subject always to the rights of the Security Holders as holder of the floating charge created by this Instrument.

- 7.3 To the extent that Secured Assets constitute Financial Collateral and are subject to a Security Financial Collateral Arrangement created by or pursuant to this Instrument, the Security Holders shall (subject to all Security Holders agreeing in writing) have the right, at any time after this Instrument becomes enforceable, to appropriate all or any part of those Secured Assets in or towards the payment or discharge of the Secured Liabilities. The value of any Secured Assets appropriated in accordance with this Clause 7.3 shall be the price of those Secured Assets at the time the right of appropriation is exercised as listed on any recognised market index, or determined by such other method as the Security Holders may (subject to all Security Holders agreeing in writing) select (including independent valuation). The Chargor agrees that the methods of valuation provided for in this Clause 7.3 are commercially reasonable for the purposes of Regulation 18 of the Financial Collateral Regulations. - 9.1 All monies received by all of the Security Holders or any Receiver under or by virtue of this Instrument following enforcement of the security hereby granted or of any security interest constituted pursuant hereto shall be applied, subject to the claims of any creditors ranking in priority to or *pari passu* with the claims of all of the Security Holders under this Instrument, in the following order:
- 9.1.1 first, in or towards payment of all costs, charges and expenses of or incidental to the appointment of the Receiver and the exercise of all or any of his powers, including his remuneration and all outgoings paid by and liabilities incurred by him as a result of such exercise;
 - 9.1.2 secondly, in or towards satisfaction of the Secured Liabilities in such order as the Security Holders shall in their absolute discretion decide by all Security Holders agreeing in writing; and
 - 9.1.3 thirdly, any surplus shall be paid to the Chargor or any other Person entitled thereto.
- 9.2 Nothing contained in this Instrument shall limit the right of the Receiver or the Security Holders (and the Chargor acknowledges that the Receiver and the Security Holders are so entitled) if and for so long as the Receiver or the Security Holders (subject to all Security Holders agreeing in writing), in their discretion, shall consider it appropriate, to place all or any monies arising from the enforcement of the security interest hereby granted or any security created pursuant to this Instrument into a suspense account, without any obligation to apply the same or any part thereof in or towards the discharge of any of the Secured Liabilities.
- 9.3 Any amount received under this Instrument by the Security Holders or any Receiver in a currency other than that in which the Secured Liabilities are denominated and payable shall be converted by the Security Holders into the relevant currency at the Security Holders's chosen spot rate of exchange from time to time.

10 PROTECTION OF SECURITY

- 10.1 The security created by and any security interest constituted pursuant to this Instrument shall be a continuing security notwithstanding any settlement of account or other matter or thing whatsoever and in particular (but without prejudice to the generality of the foregoing) shall not be considered satisfied by an intermediate repayment or satisfaction of part only of the Secured Liabilities and shall continue in full force and effect until total and irrevocable satisfaction of all the Secured Liabilities.
- 10.2 The security created by and any security interest constituted pursuant to this Instrument shall be in addition to and shall not in any way prejudice or be prejudiced by any collateral or other security, right or remedy which the Security Holders may now or at any time hereafter hold for all or any part of the Secured Liabilities.
- 10.3 No failure on the part of the Security Holders to exercise and no delay on their part in exercising any right, remedy, power or privilege under or pursuant to this Instrument or any other document relating to or securing all or any part of the Secured Liabilities will operate as a waiver thereof, nor will any single or partial exercise of any right or remedy preclude any other or further exercise thereof or the exercise of any other right or remedy. The rights and remedies provided in this Instrument and any such other document are cumulative and not exclusive of any right or remedies provided by law.
- 10.4 Each of the provisions in this Instrument shall be severable and distinct from one another and if at any time any one or more of such provisions is or becomes or is declared null and void, invalid, illegal or unenforceable in any respect under any law or otherwise howsoever, the validity, legality and enforceability of the remaining provisions of this Instrument shall not in any way be affected or impaired thereby.

- 10.5 If any of the Security Holders receives or is deemed to be affected by notice, whether actual or constructive, of any subsequent security or other interest affecting any part of the Secured Assets and/or the proceeds of sale(s) thereof, the relevant Security Holder may open a new account or accounts with the Chargor. If the relevant Security Holder does not open a new account, the relevant Security Holder shall nevertheless be treated as if the relevant Security Holder had done so at the time when the relevant Security Holder received or was deemed to have received notice and as from that time, all payments made to the relevant Security Holder shall be credited or be treated as having been credited to the new account and shall not operate to reduce the amount for which this Instrument is security.
- 10.6 Neither the security created by, nor any security interest constituted pursuant to, this Instrument nor the rights, powers, discretions and remedies conferred upon the Security Holders by this Instrument or by law shall be discharged, impaired or otherwise affected by reason of:
- 10.6.1 any present or future security, guarantee, indemnity or other right or remedy held by or available to the Security Holders being or becoming wholly or in part void, voidable or unenforceable on any ground whatsoever or by all of the Security Holders from time to time exchanging, varying, realising, releasing or failing to perfect or enforce any of the same; or
 - 10.6.2 the Security Holders compounding with, discharging or releasing or varying the liability of, or granting any time, indulgence or concession to, the Chargor or any other Person or renewing, determining, varying or increasing any accommodation or transaction in any manner whatsoever or concurring in accepting or varying any compromise, arrangement or settlement or omitting to claim or enforce payment from the Chargor or any other Person; or
 - 10.6.3 any act or omission which would not have discharged or affected the liability of the Chargor had it been a principal debtor instead of cautioner or by any act or omission which but for this provision might operate to exonerate the Chargor from the Secured Liabilities; or
 - 10.6.4 any legal limitation, disability, incapacity or other similar circumstance relating to the Chargor.
- 10.7 The Security Holders shall not be obliged, before exercising any of the rights, powers or remedies conferred upon them by or pursuant to this Instrument or by law, to:
- 10.7.1 take any action or obtain judgement or decree in any Court against the Chargor; or
 - 10.7.2 make or file any claim to rank in a winding-up or liquidation of the Chargor; or
 - 10.7.3 enforce or seek to enforce any other security taken, or exercise any right or plea available to the Security Holders, in respect of any of the Chargor's obligations to the Security Holders.

11 FURTHER ASSURANCE

The Chargor shall execute and do all such assurances, acts and things as all of the Security Holders may require for perfecting or protecting the security created by or pursuant to this Instrument over the Secured Assets or for facilitating the realisation of such assets and the exercise of all powers, authorities and discretions conferred on the Security Holders or on any Receiver by this Instrument and shall in particular (but without limitation) promptly after being requested to do so by all of the Security Holders or any Receiver, execute all assignments and transfers (in favour of all of the Security Holders or any Receiver or to such nominee as either shall direct) of the Secured Assets which come into existence after the date of this Instrument and give all notices orders and directions which the all of Security Holders or any Receiver may think expedient for the purposes specified in this Clause.

12 MANDATE AND ATTORNEY

and deliver and perfect any fixed security, floating charge, transfer, disposition, assignation, security and/or assurance or any writing, assurance, document or act which may be required or may be deemed proper by all of the Security Holders or the Receiver on or in connection with any sale, lease, disposition, realisation, getting in or other enforcement by all of the Security Holders or the Receiver of all or any of the Secured Assets.

- 12.2 The Chargor hereby ratifies and confirms and agrees to ratify and confirm whatever any such mandatary or attorney shall do in the exercise or purported exercise of all or any of the powers, authorities and discretions referred to in this Clause.

13 EXPENSES

- 13.1 The Chargor binds and obliges itself for the whole expenses of completing and enforcing the security granted by this Instrument and the expenses of any discharge thereof.
- 13.2 All costs, charges and expenses incurred and all payments made by any of the Security Holders or any Receiver under this Instrument in the lawful exercise of the powers conferred by this Instrument, whether or not occasioned by any act, neglect or default of the Chargor, shall carry interest from the date of the same being incurred or becoming payable at the rate which is 3% above the base rate from time to time of Bank of Scotland plc. The amount of all such costs, charges, expenses and payments and all interest thereon and all remuneration payable under this Instrument shall be payable by the Chargor on demand and shall be a Secured Liability. All such costs, charges, expenses and payments shall be paid and secured as between all of the Security Holders or any Receiver and the Chargor on the basis of a full and unqualified indemnity.

14 INDEMNITY

All of the Security Holders and every Receiver and every attorney, manager, agent or other Person appointed by all of the Security Holders or any such Receiver in connection with this Instrument shall be entitled to be indemnified out of the Secured Assets in respect of all liabilities and expenses incurred by it or him/her in the execution or purported execution of any of the powers, authorities or discretions vested in it or him/her pursuant to this Instrument and against all actions, proceedings, costs, claims and demands in respect of any matter or thing done or omitted in any way relating to the Secured Assets and all of the Security Holders and any Receiver may retain and pay all sums in respect of the same out of any monies received under the powers conferred by this Instrument.

15 AVOIDANCE OF PAYMENTS

Any amount which has been paid by the Chargor to a Receiver or any of the Security Holders and which is, in the opinion of all of the Security Holders, capable of being reduced or restored or otherwise avoided, in whole or in part, in the liquidation or administration of the Chargor shall not be regarded as having been irrevocably paid for the purposes of this Instrument.
