The company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 31 March 2012.

The members have not required the company to obtain an audit of its financial statements for the year ended 31 March 2012 in accordance with Section 476 of the Companies Act 2006.

The directors acknowledge their responsibilities for:

- ensuring that the company keeps accounting records which comply with Sections 386 and 387 of the Companies Act 2006 and
- preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of each financial year and of its profit or loss for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company.

The abbreviated accounts have been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

The financial statements were approved by the Board of Directors on 13 December 2012 and were signed on its behalf by:

G Cowan - Director

Notes to the Abbreviated Accounts
for the Year Ended 31 March 2012

1. **ACCOUNTING POLICIES**

Basis of preparing the financial statements - going concern

At 31 March 2012 the company had net liabilities amounting to £33,971. The company is reliant on the continued support of the directors and trade creditors. The directors have confirmed their intention to continue to support the company and are confident of the continued support of the trade creditors. On the above basis, the directors consider that the accounts should be prepared on a going concern basis.

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents net invoiced sales of goods, excluding value added tax, attributable to the one principal activity of the company being that of research and development. Income is recognised when the services have been provided.

Patents

The patent is being written off evenly over its estimated useful life of 20 years.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Computer equipment - 33.33% on reducing balance

Deferred tax

Deferred taxation is provided in full on timing differences which result in an obligation at the balance sheet date to pay more tax, or a right to pay less tax, at rates expected to apply when they reverse based on current tax rates and law. Timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in financial statements. Deferred tax is not provided on timing differences arising from the revaluation of fixed assets where there is no commitment to sell the asset. Deferred tax assets are recognised to the extent that it is regarded as more likely than not that they will be recovered. Deferred tax assets and liabilities are not discounted.

Research and development

Expenditure on research and development is written off in the year in which it is incurred.
