order to complete such further assurance or perfection obligations.

16. PROTECTION FOR THIRD PARTIES

16.1 No Obligation to Enquire

No purchaser from, or other person dealing with, the Chargee or any Receiver (or their agents) shall be obliged or concerned to enquire whether:

- (a) the right of the Chargee or any Receiver to exercise any of the powers conferred by this Debenture has arisen or become exercisable or as to the propriety or validity of the exercise or purported exercise of any such power; or

- (a) the negotiation, preparation and execution of this Debenture and the completion of the transactions and perfection of the security contemplated in this Debenture; and
- (b) the exercise, preservation and/or enforcement of any of the Collateral Rights or the security contemplated by this Debenture or any proceedings instituted by or against the Chargee as a consequence of taking or holding the security or of enforcing the Collateral Rights, and shall carry interest from the date of such demand until so reimbursed at the rate and on the basis as mentioned in Clause 2.2 (*Interest on Demands*).

17.2 Stamp Taxes

The Chargors shall pay all stamp, registration and other taxes to which this Debenture, the security contemplated in this Debenture or any judgment given in connection with it is or at any time may be subject and shall, from time to time, indemnify the Chargee on demand against any liabilities, costs, claims and expenses resulting from any failure to pay or delay in paying any such tax.

17.3 Indemnity

The Chargors shall, notwithstanding any release or discharge of all or any part of the security, indemnify the Chargee, its agents, attorneys and any Receiver against any action, proceeding, claims, losses, liabilities and costs which it may sustain as a consequence of any breach by any Chargor of the provisions of this Debenture, the exercise or purported exercise of any of the rights and powers conferred on them by this Debenture or otherwise relating to the Charged Assets, except where arising from the gross negligence or wilful misconduct of the Chargee, agents, attorneys or any Receiver as the case may be.

17.4 Payments free of deduction

All payments to be made to the Chargee under this Debenture shall be made free and clear of and without deduction for or on account of tax unless the paying Chargor is required to make such payment subject to the deduction or withholding of tax, in which case the sum payable by the Chargors in respect of which such deduction or withholding is required to be made shall be increased to the extent necessary to ensure that, after the making of such deduction or withholding, the person on account of whose liability to tax such deduction or withholding has been made receives and retains (free from any liability in respect of any such deduction or withholding) a net sum equal to the sum which it would have received and so retained had no such deduction or withholding been made or required to be made.

18. REINSTATEMENT AND RELEASE

18.1 Amounts Avoided

If any amount paid by a Chargor in respect of the Secured Obligations is capable of being avoided or set aside on the liquidation or administration of the relevant Chargor or otherwise, then for the purposes of this Debenture that amount shall not be considered to have been paid.

18.2 Discharge Conditional

Any settlement or discharge between a Chargor and any Secured Party shall be conditional upon no security or payment to that Secured Party by that Chargor or any other person being avoided, set aside, ordered to be refunded or reduced by virtue of any provision or enactment relating to insolvency and accordingly (but without limiting the other rights of that Secured Party under this Debenture) that Secured Party shall be entitled to recover from that Chargor the value which that Secured Party has placed on that security or the amount of any such payment as if that settlement or discharge had not occurred.

18.3 Covenant To Release

Once the Power Purchase Agreements has expired or terminated and all the Secured Obligations have been irrevocably paid in full and none of the Chargee nor any Secured Party has any actual or contingent liability to advance further monies to, or incur liability on behalf of, any Chargor, the Chargee shall, at the request and cost of each Chargor, execute any documents (or procure that its nominees execute any documents) or take any action which may be necessary to release the Charged Property (or any part of it) from the Security constituted by this Debenture (including the return of any documents deposited with the Chargee pursuant to this Debenture).

19. CURRENCY CLAUSES

19.1 Conversion

All monies received or held by the Chargee or any Receiver under this Debenture may be converted into any other currency which the Chargee considers necessary to cover the obligations and liabilities comprised in the Secured Obligations in that other currency at the Chargee's spot rate of exchange then prevailing for purchasing that other currency with the existing currency.

19.2 No Discharge

No payment to the Chargee (whether under any judgment or court order or otherwise) shall discharge the obligation or liability of the relevant Chargor in respect of which it was made unless and until the Chargee has received payment in full in the currency in which the obligation or liability is payable or, if the currency of payment is not specified, was incurred. To the extent that the amount of any such payment shall on actual conversion into that currency fall short of that obligation or liability expressed in that currency, the Chargee shall have a further separate cause of action against the relevant Chargor and shall be entitled to enforce the Security constituted by this Debenture to recover the amount of the shortfall.

20. SET-OFF

21. RULING OFF

If the Chargee receives notice of any subsequent Security or other interest affecting any of the Charged Property (except as permitted by the Power Purchase Agreements) it may open a new account for the relevant Chargor in its books. If it does not do so then (unless it gives express notice to the contrary to the relevant Chargor), as from the time it receives that notice, all payments made by the relevant Chargor to it (in the absence of any express appropriation to the contrary) shall be treated as having been credited to a new account of the relevant Chargor and not as having been applied in reduction of the Secured Obligations.

22. REDEMPTION OF PRIOR CHARGES

The Chargee may, at any time after an Event of Default has occurred, redeem any prior Security on or relating to any of the Charged Property or procure the transfer of that Security to itself, and may settle and pass the accounts of any person entitled to that prior Security. Any account so settled and passed shall (subject to any manifest error) be conclusive and binding on each Chargor. Each Chargor will on demand pay to the Chargee all principal monies and interest and all losses incidental to any such redemption or transfer.
