1 Introduction

We, Blair Carnegie Nimmo and Gary Steven Fraser of KPMG LLP, Joint Administrators of Kelvinkit Limited ("the Company"), set out below our progress report in accordance with Rule 2 38 of the Insolvency (Scotland) Rules 1986

We were appointed Joint Administrators by the directors of the Company pursuant to Paragraph 22 of Schedule B1 to the Insolvency Act 1986 following the lodgement of a Notice of Appointment at the Court of Session

A receipts and payments account for the period 5 February 2007 (the date of appointment) to 4 August 2008 is attached at Appendix 2. This shows funds on hand totalling £173,283 53.

2 Extension to initial period of appointment

As you will be aware from our last report, the Court granted a twelve month extension to the statutory administration period to 4 February 2009 in order to allow additional time to deal with the outstanding issues in the administration

There remain a number of outstanding issues which we are working to finalise by 4 February 2009 however due to the ongoing nature of these issues, it may be necessary to seek a further extension to the administration. These issues are discussed in further detail in Section 3 below

3 Progress to date including realisation of assets

3 1 Sale of the business/ongoing trading

The Joint Administrators concluded a successful sale of the business, its plant and machinery and stock to M&M Timber Systems Limited, a subsidiary of Mactaggart & Mickel Limited, on 9 March 2007 for £270,500

3 2 Other realisations

Contract recoveries

Due to the level of the secured lender's direct claim against Kelvin Homes Limited ("KHL") it is uncertain whether any recovery of the inter-company debt of £1 3 million due to the Company from KHL will be made Recovery from this source, if any, is unlikely in the near future

To date, we have collected £204,449 of book debts This recovery is in excess of the balance of £200,000 originally deemed to be recoverable

We do not anticipate making any further significant recoveries in respect of book debts

4 Amounts payable to secured creditors, preferential creditors and the floating charge holder

4.1 Secured lenders

HSBC Bank plc's direct claim against the Company at the date of the appointment amounted to £547,115 The Company had also granted a guarantee for sums due by KHL to HSBC Bank plc Taking into account the additional sums due under the cross guarantee, HSBC Bank plc's total claim against the Company at the date of appointment amounted to £5,184,664 It should be noted that interest continues to accrue on this balance. The Bank's claim is secured by way of a floating charge.

4.2 Preferential creditors

The Company's preferential creditors have now been finalised and are as follows

Figure 1: Preferential creditors

Prescribed part of the Company's net property pursuant to Section 176A of the Insolvency Act 1986

The Bank's floating charge was granted prior to 15 September 2003 Therefore s 176A is not applicable and there will be no prescribed part of the Company's net property available for unsecured creditors

6 Dividend prospects for creditors

Our initial investigations into the assets and liabilities of the Company indicate that there will be no dividend payable to ordinary creditors

7 Joint Administrators' fees

In accordance with Paragraph 51 of Schedule B1 of the Insolvency Act 1986, the Administrators held the initial meeting of the creditors of the Company on 13 April 2007

The Joint Administrators' proposals were approved at this meeting and a Creditors' Committee was formed

The Creditors' Committee has audited and approved both our receipts and payments and our remuneration of £108,563 85 plus outlays of £1,520 85 (both excluding VAT) in respect of the period from 5 February 2007 to 6 September 2007

8 Other matters

We have continued to attend to all statutory and administrative matters as required, including the submission of our report on the directors' conduct to the Department of Trade and Industry and the completion and submission of VAT and corporation tax returns to HM Revenue and Customs

There remain a number of issues that require to be dealt with in the Administration In addition to those discussed in Section 3, these include, inter alia

- payment of the preferential creditors claims,
- review and response to correspondence received from creditors, and
- continued investigation into the prospect of the recovery of the inter company debt due from KHL
