DIRECTORS' RESPONSIBILITIES STATEMENT

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom accounting standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions, to disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT
to the members of Quester Venture GP Limited

We have audited the financial statements of Quester Ventures GP Limited for the year ended 31 March 2012 which comprise the profit and loss account, the balance sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2012 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

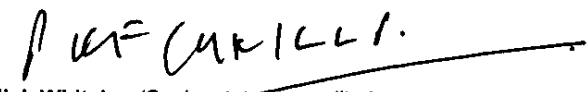

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or

NOTES TO THE ACCOUNTS
for the year ended 31 March 2012

1 ACCOUNTING POLICIES

The principal accounting policies are summarised below and have been applied consistently in the current and preceding year.

(a) BASIS OF ACCOUNTING

The financial statements are prepared under the historical cost convention and in accordance with applicable United Kingdom law and accounting standards.

(b) TURNOVER

Turnover represents the company's entitlement to priority profit share as general partner of QVP. In the absence of profits within QVP, a sum equivalent to the company's entitlement is advanced to the company as an interest-free limited recourse loan. Such advances are treated as income in the company's accounts in accordance with Financial Reporting Standard 5, "Reporting the substance of transactions".

(c) DEFERRED TAXATION

Deferred taxation is provided in full on timing differences that result in an obligation at the balance sheet date to pay more tax, or a right to pay less tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law. Timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in financial statements. Deferred tax assets are recognised to the extent that it is regarded as more likely than not that they will be recovered. Deferred tax assets and liabilities are not discounted.

(d) CURRENT TAXATION

Current tax is provided at amounts expected to be paid or recovered using the tax rates and laws that have been enacted or substantially enacted at the Balance Sheet date.

(e) SUBSIDIARY UNDERTAKINGS - LIMITED PARTNERSHIPS

The company acts as the general partner of Quester Venture GP Partnership which is the general partner of a venture capital fund, Quester Venture Partnership. Quester Venture GP Partnership and Quester Venture Partnership are limited partnerships which, by virtue of the role of the general partner, are deemed to be subsidiary undertakings of the company under the provisions of the Companies Act 2006.

However, as the company is itself a subsidiary undertaking of an immediate parent undertaking established under the law of a member state of the EU, it is exempt from the requirement to prepare group accounts. The company is included in consolidated financial statements prepared by its ultimate parent undertaking SPARK Ventures plc, which are drawn up to 31 March in the same financial year. These accounts therefore present information about Quester Venture GP Limited as an individual entity and not about its group.

(f) GOING CONCERN

At the date of approval of these financial statements, the Company was in net assets and net current assets position. After considering the future plans and reasonable possible changes in trading performance of the Company, the directors have a reasonable expectation that the Company have adequate resources to continue in operational existence for the foreseeable future. Accordingly they continue to adopt the going concern basis in preparing the financial statements.
