Notes to the financial statements**1. Significant accounting policies**

West Craigs Limited (the "Company") is a company domiciled in Scotland

The financial statements were authorised for issue by the directors on 21st February 2007

(a) Statement of compliance

The 2006 statutory financial statements set out on pages 7 to 17 have been prepared in accordance with International Financial Reporting Standards as adopted by the European Union ('IFRS')

The standards adopted by the Company are those endorsed by the European Union and effective at the date the IFRS financial statements are approved by the Board

The accounts also comply with the relevant provisions of Part VII of the Companies Act 1985, as amended by the Companies Act 1985 (International Accounting Standards and Other Accounting Amendments) Regulations 2004

(b) Basis of preparation

The financial statements have been prepared on a historical cost basis

(c) Adopted IFRS not yet applied

IFRS 7 "Financial Instruments Disclosures" and the "Capital disclosure amendment" to IAS 1 "Presentation of Financial Statements" which are applicable for periods commencing on or after 1 January 2007 have not been applied. The application of these standards in 2006 would not have affected the balance sheet or income statement as they are only concerned with disclosure

(d) Inventories

Inventories are stated at lower of cost and net realisable value

(e) Trade and other receivables

Trade and other receivables are stated at their cost less impairment losses

(f) Cash and cash equivalents

Cash and cash equivalents are held for the purpose of meeting short term cash commitments rather than investing or other purposes. Cash and cash equivalents consist of cash balances at banks that are freely available

(g) Impairment

The carrying amounts of the Company's assets, and deferred tax assets, are reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amount is estimated

An impairment loss is recognised whenever the carrying amount of an asset or its cash generating unit exceeds its recoverable amount. Impairment losses are recognised in the income statement

Notes to the financial statements (continued)**Significant accounting policies (continued)****(i) Calculation of recoverable amount**

The recoverable amount of other assets is the greater of their net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For an asset that does not generate largely independent cash inflows, the recoverable amount is determined for the cash generating unit to which the asset belongs.

(ii) Reversals of impairment

An impairment loss in respect of a receivable carried at amortised cost is reversed if the subsequent increase in recoverable amount can be related objectively to an event occurring after the impairment loss was recognised.

In respect of other assets, an impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount.

An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

(h) Trade and other payables

Trade and other payables are stated at cost.

(i) Expenses**(i) Net financing costs**

Net financing costs comprise interest payable on borrowings calculated using the effective interest rate method.

Interest income is recognised in the income statement as it accrues, using the effective interest rate method.

(j) Taxation

Income tax on the profit or loss for the year comprises current and deferred tax. Income tax is recognised in the income statement except to the extent that it relates to items recognised directly in equity.

Deferred tax is provided using the balance sheet liability method, providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. The amount of deferred tax provided is based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates at the balance sheet date.

Estimation of fair values

The following summarises the major methods and assumptions used in estimating the fair values of financial instruments reflected in the table:

Trade and other receivables/ payables

For receivables /payables with a remaining life of less than one year, the notional amount is deemed to reflect the fair value. All other receivables/ payables are discounted to determine the fair value.

Notes to the financial statements (continued)**16. Operating Leases**

The Company leases out various buildings which are terminable by the Company within periods of less than one year. The rental income relates to rent due to the company under these operating leases.

17. Parent Undertakings

HBOS plc is the ultimate parent undertaking of West Craigs Limited and heads the largest Group into which the accounts of the company are consolidated. The consolidated accounts of HBOS plc may be obtained from its head office at The Mound, Edinburgh EH1 1YZ.

The Governor and Company of the Bank of Scotland heads the smallest group into which the accounts of the Company are consolidated. The accounts of Bank of Scotland may be obtained from its head office at The Mound, Edinburgh EH1 1YZ.

18. Related parties

The company has a related party relationship with its intermediate parent company The Governor and Company of the Bank of Scotland. A number of banking transactions are entered into with The Governor and Company of the Bank of Scotland in the normal course of business including loans and deposits.

The Company also has a related party relationship with its fellow subsidiary undertaking Horizon Resources Limited. This relationship has arisen due to the provision of funding to the Company.

Statement of directors' responsibilities in respect of the Directors' report and the financial statements

The directors are responsible for preparing the Directors' report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare company financial statements for each financial year. Under that law the directors have elected to prepare the company financial statements in accordance with IFRSs as adopted by the EU.

The company financial statements are required by law and IFRSs as adopted by the EU to present fairly the financial position of the company and the performance for that period, the Companies Act 1985 provides in relation to such financial statements that references in the relevant part of that Act to financial statements giving a true and fair view are references to their achieving a fair presentation.

In preparing these company financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and estimates that are reasonable and prudent,
- state whether they have been prepared in accordance with IFRSs as adopted by the EU, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that its financial statements comply with the Companies Act 1985. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

Under applicable law and regulations, the Directors are also responsible for preparing a Directors' Report

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF WEST CRAIGS LIMITED

We have audited the financial statements of West Craigs Limited for the year ended 31 December 2006 which comprise the Income Statement, the Balance Sheet, the Cash Flow Statement, the Statement of Recognised Income and Expense and the related notes. These financial statements have been prepared under the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

The directors' responsibilities for preparing the financial statements in accordance with applicable law and International Financial Reporting Standards (IFRSs) as adopted by the EU are set out in the Statement of Directors' Responsibilities on page 18.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

We report to you our opinion as to whether the financial statements give a true and fair view and whether the financial statements have been properly prepared in accordance with the Companies Act 1985. We also report to you whether in our opinion the information given in the Directors' Report is consistent with the financial statements.

In addition we report to you if, in our opinion, the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and other transactions is not disclosed.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion:

- the financial statements give a true and fair view, in accordance with IFRSs as adopted by the EU, of the state of the company's affairs as at 31 December 2006 and of its profit for the year then ended,
- the financial statements have been properly prepared in accordance with the Companies Act 1985 and,
- the information given in the Directors' Report is consistent with the financial statements.
