Kingdom Park Limited

Directors' Report For the year ended 31 December 2017

The directors present their report and the financial statements for the year ended 31 December 2017.

Principal activities and future developments

The principal activity of the Company is development of land. The Company will continue to develop strategic land in the future.

In preparing this report, the directors have taken advantage of the small companies exemptions provided by section 415A of the Companies Act 2006. The directors have taken advantage of the small companies exemption provided by Section 414B of the Companies Act 2006 not to provide a Strategic Report.

Directors

The directors who served during the year were:

Sir D E Murray
J R Davies
E N Campbell
R J Wilkie

Going concern

The Company is dependent on the continuing financial support provided by Murray Capital Limited. The directors have placed reliance on the letter of support obtained from Murray Capital Limited.

The directors have reviewed the trading prospects and projected cash flows of the Company and have agreed funding from its intermediate parent company, Murray Capital Limited. On that basis the directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, the directors have determined that it is appropriate to continue to adopt the going concern basis of accounting in the preparation of these financial statements.

Post balance sheet events

There have been no significant events affecting the Company since the year end.

Disclosure of information to auditor

Each of the persons who are directors at the time when this Directors' Report is approved has confirmed that:

- so far as that director is aware, there is no relevant audit information of which the Company's auditor is unaware, and
- the director has taken all the steps that ought to have been taken as a director in order to be aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

Kingdom Park Limited

Directors' Report (continued)
For the year ended 31 December 2017

Auditors

The auditor, Ernst & Young LLP, will be proposed for reappointment in accordance with section 485 of the Companies Act 2006.

This report was approved by the board on 18 June 2018 and signed on its behalf.

E N Campbell
Director
Date: 18 June 2018

Directors' responsibilities statement
For the year ended 31 December 2017

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'. Under Company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies for the Company financial statements and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent auditor's report to the members of Kingdom Park Limited

Opinion

We have audited the financial statements of Kingdom Park Limited for the year ended 31 December 2017 which comprise Statement of Comprehensive Income, the Statement of Financial Position, the Statement of changes in equity and the related notes 1 to 13, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

In our opinion, the financial statements:

- give a true and fair view of the company's affairs as at 31 December 2017 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report below. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in this report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact.

We have nothing to report in this regard.

Independent auditor's report to the members of Kingdom Park Limited (continued)

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and directors' report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the strategic report or directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of directors

As explained more fully in the directors' responsibilities statement set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Independent auditor's report to the members of Kingdom Park Limited (continued)

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed

**Notes to the financial statements
For the year ended 31 December 2017**

1. Accounting policies

1.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention and in accordance with Financial Reporting Standard 102, the Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland and the Companies Act 2006.

The financial statements of Kingdom Park Limited were authorised for issue by the Board of Directors on 18 June 2018. The financial statements have been prepared in accordance with applicable accounting standards. The financial statements have been prepared in sterling which is the functional currency of the company.

Kingdom Park Limited is a limited liability company incorporated in Scotland. The registered office is 26 Charlotte Square, Edinburgh, Midlothian, EH2 4ET.

1.2 Financial reporting standard 102 - reduced disclosure exemptions

The company has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by the FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland":

- the requirements of Section 4 Statement of Financial Position paragraph 4.12(a)(iv);
- the requirements of Section 7 Statement of Cash Flows;
- the requirements of Section 3 Financial Statement Presentation paragraph 3.17(d);
- the requirements of Section 11 Financial Instruments paragraphs 11.39 to 11.48A;
- the requirements of Section 12 Other Financial Instruments paragraphs 12.26 to 12.29;
- the requirements of Section 33 Related Party Disclosures paragraph 33.7.

This information is included in the consolidated financial statements of Murray Capital Group Limited as at 31 December 2017 and these financial statements may be obtained from 26 Charlotte Square, Edinburgh, Midlothian, EH2 4ET.

1.3 Going concern

The Company is dependent on the continuing financial support provided by Murray Capital Limited. The directors have placed reliance on the letter of support obtained from Murray Capital Limited.

The directors have reviewed the trading prospects and projected cash flows of the Company and have agreed funding from its intermediate parent company, Murray Capital Limited. On that basis the directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, the directors have determined that it is appropriate to continue to adopt the going concern basis of accounting in the preparation of these financial statements.

Notes to the financial statements
For the year ended 31 December 2017

1. Accounting policies (continued)

1.4 Stocks

Development properties held for development and resale are valued at the lower of cost and net realisable value. Land held for development, including land in the course of development until legal completion of sale, is valued at cost. Work in progress on development properties is valued at the cost of labour and materials plus capitalised legal and professional fees.

1.5 Short term-debtors and creditors

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in the income statement in other operating expenses.

1.6 Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and in hand and short term deposits with an original maturity of three months or less.

1.7 Financial instruments

The Company only enters into basic financial instruments transactions that result in the recognition of financial assets and liabilities like trade and other accounts receivable and payable, loans from banks and other third parties, loans to related parties and investments in non-puttable ordinary shares.

1.8 Taxation

UK corporation tax is provided at amounts expected to be paid (or recovered) using tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

The taxation liabilities of certain group undertakings are reduced wholly or in part by the surrender of losses by other group undertakings. The tax benefits arising from group relief are recognised in the financial statements of the surrendering undertakings.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Timing differences are differences between the company's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements.

A net deferred tax asset is regarded as recoverable and therefore recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured at the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax is measured on a non-discounted basis.

Notes to the financial statements
For the year ended 31 December 2017

2. Judgments in applying accounting policies and key sources of estimation uncertainty

In the application of the Company's accounting policies, which are described in note 1, the directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods. In the view of the directors there are no critical judgements or estimates affecting the Company's financial statements.

3. Auditor's remuneration

In the current period, auditor's remuneration has been incurred by Murray Estates Development Limited for all Murray Estates entities.

4. Employees

The company has no employees other than the directors. No directors received any emoluments during the year in respect of services to the company (2016: £nil).

The directors were remunerated by other group companies and it is not possible to separately identify remuneration for qualifying services to this company.

5. Interest payable

	31 December 2017 £	31 December 2016 £
On loans from group undertakings	<u>1,116,523</u>	<u>1,103,192</u>

Notes to the financial statements
For the year ended 31 December 2017

6. Taxation

There is no tax charge or credit in the current or prior year.

No provision has been made for deferred taxation on the basis that it is uncertain as to when there will be sufficient future taxable profits against which the potential deferred tax asset could be utilised. There was an unrecognised deferred taxation asset at 31 December 2017 of £918,750 (2016: £719,727).

Factors affecting tax charge for the year

The tax assessed for the year is higher than (2016 - higher than) the standard rate of corporation tax in the UK of 19.25% (2016 - 20.00 %). The differences are explained below:

	31 December 2017 £	31 December 2016 £
Loss on ordinary activities before tax	<u>(1,170,734)</u>	<u>(1,173,924)</u>
Loss on ordinary activities multiplied by standard rate of corporation tax in the UK of 19.25% (2016 - 20.00%)	(225,326)	(234,785)
Effects of:		
Deferred tax not recognised	225,326	234,785
Total tax charge for the year	<u>-</u>	<u>-</u>

Factors that may affect future tax charges

The standard rate of UK corporation tax reduced from 21% to 20% on 1 April 2015. The Finance Act (No.2) 2015 included legislation which reduced the rate further to 19%, from 1 April 2017. The Finance Act (No.2) 2015 was given Royal Assent on 18 November 2015. The Finance Act 2016 included legislation which reduced the rate further to 17% from 1 April 2020. This Finance Act 2016 was given Royal Assent on 15 September 2016. Accordingly these rates have been applied in the measurement of the deferred tax balances at 31 December 2017
