NOTES TO THE ABBREVIATED ACCOUNTS
FOR THE YEAR ENDED 31 MARCH 2014

1. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Going concern

The company incurred a loss of £85 during the year. At the balance sheet date the company's net current liabilities were £444,687. The company meets its day to day working capital requirements through the continuing support of its group and related undertakings.

The financial statements have been prepared on a going concern basis which assumes that the company will continue in operational existence for the foreseeable future. If the company was unable to continue in operational existence for the foreseeable future, adjustments would have to be made to reduce the balance sheet values of assets to their recoverable amounts and to provide for further liabilities that might arise.

The group and related undertakings continue to support the company and the directors believe that it is appropriate for the financial statements to be prepared on a going concern basis.
