## Report of the Trustees for the Year Ended 31 March 2016

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2016. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

## OBJECTIVES AND ACTIVITIES Objectives and aims

The company's objects are to:

- Address the issues associated with disadvantage and inequality
- Improve access to health improvement opportunities
- Promote a community development approach to community capacity building in the local area.

Our current business plan commits us to develop services and activities, on the following social objectives, aiming to support:

- People with poor mental or physical health to raise their aspirations, make informed lifestyle choices, and improve their life chances;
- Older people facing social isolation to enable them to reconnect with their local communities, participate in positive activities, and improve their life chances;
- Families, in particular carers, to counter disadvantage and influence decisions that affect them, their health and well-being, their relations, and neighbourhoods;
- Local volunteers, to build their capacity to make a positive difference in their lives and communities.

When it is complementary to the charity's objects, the charity is guided by both local and national policy.

#### **ACHIEVEMENT AND PERFORMANCE**

#### Charitable activities

Action Plans are set out for the year in separate documents and detail the activities and services of the charity which include: healthy eating cafe, health improvement services, such as healthy cooking classes, complementary therapies, physical exercise activities, community events and art and cultural activities. The successful Connects project, funded by Big Lottery Fund to develop activities and services for older people is now in its second year of its second phase and has funding in place until October 2019. In the past year the project exceeded its targets and worked directly with 190 older people, delivering 22 hours of positive social interaction per week for 40 weeks per year and involving around 25 older volunteers. The impact of the project is significant - our evaluations indicate the project has a positive effect on the health and wellbeing of older people, who report they experience a more positive outlook on life, increased friendships and social networks and better able to cope with life circumstances.

In 2013 we were also successful in securing a four year contract with the NHS to deliver community health initiatives in north west and north east Glasgow, this was in partnership with another Glasgow based Healthy Living Centre. Axis Health Hubs is successfully developing community capacity building initiatives in Easterhouse and Drumchapel, working with around 100 residents in each neighbourhood and supporting local volunteers. Cooking workshops and Health Issues in the Community (HIIC) courses remain the core delivery programmes.

Due to the first floor refurbishment and improvements to our boiler, we continue to notice reduced energy use and better use of available space. Occupancy rates are very high for the prime day time slots, although evening slots and weekends are under occupied - leaving room for improvement.

To ensure stakeholder are kept up to date with current events and programmes, we regularly update our website and Facebook pages and publish quarterly information leaflets and brochures. A total of 8,066 attendances were recorded using the Partick healthy living centre facilities from April 2015 to March 2016, and a further estimated footfall of around 8,000 using the healthy eating community cafe. Our outreach programme footfall totalled 3,034 in the Barlanark. Drumchapel and Yorkhill neighbourhoods.

A total of 686 (217 Partick, 190 Connects project and 279 outreach projects) individual beneficiaries registered and participated in healthy living interventions, including community development activities; health improvement activities, learning programmes and art activities. We actively encourage referrals from partners to enable their clients to access our services such as health walks, one-to-one support, healthy eating workshops, complementary therapies and exercise programmes. We are pleased that by working with our partners we can offer a holistic approach to the issues arising from poor health, poverty and disadvantage.

The purpose of the Annexe cafe is to provide a community focal point, bringing people together in a welcoming and inclusive environment to eat and socialise in a facility which promotes healthy eating. During 2015-16 the café had a turnover of £25,742. The cafe made a net loss of around £3,000, slightly better than the previous year. However, the board is committed to subsidising the cafe to maintain the essential café services which benefit the most vulnerable members of our community. For the future we are planning to utilise FareShare - a supermarket food surplus scheme. It is hoped this will reduce café costs and improve net profit in the longer term. A full annual report detaining all activities is published each year in October to launch our Annual General meeting.

Report of the Trustees for the Year Ended 31 March 2016

#### **FINANCIAL REVIEW**

#### Principal funding sources

Our core costs amount to around £165,000, including building and café costs. We anticipate raising this amount next year from earned income, recovered overheads from projects and contracts.

#### Reserves policy

The Board has examined the charity's requirements for reserves in light of the main risks to the organisation. It has established a policy to designate funds as follows: £42,000 for redundancy costs and £20,000 for specific strategic purposes including future business growth and improvements to the ground floor of the Annexe building. The Board is confident that at this level they would be able to continue the current activities of the charity. In the short term the Board has also considered the extent to which existing activities and expenditure could be curtailed, should such circumstances arise. In the long term the strategy is to continue to build reserves through increasing social enterprise opportunities and planned operating surpluses.

#### Results

Finances have been fairly stable this year, although it is still difficult to plan or develop services long term. This year we raised £14,611 rental income and recovered a further £27,545 for premises. The charity continues to operate a full cost recovery financial model. And, we are pleased that due to robust financial management, the charity, with the support of funders retained a steady turnover, with a net increase in core funds of £20,409.

#### Summary .

The Charity generated income of £418,963 (2015: £407,392) and expenditure of £401,866 (2015: £377,386) resulting in a surplus of £17,097 (2015: £30,006).

\*\*At balance date the Charity's reserves stood at £345,502 (2015: £328,405) with £335,042 of these being unrestricted (2015: £311,828).

#### **FUTURE PLANS**

In the next year we plan to submit funding applications for phase two of our building refurbishment plans - which include improvements to the ground floor and café space. We will continue to develop and deliver the activities and services outlined in the action plans in the forthcoming years subject to satisfactory funding and contract arrangements.

## STRUCTURE, GOVERNANCE AND MANAGEMENT Governing document

The organisation is a charitable company limited by guarantee, incorporated on 19th January 2001 and registered as a charity on 28th March 2001. The company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the company being wound up members are required to contribute an amount not exceeding £1.

Report of the Trustees for the Year Ended 31 March 2016

#### STRUCTURE, GOVERNANCE AND MANAGEMENT

#### Recruitment and appointment of new trustees

The directors of the company are also charity trustees for the purposes of charity law. Under the requirement of the Memorandum and Articles of Association the two directors who have been longest in office shall retire from office each year. The company may at any general meeting re-elect any member director who retires from office. Due to the community based nature of the charity's work, The Board seeks to ensure that the wider community is appropriately represented through the diversity of the trustee body. To enhance the potential pool of trustees, the charity has actively encouraged user groups and beneficiaries of our services and through networking with local community partners and organisations, sought to identify those willing to become members of the organisation and use their own experience to assist the charity.

#### Organisational structure

Annexe Communities Board may have of up to 12 Directors of which nine should be Member Directors and up to three Appointed Directors, who meet as a full Board or as a designated sub group of the Board at least 10 times per year. The Board of Directors is responsible for the strategic direction and policy of the charity. At present the Board has nine Directors from a variety of backgrounds relevant to the work of the charity. A scheme of delegation is in place and day to day responsibility for the provision of the services rest with the General Manager. The General Manager is responsible for ensuring that the charity delivers the services specified and that work-plans are carried out. The General Manager is also responsible for the day to day operational management of the Organisation and its services including outreach services and individual supervision of the staff team. The General Manager also has a responsibility for driving the strategic development of the Charity along with the business development sub-group of the Board. The General Manager and the staffing sub-group of the Board work to ensure that staff develop their skills and working practices in line with current good practice. Other short term sub groups are created on an ad hoc basis as the need arises.

The Board carries out an annual review of staffing levels and staff remuneration based on the current needs of the Charity. This year we have consolidated existing staff by maintaining a small core staff team including facilities and cafe staff. We continue to employ project staff depending on the needs of specifically funded projects and sessional staff are engaged at times to supplement existing staff to deliver services and activities. In the year 2015-16 we employed 10.5 FTE staff.

#### Induction and training of new trustees

Directors are familiar with the practical work of the charity and are regularly kept up to date through reports and background information. Directors are encouraged to attend information and training sessions pertaining to the services of the charity and any external training which may be appropriate.

Report of the Trustees for the Year Ended 31 March 2016

#### STATEMENT OF TRUSTEES RESPONSIBILITIES

The trustees (who are also the directors of Annexe Communities for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## Independent Examiner's Report to the Trustees of Annexe Communities

I report on the accounts for the year ended 31 March 2016 set out on pages nine to twenty three.

#### Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006. The charity's trustees consider that the audit requirement of Regulation 10(1)(a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under Section 44(1)(c) of the Act and to state whether particular matters have come to my attention.

#### Basis of the independent examiner's report

My examination was carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

#### Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements
  - to keep accounting records in accordance with Section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations; and
  - to prepare accounts which accord with the accounting records and to comply with Regulation 8 of the 2006 Accounts Regulations

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

## Notes to the Financial Statements for the Year Ended 31 March 2016

#### 1. ACCOUNTING POLICIES

#### Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

#### Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

#### **Expenditure**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

#### Allocation and apportionment of costs

#### Tangible fixed assets

Tangible fixed assets are written off over their useful life on the straight line basis as follows:

Short leasehold

- 65 years

Equipment

- 8% on cost

Fixtures and Fittings

- 10% on cost

Vehicles

- 10% on cost

#### **Taxation**

The charity is exempt from corporation tax on its charitable activities.

## Notes to the Financial Statements - continued for the Year Ended 31 March 2016

## 1. ACCOUNTING POLICIES - continued

#### **Fund accounting**

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

#### Pension costs and other post-retirement benefits

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.
