NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2014

(1) ACCOUNTING POLICIES

Basis of preparation of accounts

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

The financial statements have been prepared on the going concern basis. The appropriateness of this basis is dependent upon the continued support of the directors and the company's bankers.

Turnover

Turnover comprises the invoiced value of foot health care services supplied by the company and the leasing of coffee shop equipment, net of trade discounts.

Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation.

Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Tenant's improvements	-	10% straight line
Plant and equipment	-	20% straight line

Operating leases

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged to the profit and loss account as incurred.

Stocks

Stocks are valued at the lower cost and net realisable after making due allowances for obsolete and slow moving stocks.

Deferred taxation

Provision is made for taxation deferred on the incremental liability approach in respect of all timing differences between the incidence of income and expenditure for taxation and accounts purposes that have originated but not reversed at the balance sheet date.
