## **Statement of Directors' responsibilities in respect of the Directors' report and the financial statements**

The Directors are responsible for preparing the Report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law).

Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## **Notes (forming part of the financial statements)**

### **1 Accounting policies**

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

#### ***Basis of preparation***

The financial statements have been prepared in accordance with UK GAAP under the historic cost convention and in accordance with Companies Act 2006 and applicable accounting standards.

The company has taken advantage of the exemptions of FRS 1 (Revised 1996): Cash Flow Statements and has elected not to prepare its own cash flow statement as it is included within the Consolidated Statement of Cash Flows in the financial statements of Scottish Equity Partners LLP, its ultimate parent undertaking.

#### ***Going Concern***

The Directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

#### ***Turnover***

Turnover represents the amounts derived for the management and operation of SEP II LP and SEP II B LP. Sums advanced as interest-free recourse loans in respect of future entitlement to priority profit share as general partner of venture capital partnerships are treated as income (in accordance with Financial Reporting Standard 5 'Reporting the substance of transactions') and included in turnover. Turnover is recognised when as it is earned.

#### ***Taxation***

The charge for taxation is based on the profit for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes. Deferred taxation is accounted for on an undiscounted basis at expected tax rates on all timing differences. Deferred tax assets are only recognised when it is more likely than not that the asset will be recoverable in the foreseeable future out of suitable taxable profits from which the timing differences and tax losses can be deducted.

#### ***Related party transactions***

FRS 8 'Related Party Disclosures' requires disclosure of the details of material transactions between the reporting entity and related parties. The company has taken advantage of the exemptions in FRS 8 not to disclose transactions between group entities which eliminate on consolidation.

### **2 Auditor's remuneration**

The remuneration of the Auditors in respect of the statutory audit was £675 (2012: £720 payable to KPMG Audit Plc) and was paid by the ultimate parent company.

### **3 Remuneration of Directors**

None of the Directors received any emoluments in respect of their services to the company in the current or prior year.

The company has no employees in the current or prior year.
